Construction type (wood frame, aluminum, floating, etc.) _____

FORESHORE AND SHORELINE USE CONDITIONS:

- 1) **Allowable Works:** Boat Docks, Boat Storage Lifts, Stairways, Stake Tie-ups.
- 2) **Prohibited Structures:** Decks, Storage Sheds, Boat Houses and Roller Ramps.
- 3) Dock areas to be designated by the Park Manager.
- 4) All docks and lifts must be removed by freeze-up and stored on lessees' property or at designated locations.
- 5) Shared use of docks is encouraged.
- 6) This permit allows you to undertake activities affecting the bed, bank and boundary of a water body or watercourse that are otherwise prohibited under subsection 38(4) of The Environmental Management and Protection Act, 2010. This permit does not replace or supersede any approvals, licenses or authorizations, including building permits, that may be required under municipal, provincial or federal legislation. The permit holder will maintain in force all such approvals, licenses or authorizations that may be required.
- 7) The permittee shall be aware that any work that involves vegetation removal or causes the alteration of the bed, bank or boundary of any water body or watercourse may require an Aquatic Habitat Protection Permit from the Water Security Agency. More information is available at <https://www.wsask.ca/water-programs/aquatic-habitat-protection/>
- 8) No excavation, brush clearing or mowing will be permitted on shoreland or foreshore land unless authorized by permit under specific conditions.
- 9) Structures must be constructed so as to conform to 'The National Building Code of Canada' and must be kept in a safe, well maintained, and neat condition.
- 10) Docks must not exceed 1.8 meters (6 ft.) in width and can only be as long as necessary to ensure sufficient water depth for mooring.
- 11) Docks must conform to Department of Fisheries and Oceans and Transport Canada guidelines.
- 12) Foreshore structures must be marked with "No Diving" sign, the owner's name, permit # or lot and block number as per the Park Manager's request.
- 13) Where located within a cottage subdivision, application may only be accepted from cottage lessees.
- 14) In the case of an assignment of a cottage property associated with this permit, you must surrender the foreshore permit and the ministry will consider **"Other Users"** associated with the new permit application.
- 15) The permittee is fully responsible for any legal liability associated with their structure.
- 16) Application fee is \$20.00 and payable to the **"Minister of Finance"** upon receipt of invoice.
