**Regulatory Bylaw 5.1 is repealed and replaced by the following:**

**“5.1 Standards for Continuing Education and Maintenance of Membership**

- (a) in this bylaw:
- (i) the term “Mainpro+” means the program of Continuing Professional Development which the College of Family Physicians of Canada may require from time to time of its members as a condition of maintaining certification with the College of Family Physicians of Canada. The program, at the date of implementation of this bylaw, is called “Mainpro+”. If the name or requirements of that program shall change, the requirements of this bylaw will continue to apply to physicians licensed in Saskatchewan, despite a change in the name or requirements;
  - (ii) the term “Maintenance of Certification” means the program of Continuing Professional Development which the Royal College of Physicians and Surgeons of Canada may require from time to time of its members as a condition of maintaining fellowship with the Royal College of Physicians and Surgeons of Canada. The program, at the date of this bylaw, is called “Maintenance of Certification”. If the name or requirements of that program shall change, the requirements of this bylaw will continue to apply to physicians licensed in Saskatchewan, despite a change in the name or requirements;
- (b) this bylaw shall apply to all physicians who have been granted a regular or provisional licence, and to all physicians formerly registered under sections 28, 29 or 30 of the Act and who, pursuant to section 2.16 of these bylaws, remain licensed;
- (c) the Registrar may exempt a physician from the application of this bylaw if the physician is to be licensed for a period of less than one year and, at the time of registration, is not expected to seek further licensure in Saskatchewan;
- (d) in order to renew a licence to which bylaw 5.1 applies, a physician shall:
- (i) provide a statement to the College of Physicians and Surgeons that the physician is enrolled in either Mainpro+ or Maintenance of Certification;
  - (ii) provide a statement of the date established by CFPC or RCPSC for the physician to meet the requirements of Mainpro+ or Maintenance of Certification;
  - (iii) if a physician has reached the date established by CFPC for the physician to meet the requirements of Mainpro+, or the date established by RCPSC for the physician to meet the requirements of Maintenance of Certification, provide proof to the satisfaction of the Registrar that the physician has met the requirements of Mainpro+ or Maintenance of Certification, as the case may be;

- (iv) if CFPC has established a date for a physician to meet the requirements of Mainpro+, or the RCPSC has established a date for a physician to meet the requirements of Maintenance of Certification, and a new date is subsequently set by CFPC or RCPSC, the physician shall provide proof to the satisfaction of the Registrar that the physician, at the originally established date, met the requirements of Mainpro+ or Maintenance of Certification, as the case may be;
  - (v) an original certificate from CFPC or RCPSC, as the case may be, that the physician has met the requirements of Mainpro+ or Maintenance of Certification shall be acceptable proof that the physician has met the requirements;
- (e) subject to the provisions of clause (f) through (j) of this bylaw, a physician to whom bylaw 5.1 applies shall not be eligible to renew a licence if the College of Physicians and Surgeons receives information from The College of Family Physicians of Canada or the Royal College of Physicians and Surgeons of Canada that the physician is not compliant with the requirements of Mainpro+ or Maintenance of Certification as the case may be;
- (f) a physician may apply to the Registrar for:
- (i) an exemption from the requirements of this bylaw; or
  - (ii) a direction that the physician's licence be renewed, notwithstanding the failure of the physician to meet the requirements of this bylaw;
- (g) the Registrar may require a physician making such a request to provide such information or documentation as the Registrar may specify, and may refuse to consider the application until such information or documentation is provided;
- (h) the Registrar may, in the exercise of the Registrar's discretion, grant or refuse a physician's request under this bylaw, or may grant the request subject to such terms and conditions as the Registrar may specify. In making a decision to grant, refuse, or grant subject to terms and conditions such a request, the Registrar may consider matters such as the following:
- (i) the efforts of the physician to comply with the terms of the bylaw;
  - (ii) whether the physician is in substantial compliance with the terms of the bylaw;
  - (iii) the extent to which a physician is engaged in clinical practice;
  - (iv) whether the physician has applied to the CFPC or RCPSC for an extension of time to meet the Mainpro+ or Maintenance of Certification requirements, or for other relief with respect to the Mainpro+ or Maintenance of Certification requirements;
  - (v) if the physician has made such an application, the position of CFPC or RCPSC in response to the request;
  - (vi) any other matter that the Registrar may consider relevant to the request;
- (i) the Registrar may, in granting such a request, include any or all of the following conditions:
- (i) the physician will provide an undertaking in writing that the physician will meet such terms and conditions as may be required by the Registrar;
  - (ii) the physician will take such form of education or remediation as the Registrar may specify;
  - (iii) the physician will meet the requirements of Mainpro+ or Maintenance of Certification within such time as the Registrar may specify;
  - (iv) any other term or condition as the Registrar believes is consistent with the goals and objectives of this bylaw;

- (j) if the Registrar imposes terms or conditions pursuant to clause 5.1(i), and a physician fails to meet those conditions, the Registrar may refuse to renew a physician's licence when the physician next requests a licence renewal;
- (k) the Registrar shall not renew a physician's licence unless the physician meets the requirements of this bylaw;
- (l) a decision made by the Registrar pursuant to bylaw 5.1 shall be subject to review by the Council in the same manner as provided in section 31.1 of the Act;
- (m) where a physician has been refused renewal of a licence pursuant to this bylaw, and where the physician thereafter meets the requirements of this bylaw, the physician may apply within one year to be re-registered and, upon payment of the fee and meeting the other requirements for renewal of licensure prescribed in the College bylaws, the physician's licence shall be restored".
