

Special thanks to Jackie Taypotat
and Calvin Racette for their work on
the creation of this story.

Hi.

My name is Kon.

I am a fox.

I am a good friend
of Askî and Nipi.

I live in a secret den close to the pond with my mom and dad.

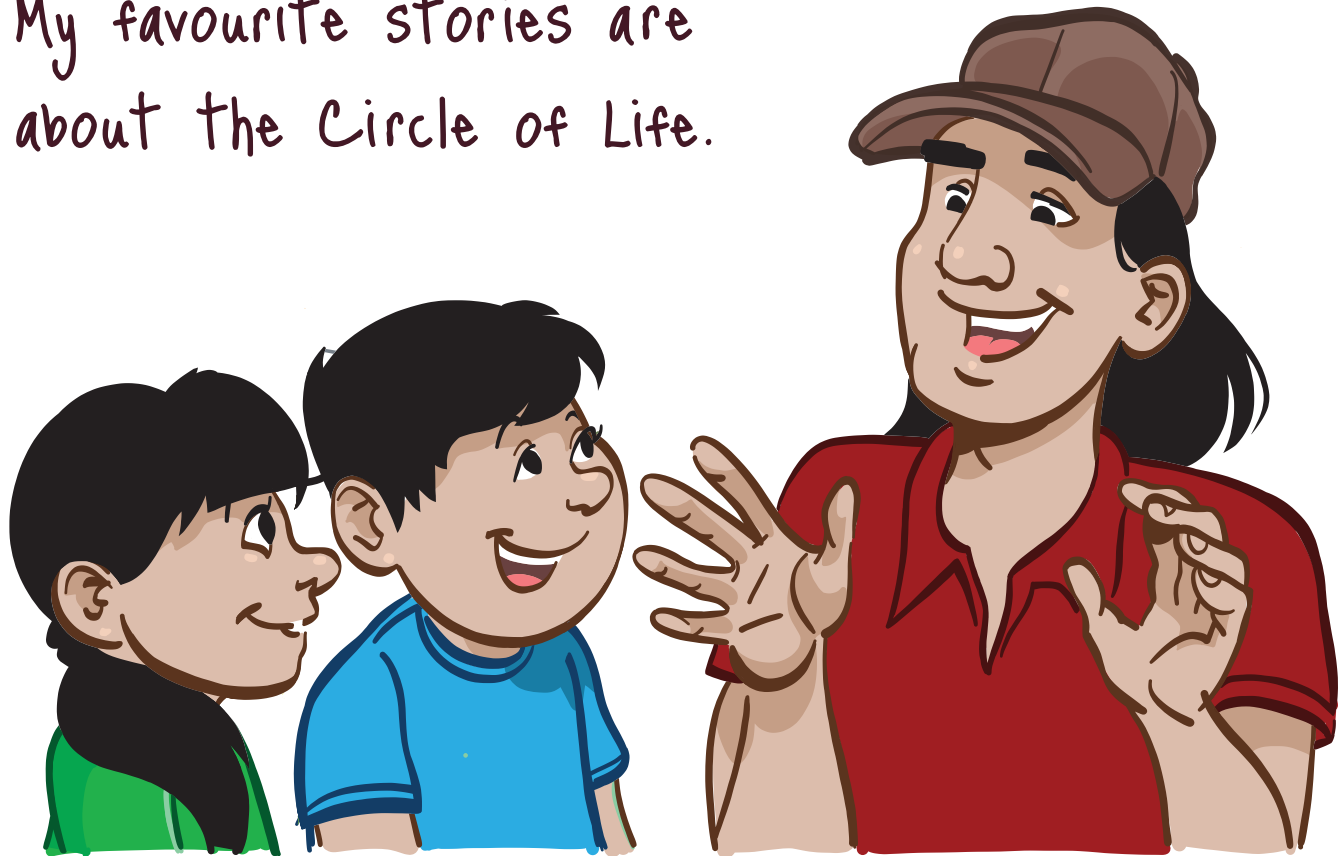

I spend a lot of time at the pond with my friends. We drink water from the pond.

I like to sneak up close to
the pond and listen to Askî's
grandfather tell stories.

I also listen to the two-leggeds tell stories when they visit our pond.

My favourite stories are about the Circle of Life.

There are four directions in the Circle of Life:
east, south, west and north.

There are four seasons:
spring, summer, fall and winter.

There are four colours:
yellow, red, black and white.

There are four elements:
fire, earth, air, and water.

Four is a special number!

Our pond is a part of the Circle of Life.

The four-leggeds, the flyers, the
crawlers and the swimmers take care
of the pond because we need it for
living, eating and gathering...or even
just to look at!

Every place is part
of the Circle of Life.
Every place is special.

Guess what?

You are part of the Circle of Life,
so you are special too!
