### CHAPTER E-10.22 REG 6

#### *The Environmental Management and Protection Act, 2010*

Sections 46 and 98

Order in Council 465/2017, dated September 20, 2017

(Filed September 21, 2017)

#### Title

1 These regulations may be cited as *The Electronic Equipment Stewardship Regulations*.

#### Definitions

2 In these regulations:

“**Act**” means *The Environmental Management and Protection Act, 2010*;

“**approval**” means approval of a product stewardship program by the minister pursuant to subsection 5(3);

“**electronic equipment**” means any electronic equipment listed in Table 1 of the Appendix and includes:

- (a) all embedded components; and
- (b) batteries discarded in the electronic equipment;

“**first seller**” means a person who:

- (a) is a manufacturer or distributor of, or owner or licensee of intellectual property rights in, electronic equipment that is sold, offered for sale or otherwise distributed into or in Saskatchewan;
- (b) is a vendor of electronic equipment outside of Saskatchewan and who, as an ordinary part of the vendor’s business, solicits and sells electronic equipment to consumers in Saskatchewan;
- (c) imports electronic equipment into Saskatchewan for resale in Saskatchewan;
- (d) imports parts for electronic equipment into Saskatchewan for assembly and resale in Saskatchewan; or
- (e) purchases electronic equipment outside of Saskatchewan for use in Saskatchewan;

“**product stewardship program**” means a program that provides for the collection and recycling of waste electronic equipment;

“**waste electronic equipment**” means electronic equipment that the consumer no longer wants.

#### Prescribed product

3 Electronic equipment is a prescribed product for the purposes of clause 46(a) of the Act.

**Product stewardship program required**

- 4(1) No first seller shall fail to:
- (a) operate a product stewardship program approved by the minister; or
  - (b) enter into an agreement with a person to operate, on the first seller's behalf, a product stewardship program approved by the minister.
- (2) No first seller who operates a product stewardship program shall fail to operate the product stewardship program in accordance with:
- (a) the program as approved by the minister; and
  - (b) these regulations.
- (3) No person who has entered into an agreement to operate a product stewardship program on a first seller's behalf shall fail to operate the product stewardship program in accordance with:
- (a) the program as approved by the minister; and
  - (b) these regulations.
- (4) No first seller who has entered into an agreement to have a product stewardship program operated on the first seller's behalf shall fail to ensure that the product stewardship program is operated in accordance with:
- (a) the program as approved by the minister; and
  - (b) these regulations.

**Requirements for product stewardship programs**

- 5(1) A first seller who operates or intends to operate a product stewardship program, or a person who operates or intends to operate a product stewardship program on a first seller's behalf, shall:
- (a) apply to the minister for approval of the program, in a form acceptable to the minister; and
  - (b) submit any additional information or material to the minister that the minister requests and considers relevant to the application.
- (2) The minister shall not approve a product stewardship program unless the product stewardship program:
- (a) contains details of the management structure of the product stewardship program; and
  - (b) provides details respecting all of the following:
    - (i) the composition of the board of directors of the operator of the product stewardship program, including details to satisfy the minister that there will be, in the minister's opinion, sufficient Saskatchewan representation;
    - (ii) the creation of an advisory committee to the operator of the product stewardship program;

- (iii) the role of the advisory committee in relation to the operation of the program;
- (iv) the manner in which Saskatchewan interests will be represented on the advisory committee;
- (v) the manner in which waste electronic equipment will be collected in all areas of Saskatchewan;
- (vi) recycling options for waste electronic equipment, listed in descending order of preference;
- (vii) the policies and procedures to be followed by any person processing waste electronic equipment collected pursuant to the program;
- (viii) the manner in which the program will be funded;
- (ix) the quality control and assurance aspects of the program, including tracking and auditing mechanisms;
- (x) the public education or public awareness and communication strategy for the program;
- (xi) the management of contracts with collectors, processors and other third party contractors, including the policies and procedures to be followed to ensure that all contracted parties comply with all municipal, provincial and federal legislation;
- (xii) the manner in which the program will manage greenhouse gas emissions related to the collection and recycling of waste electronic equipment.

(3) If the minister is satisfied that a proposed product stewardship program complies with the Act and these regulations and is otherwise in the public interest, the minister may approve the product stewardship program on any terms and conditions that the minister considers appropriate.

(4) The minister shall cause notice of the approval of any product stewardship program to be published on the ministry's website and to be made public in any other manner that the minister considers appropriate.

**Review of product stewardship program**

**6** Every 5 years after the date of the approval of the product stewardship program, every first seller operating a product stewardship program, and every person operating a product stewardship program on a first seller's behalf, shall review the approved program and:

- (a) seek approval from the minister of any proposed amendments to the approved product stewardship program; or
- (b) notify the minister in writing that no amendments to the approved product stewardship program are proposed.

**Changes to product stewardship program**

7 No person operating a product stewardship program shall make any changes to the program without obtaining the minister's prior written approval of the proposed changes.

**Amendment, suspension or cancellation of approvals**

8(1) Subject to subsection (2), if, in the minister's opinion, a product stewardship program is not being operated in accordance with the Act, these regulations or the terms and conditions of the approval, or if, in the minister's opinion, it is in the public interest to do so, the minister may:

- (a) amend the approval by imposing new or additional terms and conditions; or
- (b) suspend or cancel the approval.

(2) Before amending, suspending or cancelling an approval pursuant to subsection (1), the minister shall provide the person operating the product stewardship program with:

- (a) written notice of the minister's intended action and the reasons for that intended action; and
- (b) an opportunity to make written representations to the minister, within 30 days after the written notice mentioned in clause (a) is served or a longer period set by the minister, as to why the intended action should not be taken.

(3) The minister is not required to give an oral hearing to any person to whom a notice has been provided pursuant to subsection (2).

(4) After considering the representations mentioned in subsection (2), the minister shall:

- (a) issue a written decision, with reasons for the decision; and
- (b) serve a copy of the decision on the person operating the product stewardship program.

(5) Notwithstanding subsection (2), if the minister considers that it is necessary in order to protect the public interest, the minister may immediately amend, suspend or cancel an approval without giving the person mentioned in subsection (2) an opportunity to make written representations, but the minister shall give that person an opportunity to make written representations within 15 days after the date on which the minister takes any of those actions.

(6) The minister shall cause notice of the suspension or cancellation of any product stewardship program to be published on the ministry's website and to be made public in any other manner that the minister considers appropriate.

**Annual reporting**

9(1) In this section, "**reporting period**" means the period commencing on January 1 in one year and ending on December 31 of that year.

(2) On or before June 30 in each year, every first seller operating a product stewardship program, and every person operating a product stewardship program on the first seller's behalf, shall prepare and send to the minister a written annual report that describes the activities of the product stewardship program during the previous reporting period and that contains the information mentioned in subsection (3).

- (3) A written report mentioned in subsection (2) must include:
- (a) the types and amount of waste electronic equipment collected;
  - (b) the types and amount of waste electronic equipment diverted to each of the program's recycling options as identified pursuant to subclause 5(2)(b)(vi);
  - (c) the total amount of recycling fees collected to fund the program in Saskatchewan;
  - (d) the amount spent to operate the program in Saskatchewan;
  - (e) the amount paid out as recycling incentives, if any;
  - (f) the costs incurred to administer the program;
  - (g) the amount spent on public education or public awareness and communication;
  - (h) any other information that the minister may reasonably require.

**RRS c E-10.21 Reg 4 repealed**

**10** *The Waste Electronic Equipment Regulations* are repealed.

**Transitional**

**11** Notwithstanding any other provision of these regulations, if a product management program was approved pursuant to *The Waste Electronic Equipment Regulations*, as those regulations existed on the day before the coming into force of these regulations, and the approval for that product management program is valid and not under suspension or cancellation on the day on which these regulations come into force:

- (a) the product management program is deemed to be an approved product stewardship program for the purposes of these regulations; and
- (b) the product management program may be dealt with pursuant to these regulations as if approved pursuant to these regulations and is subject to the same terms and conditions that were imposed pursuant to *The Waste Electronic Equipment Regulations* and were in place on the day on which these regulations come into force.

**Coming into force**

**12(1)** Subject to subsection (2), these regulations come into force on May 1, 2018.

(2) If these regulations are filed with the Registrar of Regulations after May 1, 2018, these regulations come into force on the day on which they are filed with the Registrar of Regulations.
