The 2022-23 Budget is focused on Saskatchewan being *back on track*, with a fiscal plan to return the budget to balance. Our resurgent economy and sound fiscal management ensure the services, programs, and infrastructure investments Saskatchewan people value are sustainable today and into the future.

In 2022-23, the Government of Saskatchewan will continue to invest in the second year of our multi-year funding commitment in post-secondary education. This four-year commitment to the sector supports your continued efforts to improve long-term financial sustainability at your institution. We look forward to learning more about how your multi-year funding initiatives progress over the next year and we applaud your commitment to achieving the priorities of *Saskatchewan's Growth Plan for the Next Decade of Growth 2020-2030*.

**Gabriel Dumont Institute/Dumont Technical Institute**

**Operating Funding**

For 2022-23, the Ministry of Advanced Education will provide Gabriel Dumont Institute/Dumont Technical Institute \$8,247,200 in operational funding — \$2,427,100 for Gabriel Dumont Institute's core grant, \$3,784,900 for the Saskatchewan Urban Native Teacher Education Program, and \$2,035,200 to the Dumont Technical Institute. **Higher Education Enterprise Resource Planning Project**

Although not reflected in your Budget Letter, the Government of Saskatchewan has provided Carlton Trail College with \$2,900,000 in project funding to administer on behalf of all regional colleges and Gabriel Dumont Institute for the implementation of a comprehensive Higher Education Enterprise Resource Planning System. The new system will support current and future business requirements (e.g., student information system, human resource, and finance components) to meet student and institution needs.

**Training Programs and Services**

**Essential Skills Programming**

For 2022-23, Dumont Technical Institute will be provided with a total of \$2,245,000 for the delivery of Adult Basic Education, and Adult Basic Education-Essential Skills for the Workplace. This funding is intended to support adult learners to develop basic employment skills, increase education and/or certification levels and gain prerequisites for further training that will lead to labour market attachment.

**Skills Training Allocation**

For 2022-23, Dumont Technical Institute will be provided with \$1,115,000 for Skills Training funding. The Skills Training Allocation is for the delivery of accredited training programs that meet the labour market needs of employers across various sectors in your region and of the provincial economy.

**Provincial Training Allowance**

Effective July 1, 2022, the province will launch a new training incentive to replace the Provincial Training Allowance program. The Ministry of Immigration and Career Training will continue to work with training institutions to administer the program and provide benefits to low-income learners enrolled in eligible Adult Basic Education and workforce development programs from April 1 to June 30, 2022. When the program transitions to the Ministry of Social Services in July 2022, they will oversee the administration of client benefits and your institution will no longer be required to manage a shadow allocation.

### **Saskatchewan Innovation and Opportunity Scholarship**

The 2022-23 Budget includes \$34,200 targeted funding for the Saskatchewan Innovation and Opportunity Scholarship, which will be disbursed to your institution in October 2022.

Post-secondary institutions are required to report annual Saskatchewan Innovation and Opportunity Scholarship activity from July 1<sup>st</sup> to June 30<sup>th</sup> of each year and will have until July 31<sup>st</sup> to submit their reporting to the Ministry of Advanced Education. Institutions are to advise the Ministry in writing by June 30<sup>th</sup> of their priorities for scholarships over the upcoming year and include the areas of study and student categories the institution will focus on.

Annual allocations are subject to budget appropriation and are based on each institution's ability to match funds in the previous year. The Ministry of Advanced Education will revisit the Saskatchewan Innovation and Opportunity Scholarship reporting and fundraising progress with all institutions prior to the 2023-24 Budget.
