CHAPTER A-21.2 REG 1*The Animal Protection Act, 2018*

Section 36

Order in Council 475/2018, dated September 14, 2018

(Filed September 14, 2018)

PART 1

Preliminary Matters**Title**

1 *These regulations may be cited as The Animal Protection Regulations, 2018.*

Definitions and Interpretation

2(1) In these regulations:

“**Act**” means *The Animal Protection Act, 2018*;

“**Form**” means a form set out in Part 1 of the Appendix.

(2) For the purposes of clause 2(2)(e) of the Act, “abandoned” includes an animal that is left uncared for as a result of any of the following:

- (a) the arrest of the person responsible for the animal;
- (b) the hospitalization of the person responsible for the animal;
- (c) the death of the person responsible for the animal.

PART 2

Standards, Codes of Practice and Guidelines**Prescribed standards, codes of practice and guidelines**

3 For the purposes of clause 2(3)(a) of the Act, the standards, codes of practice and guidelines set out in Part 2 of the Appendix are prescribed as acceptable.

Prescribed standards, codes of practice and guidelines

4 For the purposes of subsection 6(2) of the Act, the standards, codes of practice and guidelines set out in Part 2 of the Appendix are prescribed.

PART 3

Animal Protection Agencies and Animal Protection Officers**Approval of organizations**

5(1) For the purposes of clause 8(1)(a) of the Act, any organization that wishes to be approved by the minister shall:

- (a) apply to the minister in the manner specified by the minister; and

- (b) provide the minister with:
 - (i) evidence satisfactory to the minister that the organization:
 - (A) meets the requirements set out in subclauses 8(1)(a)(i) and (ii) of the Act;
 - (B) is able to provide enforcement of the Act in accordance with the Act and these regulations; and
 - (C) will comply with any terms and conditions imposed pursuant to subsection 8(3) of the Act; and
 - (ii) any additional information that the minister may reasonably require to consider the application.
- (2) The minister may approve an organization that applies pursuant to subsection (1) if the minister is satisfied that the organization has complied with the Act and these regulations.
- (3) If the minister proposes to not approve an organization pursuant to subsection (1), the minister shall provide written notice of that proposal along with written reasons to the organization making the application and give that organization 10 days from the date of receipt to make written representations.
- (4) After reviewing any written representations made pursuant to subsection (3) or, if no written representations are made, after the expiry of the 10-day period mentioned in subsection (3), the minister:
 - (a) may make a final decision to approve or not approve the organization; and
 - (b) shall provide a written notice to the organization of the minister's decision.
- (5) The minister shall issue a certificate of designation to each organization that is approved pursuant to this section.
- (6) An approval remains in effect until the minister suspends or cancels the approval in accordance with these regulations.

Animal protection officers

- 6(1)** An application to have a person appointed as an animal protection officer must be submitted by an animal protection agency.
- (2) An animal protection agency that wishes to have a person appointed as an animal protection officer for the purposes of the Act shall:
 - (a) recommend that person to the minister in writing; and
 - (b) along with the written recommendation mentioned in clause (a), provide the minister with evidence satisfactory to the minister that the person:
 - (i) meets the qualifications set out in subsection (3);
 - (ii) satisfies the requirement of clause 9(1)(b) of the Act; and
 - (iii) will comply with any terms and conditions imposed pursuant to subsection 9(2) of the Act.

- (3) For the purposes of subclause (2)(b)(i), a person must:
- (a) demonstrate:
 - (i) knowledge of the care of animals;
 - (ii) knowledge of the Act, these regulations, and the cruelty to animals provisions in the *Criminal Code*; and
 - (iii) ability to carry out the duties and responsibilities imposed on animal protection officers pursuant to the Act;
 - (b) be legally entitled to drive in Saskatchewan;
 - (c) subject to section 8, have successfully completed investigative training that is approved by the minister; and
 - (d) obtain, at the person's own expense, and provide to the animal protection agency recommending the appointment, a criminal record check of the person that:
 - (i) is satisfactory to the minister;
 - (ii) was completed by a police service not more than 30 days before the date on which the animal protection agency forwards its written recommendation to the minister; and
 - (iii) discloses to the ministry whether the person has been charged with, discharged from or convicted of an offence pursuant to the *Criminal Code* or the *Controlled Drugs and Substances Act* (Canada).
- (4) If the minister is satisfied that the application complies with this section and that it is appropriate to do so, the minister may, subject to section 8, appoint the person who is the subject of the application as an animal protection officer.
- (5) The minister shall issue a certificate of appointment to every person appointed as an animal protection officer.
- (6) The animal protection agency that recommended a person as an animal protection officer shall:
- (a) immediately notify the minister in writing if the animal protection officer resigns, dies or ceases to be employed or engaged by the animal protection agency; and
 - (b) as soon as is practicable, return the animal protection officer's certificate of appointment to the minister.
- (7) On receipt of a written notice pursuant to subsection (6), the minister may immediately cancel the animal protection officer's appointment without being required to comply with section 10.

Reappointment

7 On the application of the animal protection agency that employs the animal protection officer, an animal protection officer may be reappointed if the minister is satisfied that the animal protection officer meets the criteria set out in section 6.

Certain animal protection officers conditionally appointed

8(1) The minister may appoint a person mentioned in subsection 6(2) as an animal protection officer notwithstanding that the person has not successfully completed the investigative training mentioned in clause 6(3)(c).

(2) Every person who is appointed as an animal protection officer without having successfully completed the investigative training mentioned in clause 6(3)(c) must successfully complete that training within 16 months after being appointed.

(3) Until an animal protection officer successfully completes the investigative training mentioned in clause 6(3)(c):

(a) that animal protection officer must perform the duties of an animal protection officer under the supervision or direction of an animal protection officer who has successfully completed that training; and

(b) a certificate of appointment issued to the animal protection officer must clearly indicate that the animal protection officer is in training.

(4) If an animal protection officer successfully completes the investigative training mentioned in clause 6(3)(c), the animal protection agency that recommended the person as an animal protection officer shall provide the minister with evidence satisfactory to the minister that the animal protection officer has successfully completed investigative training.

(5) If an animal protection officer fails to successfully complete the investigative training mentioned in clause 6(3)(c) within the 16-month period set out in this section, the minister may immediately cancel the animal protection officer's appointment without being required to comply with section 10.

Suspension or cancellation

9(1) Subject to section 10, the minister may suspend or cancel the approval of an animal protection agency made pursuant to section 5 if, in the minister's opinion, the animal protection agency:

(a) has failed to comply with the Act, these regulations or a term or condition imposed on the designation as an animal protection agency;

(b) has acted in a manner that is contrary to the public interest;

(c) has ceased to have as a principal object the prevention of cruelty to animals;

(d) has ceased to be incorporated, continued or registered as a non-profit corporation pursuant to an Act;

(e) is unable to provide enforcement of the Act in accordance with the Act and these regulations; or

(f) has provided false or misleading information to the minister in an application submitted pursuant to section 5 or at any other time.

(2) If the minister suspends the approval of an animal protection agency pursuant to subsection (1), the appointment of each animal protection officer for whom the animal protection agency submitted an application pursuant to subsection 6(1) is automatically suspended.

- (3) If the minister cancels the approval of an animal protection agency pursuant to subsection (1):
- (a) the animal protection agency shall return its certificate of designation to the minister;
 - (b) the appointment of each animal protection officer for whom the animal protection agency submitted an application pursuant to subsection 6(1) is automatically cancelled; and
 - (c) each animal protection officer mentioned in clause (b) shall return to the minister the certificate of appointment issued by the minister.
- (4) Section 10 does not apply to an animal protection officer whose appointment is suspended in accordance with subsection (2) or cancelled in accordance with subsection (3).
- (5) Subject to section 10, the minister may suspend or cancel the appointment of an animal protection officer if, in the minister's opinion, the animal protection officer:
- (a) has failed to comply with the Act, these regulations or a term or condition of the appointment;
 - (b) has acted in a manner that is contrary to the public interest while performing the duties and responsibilities of an animal protection officer;
 - (c) has provided false or misleading information to the animal protection agency or to the minister in obtaining the appointment or at any other time; or
 - (d) no longer meets the qualifications set out in subsection 6(3).
- (6) If the minister cancels the appointment of an animal protection officer pursuant to subsection (5), the animal protection officer shall return to the minister the certificate of appointment issued by the minister.
- (7) The minister may suspend or cancel the designation of a humane society mentioned in subsection 38(2) of the Act in the same manner and on the same grounds as an animal protection agency approved pursuant to section 8 of the Act.
- (8) For the purposes of subsection 38(5) of the Act, the prescribed date is the date, if any, on which a humane society mentioned in subsection 38(2) of the Act has its designation cancelled by the minister.

Opportunity to make written representations

10(1) The minister shall not:

- (a) suspend or cancel the approval of an animal protection agency pursuant to subsection 9(1) without giving the animal protection agency an opportunity to make written representations within 10 days after the notice is received; or
- (b) suspend or cancel the appointment of any animal protection officer pursuant to subsection 9(5) without giving the animal protection officer an opportunity to make written representations within 10 days after the notice is received.

(2) After receiving any written representations pursuant to subsection (1) or, if no written representations are received within the 10-day period, the minister shall:

- (a) make a final decision to suspend or cancel or not suspend or cancel; and
- (b) provide written notice of the decision along with reasons to the animal protection agency or the animal protection officer, as the case may be.

(3) Notwithstanding subsection (1), if the minister considers that it is necessary in order to protect the public interest, the minister may immediately suspend or cancel an approval of an animal protection agency or an appointment of an animal protection officer without giving the animal protection agency or animal protection officer, as the case may be, an opportunity to make written representations, but the minister shall give the animal protection agency or animal protection officer, as the case may be, an opportunity to make written representations within 10 days after the date on which the minister takes any of those actions.

Record keeping requirements

11(1) Every animal protection agency shall maintain a written record of the names and addresses of the animal protection officers appointed by the minister as animal protection officers for that animal protection agency.

(2) Every animal protection agency shall maintain a written record of:

- (a) all complaints with respect to the protection of animals received by the animal protection agency; and
- (b) the steps taken by the animal protection agency with respect to each complaint.

(3) Each year, within 4 months after the end of the animal protection agency's fiscal year, every animal protection agency shall prepare and submit a report to the minister, in a form acceptable to the minister, that includes the records required to be maintained pursuant to subsections (1) and (2) with respect to the preceding fiscal year.

(4) The minister may, at any time, request any information that the minister considers necessary in order to ascertain whether the Act and these regulations are being complied with.

(5) Every animal protection agency shall retain the records mentioned in subsections (1) and (2) for at least 6 years after the expiration of the year in which the records were created.

**PART 4
Other Matters**

Search warrants

12(1) The information to be sworn by an animal protection officer pursuant to subsection 14(1) of the Act for the purposes of obtaining a search warrant is to be in Form A.

(2) A search warrant issued pursuant to subsection 14(1) of the Act is to be in Form B.

(3) An animal protection officer who obtains a search warrant pursuant to section 14 of the Act shall, after executing the warrant, file a report in Form C with the justice of the peace or the provincial court judge who issued the warrant.

Sale of detained animals

13(1) Before selling an animal that has been detained pursuant to the Act, an animal protection agency shall comply with this section.

(2) An animal protection agency is responsible for any animal that it detains or causes to be detained for the period that the animal is detained.

(3) Subject to subsection (5), the animal protection agency shall post a notice of the sale, for at least 2 consecutive days before the sale:

(a) at any premises of the animal protection agency that are accessible to the public; and

(b) either:

(i) at the place of sale, if the animal is to be sold by auction;

(ii) at the local detachment of the Royal Canadian Mounted Police; or

(iii) in any public place that the animal protection agency considers appropriate in the circumstances.

(4) The notice mentioned in subsection (3) must include:

(a) the name and address of the animal protection agency;

(b) a description of the animal; and

(c) the location of the premises where the animal will be offered for sale.

(5) An animal protection agency is not required to post the notice mentioned in subsection (3) if:

(a) the person responsible for the animal is known to the animal protection agency; and

(b) the animal protection agency has sent a written notice to the person responsible for the animal that the animal protection agency may sell the animal if that person does not, within the period specified by the animal protection agency in the written notice:

(i) comply with any corrective action order that has been issued with respect to the animal; and

(ii) either:

(A) pay to the animal protection agency the expenses incurred with respect to the animal; or

(B) enter into an agreement with the animal protection agency for the payment of the expenses incurred with respect to the animal.

- (6) The proceeds derived from the sale of the detained animal must be applied:
- (a) first, to the expenses incurred in connection with the sale of the animal pursuant to clause 20(1)(b) of the Act; and
 - (b) second, to the expenses mentioned in section 19 of the Act related to the detention.
- (7) Subject to subsection (8), the animal protection agency may retain the balance of the sale proceeds remaining after the payment of the expenses mentioned in subsection (6).
- (8) If the sale proceeds exceed the expenses mentioned in subsection (6):
- (a) within 30 days after the date of the sale of the animal, the person formerly responsible for the animal may claim the balance from the animal protection agency; and
 - (b) on receipt of a claim pursuant to clause (a), the animal protection agency shall pay the balance to that person, on being satisfied that the person was the person responsible for the animal at the time the animal was taken into custody.
- (9) If an animal is sold pursuant to this section, the animal becomes the property of the person to whom it is sold.
- (10) A person responsible for an animal that is detained by an animal protection agency pursuant to the Act may, at any time before the animal is sold pursuant to the Act and these regulations, reclaim the animal by satisfying the animal protection agency that he or she has complied with any corrective action order and by:
- (a) paying to the animal protection agency the expenses incurred with respect to the animal; or
 - (b) entering into an agreement with the animal protection agency for the payment of the expenses incurred with respect to the animal.

Prescribed manner of destroying dogs

14 For the purposes of subsection 29(2) of the Act, a person who destroys a dog shall destroy the dog in a humane manner using a firearm of sufficient calibre to kill the dog quickly and painlessly.

PART 5

Repeal and Coming into Force

RRS c A-21.1 Reg 1 repealed

15 *The Animal Protection Regulations, 2000* are repealed.

Coming into force

16(1) Subject to subsection (2), these regulations come into force on the day on which section 1 of *The Animal Protection Act, 2018* comes into force.

(2) If section 1 of *The Animal Protection Act, 2018* comes into force before the day on which these regulations are filed with the Registrar of Regulations, these regulations come into force on the day on which they are filed with the Registrar of Regulations.

3(1) For the purposes of section 6 of the Act, “**new capital expenditures**” means expenditures made by an applicant with respect to the arm’s length acquisition of any real property and depreciable property that is to be used in Saskatchewan primarily for eligible value-added agriculture activity, and includes:

(a) subject to clause (k), the land on which the eligible value-added activity takes place;

(b) the capitalized costs of qualified professional services associated with the new capital expenditures; and

(c) the capitalized costs of installation of the depreciable property or of a capital lease;

but does not include expenditures with respect to the following:

(d) automobiles and automotive equipment, including powered industrial lift trucks;

- (e) office equipment;
 - (f) furnishings;
 - (g) portable tools, machinery and equipment;
 - (h) power operated movable equipment for excavating, moving, placing or compacting earth, rock, concrete or asphalt;
 - (i) intellectual property;
 - (j) non-capital lease costs;
 - (k) in the case of the acquisition of land mentioned in clause (a), any excess land, as determined by a qualified person, that the applicant may be able to re-sell, offer for lease or develop for a purpose unrelated to the existing facility or new facility that is the subject of the application.
- (2) In determining the amount of an applicant's capital expenditures for the purposes of subsection 6(4) of the Act, the minister shall use the lesser of the applicant's actual costs and the fair market value of the property acquired or services rendered.
- (3) For the purpose of subsection (2), the applicant must provide evidence satisfactory to the minister with respect to its actual costs.
- (4) For the purposes of this section, "**fair market value**" means the fair market value as determined by the minister based on the report of a qualified person or another person who is satisfactory to the minister.

Review of application

4(1) For the purposes of clause 6(1)(a) of the Act, in the case where a new facility is constructed or an existing facility is expanded solely for the purpose of carrying on all or any of the following activities with respect to a raw or primary agricultural product or any agricultural by-product or waste, that activity is not an eligible value-added agriculture activity:

- (a) cleaning;
- (b) bagging;
- (c) handling;
- (d) storage.

(2) For the purposes of clause 6(1)(b) of the Act, the applicant must satisfy the minister that it has made at least \$10,000,000 in new capital expenditures.

Interest rate re recovery of overpayment or tax credit to which eligible applicant not entitled

5(1) For the purposes of clause 20(1)(c) of the Act, the rate of interest per annum with respect to the recovery of an SVAI tax credit claimed by an eligible applicant to which that eligible applicant was not entitled is the rate equal to the sum of:

- (a) the prime lending rate of the bank holding the general revenue fund as determined and adjusted in accordance with this section; and
- (b) 3%.

(2) The interest rate set out in this section is to be determined on June 15 and December 15 in each year and:

(a) the interest rate as determined on June 15 applies to interest on the amount of the tax credit mentioned in the certificate filed pursuant to clause 20(1)(c) of the Act accruing from July 1; and

(b) the interest rate as determined on December 15 applies to interest on the amount of the tax credit mentioned in the certificate filed pursuant to clause 20(1)(c) of the Act accruing from January 1 of the following year.

Service of notice or documents

6 In addition to the methods mentioned in subsection 23(1) of the Act, any notice, decision or other document required to be given or served may be served:

(a) by email to the last email address provided to the minister by the person to be served; or

(b) by any other manner of electronic submission that is satisfactory to the minister.

- (g) the east half and north-west quarter of Section 24;
- (h) Section 26;
- (i) the east half and north-west quarter of Section 29;
- (j) the south-east quarter of Section 32;
- (k) the north-east quarter of Section 34;
- (l) Section 36”;

(s) by repealing item 1398 and substituting the following:

“1398 All those lands in Township 51, in Range 23, west of the Third Meridian, described as follows:

- (a) those portions of the south-east and north-west quarters of Section 1 not covered by the waters of the North Saskatchewan River;
- (b) those portions of the east half and the north-west quarter of Section 11 not covered by the waters of the North Saskatchewan River;
- (c) the south-east quarter of Section 12;
- (d) Section 29”;

(t) by repealing item 1402 and substituting the following:

“1402 All those lands in Township 55, in Range 23, west of the Third Meridian, described as follows:

- (a) the north-east quarter of Section 2;
- (b) the east half of Section 11”;

(u) by repealing item 1455 and substituting the following:

“1455 All those lands in Township 6, in Range 25, west of the Third Meridian, described as follows:

- (a) the south-east quarter of Section 2;
- (b) the north half of Section 10;
- (c) the east half and north-west quarter of Section 11;
- (d) the south half and north-east quarter of Section 12;

SASKATCHEWAN REGULATIONS 65/2018*The Oil and Gas Conservation Act*

Sections 16, 18, 18.2, 19 and 20.98

Order in Council 476/2018, dated September 14, 2018

(Filed September 14, 2018)

Title

1 These regulations may be cited as *The Oil and Gas Conservation (Miscellaneous) Amendment Regulations, 2018*.

RRS c O-2 Reg 6 amended

2 *The Oil and Gas Conservation Regulations, 2012* are amended in the manner set forth in these regulations.

Section 2 amended**3 Subsection 2(1) is amended:**

(a) in clause (a) by striking out “56(4)” and substituting “56(6)”;

(b) by adding the following clause after clause (b):

“(b.1) ‘**allowable rate of production**’ means, in the case of a completion, the amount of oil or gas a well is authorized to produce subject to any applicable penalty factors”;

(c) by adding the following clause after clause (f):

“(f.01) ‘**boss wellbore**’ means the first wellbore drilled in a well”;

(d) by adding the following clause after clause (f.1):

“(f.2) ‘**completion**’ means a set of one or more wellbore contact intervals that function in unison to produce or inject fluids or to monitor reservoir performance”;

(e) by repealing clause (g) and substituting the following:

“(g) ‘**condensate**’ means a liquid hydrocarbon product with a density equal to or less than 780 kilograms per cubic metre that:

(i) existed in the reservoir in a gaseous phase at original conditions; and

(ii) is recovered from a gas stream when pressure and temperature are reduced to not lower than those at atmospheric conditions”;

(f) in subclause (j)(ii) by striking out “zone” and substituting “pool”;

(g) by adding the following clause after clause (o):

“(o.1) ‘**fresh water**’ means water that has a total dissolved solid concentration of less than 4 000 milligrams per litre”;

(h) by repealing clause (p);

(i) in subclause (s)(ii) by striking out “zone” and substituting “pool”;

(j) in subclause (u)(i):

(i) in paragraph (A) by striking out “zone” wherever it appears and in each case substituting “pool”; and

(ii) in paragraph (B) by striking out “zone” wherever it appears and in each case substituting “pool”;

(k) by repealing clause (y);

(l) in clause (z) by adding “condensate or” after “producing”;

(m) by repealing clause (aa) and substituting the following:

“(aa) ‘operator’ means:

(i) a person who, as owner, licensee, lessee, sublessee or assignee, has the right to carry on drilling, construction, operation, decommissioning or abandonment of a well or facility and the reclamation of the well or facility site;

(ii) in the case of a pipeline, operator as defined in *The Pipeline Regulations, 2000*;

(iii) a contractor who on behalf of the person mentioned in subclause (i) or (ii) engages in any of the activities described in that subclause; or

(iv) the person designated by the minister as the operator of the well or facility”;

(n) by repealing clause (ee) and substituting the following:

“(ee) ‘productive horizontal section’ means the section of a horizontal well from the intermediate casing point or equivalent to the bottom hole of the wellbore”;

(o) by repealing clause (jj) and substituting the following:

“(jj) ‘reclamation’ means the process of:

(i) decontaminating, excavating, removing, sequestering, encapsulating, immobilizing, attenuating, degrading, processing or treating the contaminants in the soil or water in a manner so that, in the opinion of the minister, the contaminants no longer pose a threat or risk to human health, public safety, property or the environment; and

(ii) re-contouring, landscaping, replacing or replenishing the topsoil and re-vegetating the surface of the soil so that it is compatible with its surroundings”;

(p) by repealing clause (kk) and substituting the following:

“(kk) ‘segregate’ means to confine each fluid in a well to the proper flow channel of that fluid so that the fluid is separated from all fluids in any other flow channel”;

(q) in clause (nn) by striking out “, structure test hole, oil shale core hole” wherever it appears;

(r) by adding the following clauses after clause (nn):

“(nn.1) ‘**spacing area E**’ means the area established by minister’s order dated May 17, 2017 pursuant to section 17 of the Act;

“(nn.2) ‘**stratigraphic unit**’ means any approved interval definable with respect to a geological formation or unit”;

(s) by repealing clause (oo);

(t) by repealing clause (rr) and substituting the following:

“(rr) ‘**unique well identifier**’ or ‘**UWI**’ means the identifier assigned by the minister to a wellbore and applied to a completion to provide a unique alphanumeric identity that includes the bottom hole land description for the wellbore”;

(u) in clause (ss) by striking out “56(4)” and substituting “56(6)”;

(v) in the portion of clause (xx) after subclause (iii) by striking out “, structure test holes or oil shale core holes”;

(w) by adding the following clause after clause (xx):

“(xx.1) ‘**wellbore**’ means a path drilled from the location where the drill bit is planned to or does penetrate the earth to a terminating point”; **and**

(x) by repealing clause (zz).

New section 3.1

4 The following section is added after section 3:

“Directives

3.1 Every operator shall comply with the directives adopted by order of the minister pursuant to section 17 of the Act”.

Section 5 amended

5(1) Subsection 5(2) is amended by striking out “prescribed” and substituting “specified”.

(2) Subsection 5(3) is amended by striking out “name, licence number and unique well identifier of the well” and substituting “licence number and unique well identifier of the boss wellbore”.

(3) Subsection 5(4) is amended by adding “in an approved form and manner and within 14 days after the minister requests the additional information or any longer period that may be specified by the minister” after “these regulations”.

Section 11 repealed

6 Section 11 is repealed.

New section 12**7 Section 12 is repealed and the following substituted:****“Eligibility requirements to hold or be issued a licence**

12(1) No person is eligible to hold or be issued a licence for a well or facility unless:

- (a) that person:
 - (i) in the case of a facility, is a working interest participant; or
 - (ii) in the case of a well:
 - (A) is a working interest participant; and
 - (B) has the right to produce the oil or gas from the well or has the right to drill or operate the well; and
- (b) if that person is carrying on a business, that person’s business is registered to lawfully carry on business in Saskatchewan.

(2) Unless otherwise approved by the minister, no licence shall be issued to, or transferred to or from, a person if:

- (a) that person:
 - (i) is a first-time applicant and has not paid the required fee pursuant to section 16;
 - (ii) has not paid the required annual orphan fund levy pursuant to section 119; or
 - (iii) owes any money to the Crown in right of Saskatchewan; or
- (b) that person’s business is not registered to lawfully carry on business in Saskatchewan.

(3) The minister may suspend or cancel a licence pursuant to section 12 of the Act if the licensee does not meet the eligibility requirements specified in this section”.

Section 13 repealed**8 Section 13 is repealed.****Section 14 amended****9 Subsection 14(1) is repealed and the following substituted:**

“(1) An applicant shall set out in an application for a licence:

- (a) the stratigraphic unit to which the well will be drilled; and
- (b) the pool in which the well is expected to be completed”.

New section 21**10 Section 21 is repealed and the following substituted:****“Licence to re-enter a well**

21 A person shall submit a new application for a licence to the minister if the person intends:

- (a) to commence operations for:
 - (i) re-entering and re-drilling an abandoned well; or
 - (ii) re-drilling a vertical well to bottom in a deeper stratigraphic unit; or

(b) to re-enter the well to create a well with a trajectory different than that of the previously licensed well”.

Section 22 amended

11 Clause 22(1)(d) is repealed and the following substituted:

“(d) undertaking remedial operations for the purposes of eliminating a vent flow, gas migration or leaking open-hole abandonment;

“(e) undertaking remedial operations for the purpose of repairing the casing or cement in a well”.

Section 25 amended

12(1) Subsection 25(1) is amended in the portion preceding clause (a) by striking out “, structure test hole or oil shale core hole”.

(2) Subsection 25(2) is repealed and the following substituted:

“(2) Unless otherwise approved by the minister on an application pursuant to section 6, no person shall drill a well for which the surface centre of the well is located within 125 metres of:

- (a) a water body;
- (b) an occupied dwelling;
- (c) a public facility; or
- (d) an urban centre”.

(3) Subsection 25(3) is amended by striking out “, structure test hole or oil shale core hole”.

Section 27 amended

13 Clause 27(2)(b) is amended:

(a) in the portion preceding subclause (i) by striking out “zones” and substituting “stratigraphic units”; and

(b) by repealing subclause (ii) and substituting the following:

“(ii) a temperature log or cement bond log must be run in order to evaluate the cement bond to the casing and to the formation”.

Section 28 amended

14 Subsection 28(1) is repealed and the following substituted:

“(1) Subject to subsection (2), no operator shall depart from or vary a program of drilling operations, if the departure or variation is inconsistent with the disclosure responses made at the time of licensing, unless the minister, on application pursuant to section 6, approves the departure or variation”.

New section 29

15 Section 29 is repealed and the following substituted:

“Multi-zone wells

29(1) An application for approval to complete a well as a multi-zone well must be submitted to the minister in an approved form and manner.

(2) No licensee of a multi-zone well shall modify, or cause or permit to be modified, the subsurface installation or producing interval of the well or conduct remedial work on the well unless the licensee, on application pursuant to section 6, first obtains approval from the minister”.

Section 30 amended

16 Section 30 is amended by striking out “35” and substituting “34”.

Section 31 amended

17 Subsection 31(1) is amended in the portion preceding clause (a) by striking out “and in section 35”.

Section 33 amended

18(1) Subsection 33(1) is amended by striking out “a maximum allowable” and substituting “an allowable”.

(2) Subsection 33(2) is amended by striking out “a maximum allowable” and substituting “an allowable”.

(3) Subsection 33(3) is amended by striking out “a maximum allowable” and substituting “an allowable”.

New section 34

19 Section 34 is repealed and the following substituted:

“Application for off-target wells

34(1) A person shall apply to the minister pursuant to section 6 for an approval for:

- (a) a well to be drilled at a location other than the target area mentioned in section 33; or
- (b) the well mentioned in clause (a) to be completed and produced.

(2) The minister may require public notice to be given for any application made pursuant to subsection (1)”.

Sections 35 to 37 repealed

20 Sections 35 to 37 are repealed.

New section 38

21 Section 38 is repealed and the following substituted:

“Set-back distances

38(1) Subject to subsection (2), unless otherwise ordered by the minister pursuant to section 17 or 17.1 of the Act:

- (a) the productive section of a horizontal well drilled within spacing area E must be set back:
 - (i) a minimum of 100 metres from a diversely owned lease boundary; and
 - (ii) 100 metres from a productive vertical well or from the productive horizontal section of another horizontal well; or
- (b) in the case of a horizontal well not included in spacing area E:
 - (i) the entire productive horizontal section of a horizontal well must be set back a minimum of 100 metres from a diversely owned lease boundary; and
 - (ii) the productive horizontal section of a horizontal well must be set back a minimum of 150 metres from a productive vertical well or from the productive horizontal section of another horizontal well.

(2) If a horizontal well contravenes the set-back distances mentioned in subsection (1) without the approval of the minister, the well must not be completed or placed on production”.

Section 39 repealed

22 Section 39 is repealed.

Section 40 amended

23(1) Subsection 40(3) is repealed.

(2) Subsection 40(4) is repealed.

Section 41 amended

24 Subsection 41(2) is amended by striking out “or structure test hole”.

Sections 42 and 43 repealed

25 Sections 42 and 43 are repealed.

Section 44 amended

26(1) Subsection 44(1) is amended by striking out “, structure test hole or oil shale core hole”.

(2) Subsection 44(2) is amended by striking out “, structure test hole or oil shale core hole”.

(3) Subsection 44(3) is amended:

(a) in the portion preceding clause (a) by striking out “, structure test hole or oil shale core hole”;

(b) in clause (a) by striking out “, structure test hole or oil shale core hole”; and

(c) in clause (b) by striking out “, structure test hole or oil shale core hole”.

(4) Subsection 44(4) is amended by striking out “, structure test hole or oil shale core hole”.

(5) Subsection 44(5) is repealed and the following substituted:

“(5) Before any work to abandon a well is commenced, the licensee shall apply for approval pursuant to section 6, to abandon the well”.

(6) Subsection 44(7) is repealed.

Section 45 amended

27 Clause 45(2)(a) is amended by striking out “zone” wherever it appears and in each case substituting “stratigraphic unit”.

Section 48 repealed

28 Section 48 is repealed.

New section 50

29 Section 50 is repealed and the following substituted:

“Gas or product conservation

50(1) The minister may require the operator of an oil well from which gas is produced, or of another well producing or capable of producing gas, to:

(a) restrict or discontinue the production of gas from the well; or

(b) collect and either:

(i) utilize the gas produced; or

(ii) sell the gas produced.

(2) The minister may require an operator mentioned in subsection (1) to conduct a test of the content of any gas produced and if, in the opinion of the minister, a product is present in an economic quantity that justifies extraction, the minister may require the separation, conservation and utilization of the product”.

Section 52 amended

30 Section 52 is amended by striking out “zone” wherever it appears and in each case substituting “pool”.

Section 53 amended

31(1) Subsection 53(1) is repealed.

(2) Subsection 53(2) is repealed.

(3) Subsection 53(4) is repealed and the following substituted:

“(4) Notwithstanding any approval granted pursuant to subsection (3), no operator shall allow oil-and-gas wastes or non-oil-and-gas substances to constitute a hazard to public health or safety or to contaminate fresh water or arable land”.

(4) Subsection 53(6) is repealed.

(5) Subsection 53(7) is repealed and the follow substituted:

“(7) In addition to the requirement to test and inspect in subsection (5), the minister may at any time require an operator to:

- (a) conduct additional tests or inspections; and
- (b) submit the results of the additional tests and inspections within the time and in the manner specified by the minister”.

(6) Subsection 53(8) is repealed.

New section 54

32 Section 54 is repealed and the following substituted:

“Enhanced recovery projects

54(1) An operator who wishes to conduct any project for the enhanced recovery of oil or gas through the use of re-pressuring, pressure maintenance or other stimulation techniques including the introduction of oil, gas or other substances or energy, shall provide the minister with:

- (a) a plan in an approved form and manner for the enhanced recovery project; and
 - (b) any other information that the minister may require.
- (2) On receipt of a plan pursuant to subsection (1), the minister may:
- (a) if the minister is satisfied that the plan complies with the Act and these regulations, approve the plan, subject to any terms and conditions that the minister considers appropriate; or
 - (b) refuse to approve the plan.
- (3) If the minister approves a plan for the enhanced recovery of oil or gas pursuant to subsection (2), the operator shall notify the minister of:
- (a) the commencement date of operations, within 14 days after the commencement; and
 - (b) the discontinuance of the operations and of the reasons for the discontinuance, within 14 days after the discontinuance”.

New section 56**33 Section 56 is repealed and the following substituted:****“Decommissioning and reclamation of well and facility sites**

56(1) On completion of abandonment of a well, the licensee or the operator shall:

- (a) conduct an environmental site assessment in a manner specified by the minister;
- (b) decommission the well site to standards specified by the minister;
- (c) reclaim the well site to standards specified by the minister;
- (d) reclaim any area that is beyond the boundaries of the well site and that, in the opinion of the minister, has been damaged, contaminated or otherwise adversely affected by the operations of the well; and
- (e) conduct a detailed site assessment in the manner specified by the minister.

(2) On decommissioning of a facility, the licensee or the operator shall:

- (a) conduct an environmental site assessment in a manner specified by the minister;
- (b) decommission the facility site to standards specified by the minister;
- (c) reclaim the facility site to standards specified by the minister;
- (d) reclaim any area that is beyond the boundaries of the facility site and that, in the opinion of the minister, has been damaged, contaminated or otherwise adversely affected by the operations of the facility; and
- (e) conduct a detailed site assessment in the manner specified by the minister.

(3) If a site has been prepared, disturbed, constructed or contaminated and no well or facility has been drilled or constructed on the site, the minister may require the licensee or operator to:

- (a) conduct an environmental site assessment in a manner specified by the minister;
- (b) decommission the site to standards specified by the minister;
- (c) reclaim the site to standards specified by the minister;
- (d) reclaim any area that is beyond the boundaries of the site and that, in the opinion of the minister, has been damaged or contaminated; and
- (e) conduct a detailed site assessment in the manner specified by the minister.

(4) On abandonment of a well or decommissioning a facility, the licensee shall abandon any associated flowlines.

(5) Within 6 months after the completion of the activities mentioned in subsection (1), (2) or (3) as the case may be, the licensee or the operator shall submit to the minister:

- (a) an application for acknowledgement of reclamation; and
- (b) any other information required by the minister.

(6) The minister shall issue an acknowledgement of reclamation if the minister is satisfied that the licensee or operator has complied with subsections (1) to (5).

(7) The issuance of an acknowledgement of reclamation does not relieve a licensee, operator or working interest participant of his or her past, present or future environmental liability associated with the well or facility site that is the subject of the acknowledgement of reclamation.

(8) The minister may:

(a) impose any conditions or terms in an acknowledgement of reclamation that the minister considers appropriate; or

(b) cancel an acknowledgement of reclamation if the minister considers it appropriate to do so.

(9) Notwithstanding subsections (1), (2) and (3), a licensee or operator may apply to the minister pursuant to section 6 for approval of any variation of the requirements of subsections (1), (2) and (3)".

Section 62 amended

34 Subsection 62(5) is repealed.

New section 75

35 Section 75 is repealed and the following substituted:

"When minister may make orders pursuant to section 17.01 of the Act

75 For the purposes of section 17.01 of the Act, the minister may make an order pursuant to that section if, in the opinion of the minister, it is necessary to do so for the purpose of preventing a well, facility or flowline from contaminating an oil-bearing, gas-bearing, oil-and-gas bearing, fresh water or other mineral-bearing formation".

Section 78 repealed

36 Section 78 is repealed.

Section 79 amended

37(1) Subsection 79(4) is repealed and the following substituted:

"(4) The minister may require an operator to conduct a test to verify the stabilized flow capability of a gas well after the first year of production using an approved method".

(2) Subsection 79(7) is repealed.

Sections 80 to 84 repealed

38 Sections 80 to 84 are repealed.

Sections 86 and 87 repealed

39 Sections 86 and 87 are repealed.

Section 88 repealed

40 Section 88 is repealed.

Section 89 amended

41(1) Subsection 89(1) is amended by striking out "to the laboratory mentioned in subsection 88(2) within 30 days after the finished drilling date of the well" and substituting "within the time and in the manner specified by the minister".

- (2) **Subsection 89(2) is repealed.**
- (3) **Subsection 89(3) is repealed.**
- (4) **Subsection 89(8) is amended by striking out “it to the minister by the most expeditious method” and substituting “the core and test results within the time and in the manner specified by the minister”.**
- (5) **Subsection 89(9) is repealed.**
- (6) **Subsection 89(10) is repealed.**

New section 90

42 Section 90 is repealed and the following substituted:

“Log surveys for well

- 90(1)** The operator shall run logs in the manner specified by the minister.
- (2) In selecting the log to be taken as required pursuant to this section, the operator shall consider the general condition of the well and the fluid in the bore hole and select the log that gives the optimum information under existing conditions.
- (3) Unless otherwise directed by the minister, the operator shall submit any logs to the minister within the time and in the manner specified by the minister”.

Section 91 amended

43 Section 91 is amended:

- (a) **in clause (a) by striking out “standards and procedures established by the minister” and substituting “approved standards and procedures”; and**
- (b) **by repealing clause (b) and substituting the following:**
 - “(b) the operator shall submit the results of the survey within the time and in the manner specified by minister”.

Section 92 amended

- 44(1) Subsection 92(1) is amended by striking out “Subject to subsection (2), the” and substituting “The”.**
- (2) **Subsection 92(2) is repealed.**
- (3) **Subsection 92(6) is repealed.**

New section 93

45 Section 93 is repealed and the following substituted:

“Requirement to perform production test

- 93** The minister may require the operator of a well:
 - (a) to conduct a production test that may be witnessed by the minister; and
 - (b) to submit the results of the production test within the time and in the manner specified by the minister”.

New section 93.1

46 The following section is added after section 93:

“Oil, gas and water analyses

93.1(1) The minister may require an operator to take and analyse a sample of oil, gas, water, products or other substances from a well within the time and in the manner specified by the minister.

(2) The operator shall submit to the minister the results of each analysis of a sample of oil, gas, water, products or other substances recovered that:

- (a) the operator causes to be made on the operator’s own initiative; or
- (b) is required to be made pursuant to subsection (1).”

Heading, Part XIV, amended

47 The heading to Part XIV is amended by striking out “Notifications, Records and Reporting” and substituting “Records and Reporting”.

Division 1 of Part XIV repealed

- (i) the legally married spouse of a person; or
- (ii) a person who is cohabiting and has cohabited with another person in a spousal relationship continuously for a period of not less than 2 years.

(2) The minister may establish a draw for the purpose of allocating a recreational lease with respect to a lot.

(3) The draw may be conducted:

- (a) by computer or other electronic means; or
- (b) by any other means the minister considers appropriate given the number of applications that are received.

(4) If the minister establishes a draw:

- (a) applications for a recreational lease with respect to the lot must be made in accordance with this section; and
- (b) the issuance of the recreational lease is to be done in accordance with this section and section 43.03.

(5) The draw must be held in accordance with the terms and conditions set out in this section.

(6) A person seeking a recreational lease with respect to the lot may apply for that recreational lease by:

- (a) applying to the minister in the form and manner approved by the minister;
- (b) providing an undertaking satisfactory to the minister to:
 - (i) pay the lease allocation fee and the annual lease rental fee and service fee for the first year of the lease with respect to the lot; and
 - (ii) comply with the terms and conditions of the draw; and

- (c) providing the minister with any other information or material that the minister may reasonably require.
- (7) The application must be received by the minister not later than the time set out in the application.
- (8) Only 1 person per family may apply for a recreational lease with respect to the lot.
- (9) A person submitting an application must attest to the authenticity of the information contained on the application.
- (10) The minister shall cause the draw to be held as soon as is practicable after the closing date for applications.

“Issuance of lease

43.03(1) If a public bid process is used to determine the lease valuation, after the expiration of the bidding period, the minister shall issue a lease to the person who:

- (a) subject to subsection 42.2(4), submits the highest bid in accordance with section 42.2 and who satisfies the minister that the person has complied with the terms and conditions of the bid;
 - (b) pays:
 - (i) the amount of the bid, including establishment costs, if any; and
 - (ii) all applicable taxes payable in relation to the bid, including establishment costs, and fees;
 - (c) executes the lease and provides an undertaking satisfactory to the minister to pay, when due, the annual lease rental fee and service fee as required by the lease; and
 - (d) meets all other requirements of the Act and these regulations.
- (2) Subject to subsection (3), if a method of determining the lease valuation other than a public bid process is used, the minister shall issue a lease to the person who:
- (a) pays:
 - (i) the lease allocation fee required by section 43.01; and
 - (ii) all applicable taxes payable in relation to the lease allocation and other fees;
 - (b) executes the lease and provides an undertaking satisfactory to the minister to pay, when due, the annual lease rental fee and service fee as required by the lease; and
 - (c) meets all other requirements of the Act and these regulations.
- (3) If a draw is held, following the draw the minister shall issue a lease to the person who:
- (a) is drawn in the draw and satisfies the minister that the person has complied with the terms and conditions of the draw;
 - (b) pays:
 - (i) the lease allocation fee required by section 43.01;

- (ii) the annual lease rental fee and service fee for the first year of the lease; and
- (iii) all applicable taxes payable in relation to the lease allocation and other fees;
- (c) executes the lease and provides an undertaking satisfactory to the minister to pay, when due, the annual lease rental fee and service fee as required by the lease; and
- (d) meets all other requirements of the Act and these regulations”.
