**6 Section 6 is repealed and the following substituted:**

Annual  
interest rates

“6(1) A loan made pursuant to clause 4(m), (n), (o) or (o.1) is to bear interest at an annual rate equal to the sum of:

(a) the lowest annual rate of interest based on the cost of funds in effect during the period commencing on the date the application for the loan was received by the corporation and ending on the date disbursement of the loan began; and

(b) 2%.

(2) Where, at the time a loan pursuant to subclause 4(f)(i) is approved by the corporation, the participant does not occupy the house as his or her bona fide farm residence, the loan is to bear interest at an annual rate equal to the sum of:

(a) the lowest annual rate of interest based on the cost of funds in effect during the period commencing on the date the application for the loan was received by the corporation and ending on the date disbursement of the loan began; and

(b) 2%.

(3) Notwithstanding subsection (2), after the corporation is satisfied that the participant is occupying the house as his or her bona fide farm residence, a loan pursuant to subclause 4(f)(i) is to bear interest at the annual interest rate prescribed in subsection (4).

(4) All loans made pursuant to this Part, other than those mentioned in subsections (1) and (2), are to bear interest at an annual rate of interest equal to the sum of:

- (a) the lowest annual rate of interest based on the cost of funds in effect during the period commencing on the date the application for the loan was received by the corporation and ending on the date disbursement of the loan began; and
- (b) 1%.

(5) Notwithstanding subsections (1) to (4), the corporation, with the agreement of a participant, may change the interest rate chargeable on a loan, or any portion of a loan, made pursuant to this Part, Part II of *The Agricultural Credit Corporation of Saskatchewan Regulations* or Part II or III of Saskatchewan Regulations 220/73 to an annual rate:

(a) in the case of a participant who, in the opinion of the corporation, is not fulfilling the purposes for which the loan was originally granted, equal to the sum of:

- (i) the cost of funds in effect at the time the change is made; and
- (ii) 2%; or

(b) in the case of a participant who, in the opinion of the corporation, is fulfilling the purposes for which the loan was originally granted but requires the change in interest rate to keep the agricultural enterprise that the participant is engaged in or associated with viable, equal to the sum of:

- (i) the cost of funds in effect at the time the change is made; and
- (ii) 1%.

(6) Where the rate of interest payable during any portion of the term of a loan made by the corporation pursuant to Part II of *The Agricultural Credit Corporation of Saskatchewan Regulations* or Part II or III of Saskatchewan Regulations 220/73 exceeds the cost of funds in effect when these regulations come into force, the corporation may reduce the interest rate payable on the loan to an annual rate equal to the cost of funds in effect at the time these regulations come into force”.
