

In recognition of their service, Saskatchewan will provide free hunting and angling licences for Veterans of the Canadian Armed Forces.

Free licences for regular hunting and angling opportunities are offered subject to an initial (one-time) verification process to confirm eligibility. They do not apply to Big Game Draw licences or to outfitted licence opportunities. As part of this process, the ministry retains a copy of the documentation used to verify eligibility for the licence for the purposes of audit and enforcement.

1. Consent for retention of documentation

If you consent to the collection and retention of documents by the ministry, please read and sign below:

I, _____ hereby acknowledge and consent to the Ministry of Environment retaining a copy of all documentation used to verify my status as a Veteran of the Canadian Armed Forces for the purpose of audit and enforcement.
