Dear Lisa Polk:

The 2022-23 Budget is focused on Saskatchewan being *back on track*, with a fiscal plan to return the budget to balance. Our resurgent economy and sound fiscal management ensure the services, programs, and infrastructure investments Saskatchewan people value are sustainable today and into the future.

In 2022-23, the Government of Saskatchewan will continue to invest in the second year of our multi-year funding commitment in post-secondary education. This four-year commitment to the sector supports your continued efforts to improve long-term financial sustainability at your institution. We look forward to learning more about how your multi-year funding initiatives progress over the next year and we applaud your commitment to achieving the priorities of *Saskatchewan's Growth Plan for the Next Decade of Growth 2020-2030*.

This year, we are pleased to provide a total investment of \$4,026,050 for Campion College, which includes \$189,350 in accordance with the multi-year funding commitment negotiated last year. The following appendix provides additional detail about government's investment and its intended uses:
