

The Workers' Compensation Board (WCB) wishes to extend the Memorandum of Understanding (MOU) originally signed between the WCB and the Ministry of Advanced Education and Employment which extends workers' compensation coverage to students in work based learning assignments. The MOU will be extended to December 31, 2019 on its original Terms and Conditions.

Note: Following the restructuring of the ministries, the majority of students covered under this MOU fall under the Ministry of Advanced Education. The "community-based organizations" referenced in the MOU now fall under the Ministry of Immigration and Career Training.
