Collective Bargaining  
Agreement

---

between

**The Government of  
Saskatchewan**

and

**Saskatchewan  
Government and  
General Employees'  
Union**

October 1, 2016 to  
September 30, 2022

”Whereas it is the desire of both parties to this agreement to maintain the existing harmonious relationship between the Government and the members of the Association, to promote cooperation and understanding between the Government and the employees, to recognize the mutual value of joint discussions and negotiation in all matters pertaining to working conditions, hours of work and scales of wages, to encourage economy of operation and elimination of waste, and to promote the morale, wellbeing and security of those employees included in the bargaining unit represented by the Association.”

## Reaffirmation

This preamble appeared in the first collective agreement entered into between the Government of Saskatchewan and the Saskatchewan Government Employees Association in 1945; it has appeared virtually unchanged in each collective agreement achieved by the parties over the last 74 years. It is fitting that as we enter the 75<sup>th</sup> anniversary year of the historic agreement, one that provided collective bargaining rights to Canadian public servants for the first time, that we reaffirm our commitment to those same values.

In reaffirming these values, the union and management jointly agree that the following common goals will guide their actions:

- \* Quality service to the public: efficient, effective, client driven and jointly developed.
- \* A constructive new relationship between employees, union, and management, with the following characteristics:
  - open and participatory,
  - timely sharing of information,
  - consistent human resource policies and their consistent application,
  - delegating responsibility to employees,
  - operating successful Union Management Committees,
  - higher trust and mutual respect, and
  - a more cooperative and less adversarial relationship.
- \* An improved public image of the public service.
- \* Recognition and respect for the respective roles of the parties.
- \* A safe and healthy workplace.

*It is agreed that Government employees will play a central role in achieving these goals.*

Working cooperatively to overcome problems is a fundamental value of this province. The Government of Saskatchewan and General Employees Union reaffirm their commitment to this value.

Premier of Saskatchewan

President, SGEU

Date: January 8, 2020

ARTICLES OF AN AGREEMENT made in duplicate this 8th day of January, 2020.

BETWEEN

HER MAJESTY IN THE RIGHT OF THE PROVINCE OF SASKATCHEWAN, hereinafter referred to as "The Government"

OF THE FIRST PART

AND

THE SASKATCHEWAN GOVERNMENT AND GENERAL EMPLOYEES' UNION, sole bargaining agent and representative of the employees on the staffs for all ministries, boards and commissions of the Government, as of the date of, and designated by Order of the Labour Relations Board, No. 119-05, hereinafter referred to as "The Union"

OF THE SECOND PART

WHEREAS it is the desire of both parties to this agreement to maintain the existing harmonious relationship between the Government and members of the Union, to promote cooperation and understanding between the Government and the employees, to recognize the mutual value of joint discussions and negotiations in all matters pertaining to the working conditions, hours of work and scale of wages, to encourage economy and elimination of waste, and to promote the morale, well-being and security of those employees included in the bargaining unit represented by the Union;

NOW THEREFORE THIS AGREEMENT WITNESSETH that for and in consideration of the premises and covenants, conditions, stipulations and provisos herein contained, the parties hereto agree as follows:

**"EQUITY"**

***Sometimes equality means treating people the same, despite their differences and sometimes it means treating them as equals by accommodating their differences.***

- A) Leave for Pressing Necessity is drawn from an employee's sick leave balance and may be used for emergent and compassionate leave situations in accordance with the Collective Agreement and Employer's policy on Pressing Necessity.
- B) Personal/Family Leave is also drawn from an employee's sick leave balance and is to be used for carrying out a personal or a family responsibility within the context of today's societal demands and pressures. These responsibilities include matters where the employee has an obligation or duty and where he may be held accountable or answerable in some manner if the obligation is not met. This leave does not apply to purely discretionary personal or family matters. The individual employee's judgment should be tempered with good faith reasoning and an understanding that if abused the ability to take time off with pay for important personal or family responsibilities may be denied.
- C) The usage of these paid leaves is restricted to a portion of the employee's accumulated sick leave balance due to Federal Government Employment Insurance Regulations. By complying with these regulations we significantly reduce the cost of Group Life Insurance Premiums to individual employees.
- D) In order to meet the Employer's need of running an effective, efficient work environment there needs to be a balance between personal/family responsibilities and service delivery to the public. Employees should provide reasonable notice when they intend to utilize personal/family leave in order to minimize the negative effect on service delivery.
- E) Pressing Necessity and Personal/Family Leave shall be administered as follows:

been accumulated (and subject to using a maximum of five (5) days per fiscal year for personal/family responsibilities);

3. an employee with less than seventy-five (75) sick leave credits who requires leave with pay in excess of permitted limits, may be granted an advance to a maximum of three (3) sick leave credits (subject to using a maximum of five (5) days per fiscal year for personal/family responsibilities). This advance shall be charged against the employee's sick leave credits in the following year;
4. unless there are unusual circumstances, leave for personal/family responsibilities should be utilized one day at a time;
5. leave with pay for pressing necessity or personal/family responsibilities shall be granted in response to verbal requests provided that a written request shall be submitted after the leave has been granted;
6. requests will be granted by the immediate supervisor to an extent considered to be fair and reasonable and in accordance with the Employer's policies and preamble above;
7. the Employer reserves the right, in exceptional cases, to request evidence from the employee that the leave is for matters of pressing necessity or personal/family responsibilities. An explanation will be provided to the employee where an employee is refused leave under this article;
8. employees who are not eligible to access leave with pay for pressing necessity or personal/family responsibilities from sick leave credits, may use time-in-lieu, vacation leave, banked EDOs or other leave provisions;

## **LETTER OF UNDERSTANDING #143**

### **MODIFIED HOURS OF WORK**

#### **MINISTRY OF SOCIAL SERVICES**

In accordance with Article 43.4.4.1, it is agreed between the parties that the hours of work arrangement to be established at the local level for employees of Young Offender/Child Care facilities shall be implemented in accordance with the following provisions:

1. The employees shall work an averaging period based on the needs of the facility, the length of which will be established by local agreement. The hours to be worked in the averaging period will be calculated in accordance with Article 43.4.4.1(A) of the Collective Agreement. The calculation of hours to be worked shall be as follows:

The number of weeks in an averaging period times five (5) days minus the number of earned days off and designated holidays within the averaging period times eight (8) hours.

For each designated holiday worked the hours to be worked in the averaging period will be further reduced by the difference between the actual hours worked and 8.

Management shall schedule all hours required to be worked within an averaging period.

For the purpose of pay calculation, hours worked shall include approved annual vacation, sick leave and leaves of absence with pay.

2. The shift schedule shall be established in accordance with Article 43.4.4.1. Shift schedules will be posted one averaging period in advance of the commencement of the next averaging period. The schedule shall indicate regular work days, assigned training sessions, staff meetings, earned days off, days of rest, and designated holidays. Designated holidays shall be non-transferable. Daily on duty and off duty times for each shift will be designated on the schedule. When developing the shift schedule for local agreements the following guideline shall apply to establish the target working hours for the averaging period:

The number of weeks in the averaging period x five (5) days less the number of earned days off in the averaging period x eight (8) hours.

3. Assigned staff training hours normally scheduled in an averaging period may be carried over to the next averaging period provided it is identified on the schedule and used in the next averaging period. Reassignment of scheduled training shall be by mutual agreement.
4. Management shall do a reconciliation of the hours of work of an employee being move out of a shift arrangement during an averaging period. If an employee has an excess of hours, overtime shall be paid or placed in the time in lieu bank upon request by the employee. If such time off in lieu cannot be taken within three (3) months from date earned, the employee shall be paid out time in lieu at the employee's current rate unless agreement is reached stating otherwise. If the employee makes a permanent move from one shift schedule to another the hours of the new schedule shall be assumed. Employees shall not be penalized for loss of hours as a result of a shift schedule change.
5. Overtime will be handled in accordance with Appendix C of the Collective Bargaining Agreement.

- 1) Averaging Period Overtime

Overtime is paid for authorized hours worked in excess of the number of hours to be worked in the averaging period.

For the purpose of overtime calculation, the hours worked in the averaging period shall include hours worked, approved annual vacation, sick leave, and leaves of absence with pay.

- 2) Daily Overtime

Provided that payment shall not be made for overtime work under one-half hour, daily overtime shall be paid if the employee works beyond the normal daily shift time. The payment shall consist of one and one-half times the employee's hourly rate for the first four hours worked and double time for all hours worked above four on that day. When daily overtime is paid, these hours are not included in calculating averaging period overtime.

**LETTER OF UNDERSTANDING**  
**98-1**  
**OCCUPATIONAL HEALTH AND SAFETY COMMITTEES**

Preamble

The following language does not limit Employee and Employer entitlement to all rights and provisions **as stated in relevant provincial legislation during the term of this CBA** and the Saskatchewan Human Rights Code.

Joint Employer/Employee Committees

Ministry Wide Joint Labour - Management Councils

The parties will establish a Labour/Management Council at the ministry headquarters level at the request of the union at the ministerial level. The duties of the Council include:

- (a) oversee the effective operation of occupational health and safety committees and programs throughout the ministry;
- (b) study and make recommendations on occupational health and safety matters and their specific application to the ministry; and
- (c) deal with occupational health and safety matters that are referred from the workplace committees.

The ministry Council will meet at least once every four (4) months. The Council will be composed of a minimum of six (6) persons, at least half of which are elected or appointed by the union. Each Council will have employer and employee co-chairpersons.

The employer will regularly provide the ministry Council at each meeting with the most recent statistical information on all injuries and illnesses sustained by employees in the ministry as reported to the Workers' Compensation Board to enable the Council to pursue its joint responsibilities.

Workplace Joint Employer/Employee Committees

Joint Employer - Employee Occupational Health and Safety Committees shall be established to represent places of work as agreed between the parties. Each committee shall consist of not less than two (2) members and not more than twelve (12) members, unless specifically agreed by all members of the workplace O.H.&S. committee. At least one half (½) of the committee members shall be employees elected or appointed by the union members and each committee shall have employer and employee chairpersons, as appointed by their respective parties.

The Occupational Health and Safety Committees shall have a continuing concern with respect to the health and safety at the work place. The committees shall meet no less than quarterly. The committees shall receive, consider and recommend solutions respecting health and safety concerns at the work place. Committee members shall be given reasonable opportunity during regular hours to deal with such concerns. Minutes of committee meetings shall be posted in the work place and shall be made available concurrently to the employer, the union and the Occupational Health and Safety Division.

Occupational Health and Safety Committees shall exhaust their procedures before any matter is referred to the employer and the union for negotiation or before the matter is dealt with under the grievance procedure.

Wherever possible, committee meetings shall be scheduled during normal working hours. Employee members of the committee shall suffer no loss of pay or other benefits for attendance at committee meetings. An employee who attends committee meetings outside of scheduled hours of work shall be credited the time as if worked.

Joint Occupational Health and Safety Committees may recommend reasonably practicable training measures designed to prevent occurrences of occupational health and safety problems related to the work place.

#### Training for Joint Committee Members

Subject to reasonable notice being given, all committee members shall be entitled to up to five (5) days leave without pay, per year, for purposes of attending Occupational Health and Safety training courses, seminars or courses of instruction. However, where such training is provided by the Occupational Health and Safety Division, Ministry of Labour Relations and Workplace Safety, or jointly by the union and employer, employees exercising such leave shall suffer no loss of pay or benefits.

#### Health and Safety - A Shared Concern

As a matter of principle, both the union and employer recognize that occupational health and safety is a shared concern of the parties. Both parties will endeavor cooperatively to maintain a safe work environment and will make recommendations to prevent and/or correct situations which threaten health and safety at the work place.

**LETTER OF UNDERSTANDING**  
**98-2**  
**DISPUTE RESOLUTION OPTIONS**

The parties agree the best resolution of a dispute is one worked out between the parties without recourse to a third party.

The parties will approach each grievance or group of grievances from the point of view of:

1. Attempting to ascertain the facts and negotiate a resolution.
2. Failing resolution by negotiation, agreeing to a joint statement of facts.
3. Based on the joint statement of facts, determine the appropriate course of action to resolve the matter from **five** options.
  - i) Grievance Mediation
  - ii) Expedited Arbitration
  - iii) Case Management
  - iv) Full Panel Arbitration
  - v) **Single Panel Arbitrator**

The parties may agree to any other dispute resolution mechanism with a view to resolving the dispute.

**i. GRIEVANCE MEDIATION**

This provision can be adjusted by mutual agreement of the parties.

**Grievances Appropriate for Mediation**

- Grievance seeks individual settlement, ie. settlement applies to one (1) grievor and would not result in a similar claim by another employee. By mutual agreement between the parties, grievance mediation may be used for other kinds of grievances, eg. group grievances
- Grievance mediation is appropriate where there are a range of possible solutions to the concerns raised in the grievance.
- Grievance mediation is normally not appropriate for policy grievances, complex cases, or where other employees would have a similar claim resulting from the settlement.

**Role of the Mediator**

- The role of the mediator is to assist the parties to achieve a mutually acceptable resolution of the grievance.
- The mediator will be drawn by chance from a list agreed upon by the parties. Any mediator must have served as the chairperson of an arbitration board unless otherwise agreed by the parties.
- The parties will equally share the cost of fees and expenses of the Mediator.

## **Provision of Information Prior to the Mediation**

- The mediator will be provided with a copy of the grievance, a copy of grievance replies and a copy of the collective agreement five (5) days prior to the mediation.

## **Rules Applicable to Grievance Mediation**

- Rules of evidence do not apply and proceedings are informal; the grievor and management respondent participate in the process.
- Any document provided prior to, or during the mediation will be returned to the issuing party at the end of the mediation.
- Unless the parties agree otherwise, settlements reached at mediation will not be considered a precedent and will not be raised in support of any future case.
- Anything said, or done at any mediation cannot be used against a party in any subsequent arbitration.
- If no settlement is reached, the parties may proceed to arbitration.
- A mediator cannot serve as the arbitrator should the case be referred to arbitration and is not a compellable witness in that arbitration or any hearing on the matter by the Labour Relations Board.
- No transcript or record of the mediation is kept by the mediator other than that the mediation occurred, when, where, as well as the parties, the issue in dispute and whether settlement was achieved.
- If there is no settlement, the mediator will provide an advisory opinion as to the likely outcome, if the matter is advanced to arbitration given precedent and arbitral norms.
- The parties to the mediation will have the authority to conclude a settlement at the mediation.
- Attendees to the mediation include the grievor, the manager respondent, the local steward, the ministry labour relations advisor and the spokesperson for union and management. Additional persons may attend by mutual consent.
- Mediation will normally occur at the worksite or at the union or employer's premises. The parties will jointly share the costs of mediation.

## **Grievance Mediation Process**

- Brief introduction to the grievance mediation process, by the mediator (concept, process, ground rules, questions).
- Mediator presented with a joint statement of facts prepared in advance of the hearing by the parties.

- Description of Grievance:
  - Party submitting the grievance, normally the union, briefly outlines the circumstances resulting in the grievance. Relevant collective agreement provisions are cited, as well as its position on the matter.
  - The grievor is given the opportunity to make additional comment.
  - The respondent, normally a labour relations representative, provides additional details regarding the circumstances resulting in the grievance, relevant collective agreement provisions and its position on the matter.
  - The manager affected by the grievance is given the opportunity to make additional comment.
  - The mediator may ask additional questions of the parties to obtain clarification on any matter.
  
- Private Caucus:
  - The parties will be separated. Alternately meeting privately with the parties, the mediator seeks to identify underlying interests, concerns and differences and seeks possible resolutions of the grievance.
  - The mediator will not reveal any information or position given by the parties in confidence without permission; the mediator may advance any position as his/her private recommendation to either party.
  
- Reconvening the Parties:
  - Once agreement is reached via private discussions, or no agreement is possible, parties are reconvened by the mediator.
  - If agreement is reached, the terms of settlement are put in writing and signed by the parties.
  - If no agreement is possible, the mediator will orally set out respective positions, points of difference and provide an advisory opinion as to likely outcome if case referred to arbitration.
  
- Allowable Time Limit:
  - Normally three (3) hours; an extension of up to one (1) hour will be allowed by joint agreement of the parties.
  - The mediator may call a halt to mediation where it appears resolution is not likely.

## ii. EXPEDITED ARBITRATION

- By mutual agreement, the procedures may be used after Step 2 of the grievance procedure, or following unsuccessful mediation.

### Grievances Appropriate for Expedited Arbitration

- Unless otherwise agreed by the parties, only grievances that seek an individual settlement, ie. settlement applies only to the grievor, would not result in a similar claim by other employees, shall have no precedential value and shall not thereafter be referred to by the parties in respect of any other matter in any other setting.

- Concerned with grievances that involve the interpretation and application, or alleged violation, of the collective agreement, eg. grievances that are arbitral.
- Grievance arbitration is appropriate where there is a limited range of solutions, or single solution, to the concern raised in the grievance.

On agreement that a case be expeditiously arbitrated, the parties will draw the Arbitrator by chance from a list mutually agreed by the parties and he/she will act as a single Arbitrator on the matter. Any Arbitrator must have served as the chairperson of an arbitration board.

### **Expedited Arbitration Process**

- No legal counsel used by either party:

Union:	Staff Representative or Elected Officer
Employer:	Labour Relations Officer or Ministry Human Resource Service Team

  - General rules of evidence are not strictly applied, except rules of "onus";
  - Parties must discuss evidence prior to hearing, in order to expedite the hearing.
  - Once the Arbitrator has indicated the direction of the likely decision, parties may request an adjournment to attempt to work out the exact terms of the resolution (the decision).
  - Arbitrator may attempt to mediate, eg. propose a possible resolution, if the parties agree and if the case has not previously been through the mediation process.

- Arbitrator may issue a verbal decision immediately. Within three (3) working days a written decision shall be rendered, setting out the reasons which the Arbitrator deems necessary to convey a decision. Decision and reasons are limited to two pages. The decision of the single Arbitrator will be final and binding on the parties.
- The parties will equally share the cost of fees and expenses of the Arbitrator.
- The grievor and Manager/Supervisor who are party to the case shall be granted leave with pay to be present at arbitration.
- The grievance may be removed from the expedited process at any time, prior to the expedited hearing.

### **iii. CASE MANAGEMENT**

- The parties may agree to utilize case management after Step 2 of the grievance procedure.
- Processes
  - No legal counsel will be used by either party.

  - Presentation of Case Management Document.
  - General rules of evidence are not strictly applied, except rules of "onus".
  - Parties must discuss evidence prior to hearing, in order to expedite the hearing.
  - Arbitrator may propose a possible resolution to the parties prior to issuing an award.
  - The decision of the Arbitrator will be final and binding on the parties.
  - The parties will equally share the cost of fees and expenses of the Arbitrator.

- The grievance may be removed from Case Management Process at any time, prior to the hearing.

#### **iv. FULL PANEL ARBITRATION**

- Establishment of an Arbitration Board

## LETTER OF UNDERSTANDING

98-6

### TERMS OF REFERENCE FOR MODIFIED WORK PATTERN

1. When the work pattern is established pursuant to Article 9.3.5.2 (Modified Work Pattern-In Excess of 8 Hours/Day) of the Collective Agreement, the administration of some benefits has to be modified. The principle underlying the modification is that the benefits previously based on a "day" or "week" are converted to hours and produce the same level of benefits in terms of hours as they would have if the work week had not been modified. This results in no additional benefit costs to the employer and neither losses nor gains in benefits to the employee.
2. The following states how this principle is to be applied with the administration of a number of benefits but may not be exhaustive.
  - 2.1 Pay - Employees will continue to receive their normal bi-weekly salary as per Pay Schedule 1 on their normal pay dates set out in the Collective Agreement, subject to any adjustments required by the modified hours of work pattern.
  - 2.2 There is no change in the administration of Articles of the Collective Agreement dealing with probation, seniority, annual increments, severance pay and notice of termination, demotion or resignation.
  - 2.3 OVERTIME
    - 2.3.1 Daily Overtime - In accordance with Articles 11.1 (Hourly Rates), 11.2 (Overtime Must Be Authorized), 11.4.1 (On Regular Work Day) and 11.4.2 (On Assigned Day of Rest) of the Collective Agreement.
    - 2.3.2 All authorized hours worked in excess of the number of hours to be worked at straight time in the averaging period shall be paid at time and one-half. In calculating this averaging period overtime, daily overtime hours shall be deducted from total hours worked.
      - 2.3.2.1 An employee who commences employment in a modified work pattern arrangement on a day other than the first day of the averaging period shall have a work pattern established on the basis of his maximum number of straight time hours equaling 8 times the number of working days remaining in the averaging period less 8 times the number of designated holidays and earned days off occurring in the averaging period.
      - 2.3.2.2 An employee who terminates employment from a modified work pattern arrangement on a day other than the last day of the averaging period shall have the number of straight time hours which should have been worked reconciled on the basis of 8 times the number of working days which occurred in the averaging period less 8 times the number of designated holidays and earned days off in the averaging period prior to the date of termination.

- 2.4 Shift Differential - Per Article 15.12 (Shift Differential) of the Collective Agreement provided that shift differential will not be payable in a modified work pattern in a situation where it was not payable under the standard hours of work week.
- 2.5 HOLIDAYS
- 2.5.1 Designated Holidays
- 2.5.2. Note: In Article 9.3.5.2.A) 1 of the Collective Agreement, the number of hours to be worked straight time in the averaging period was reduced by eight (8) hours for each designated holiday falling in the averaging period.
- 2.5.3 Working on a designated holiday - payment for working on a designated holiday is provided for by 2.3.2 of this letter of understanding. The provision of Article 13.2.1 (Employee Required to Work on a Designated Holiday) of the collective agreement shall not apply. Article 13.2.2 (Overtime Work) of the Collective Agreement shall apply.
- 2.6 Vacation - For the administration of Article 16.1 (Service for Vacation) of the Collective Agreement the following shall apply:
- |             |   |              |
|-------------|---|--------------|
| 1 1/4 days  | = | 10 hours     |
| 15 days     | = | 120 hours    |
| 1 2/3 days  | = | 13 1/3 hours |
| 20 days     | = | 160 hours    |
| 2 1/12 days | = | 16 2/3 hours |
| 25 days     | = | 200 hours    |
| 2 1/2 days  | = | 20 hours     |
| 30 days     | = | 240 hours    |
- Vacation usage shall be charged on the basis of one hour for each hour scheduled to work under the modified work pattern.
- 2.7 Sick Leave and Pressing Necessity - Article 17.3 (Sick Leave Eligibility) of the Collective Agreement shall be administered on the following basis:
- (i) For purposes of crediting, earning and present accumulation of sick leave shall be converted to hours on the basis of one day equals eight (8) hours.
  - (ii) For purpose of using sick leave, charges shall be made on the basis of one hour for each hour of sick leave or pressing necessity on which the employee was scheduled to work.

**LETTER OF UNDERSTANDING**  
**#98-12**  
**MAINTENANCE OF THE CLASSIFICATION PLAN**

**SECTION A: MAINTENANCE OF THE CLASS PLAN**

Whereas the parties to this agreement are committed to the principle of equal pay for work of equal value job evaluation and recognize that systemic discrimination may occur in the process of evaluating jobs, the parties mutually commit to the following purposes, principles and values in relation to the maintenance of the joint equal pay for work of equal value job evaluation plan:

**A. Definitions**

Equal pay for work of equal value is deemed to be achieved when the employer adjusts its compensation practices so that all employees are assigned to a schedule of pay with the same maximum hourly rate of pay as other employees performing work of equal, or comparable value.

"Comparable value" means a range of points within a point rating job evaluation plan that is determined, through a joint union management process, to be worth the same maximum hourly rate of pay.

Comparable value is determined through the composite of factors in the plan which measure skill, effort, responsibility and working conditions. These factors are written such that their content does not incorporate gender, or other bias.

"Job Evaluation Plan", or classification plan for the purpose of this agreement shall mean the job evaluation plan for employees within the SGEU/PSGE Bargaining Unit.

"Commission" means the Public Service Commission.

"Employee" as defined in the collective agreement.

"Comparative descriptions" are practical examples of work which provide the standards for how the level definitions within each job evaluation factor are to be interpreted and applied.

**B. Purposes**

1. To provide equitable, service-wide classification treatment within the bargaining unit;
2. To evaluate jobs, not people, nor performance;
3. To ensure compliance with relevant government legislation and policy.

C. Principles and values

1. Equal pay for work of equal or comparable value:
  - Job evaluation factors established measure skill, effort, responsibility, and working conditions.
  - Factors are generic, capable of measuring all aspects of work, do not measure occupational-specific aspects of work, and are applied to all jobs in the bargaining unit.
  - Degree definitions in the factors measure significant differences in work.
  - Traditionally undervalued characteristics of work are made visible through the comparative descriptions.
  - Persons evaluating jobs be trained in bias awareness and proper application of the plan.
  - Persons evaluating jobs must not have a vested interest in the outcome.
  
2. Employment rights:
  - Employees have a right to know what their duties and responsibilities are and what the corresponding salary range is for that set of duties.
  - The employer has the right to assign duties and responsibilities to ensure the mandate of the organization is achieved.
  - In the event of changes in duties and responsibilities the employee has a right to know how their job is affected and permanent employees have a right to request a review of such changes.
  
3. The right to due process:
  - Job evaluation factors and comparative descriptions will be available on the Public Service Commission website.
  - Appeal mechanisms shall exist to examine, substantiate, authenticate and adjudicate decisions and shall function in a manner that maintains the integrity of the job evaluation plan.
  - Bias is addressed through consistent plan application, consultant and appeal panel education, removal of vested interest decision-making, maintaining up-to-date comparative descriptions and notes to raters and through disclosure of rationale.
  - Processes established in this regard work towards:
    - Clarity in job assignments.
    - Integrity in describing work.

D. No Discrimination

In the application of the classification plan, there is no discrimination in pay where a pay difference is the result of:

1. A temporary training, or development assignment which is equally available to male and female employees and leads to career advancement for those involved in the program, or assignment.

2. Any personnel practice where a job is downgraded and the incumbent retains a rate above maximum of the newly assigned range.
3. A skills shortage that is causing inflation in pay for an occupation because the employer is encountering difficulties in recruiting and/or retaining employees with the requisite skills.
4. Changes in job assignments.

E. Maintenance Committee

1. The parties will maintain a joint union-management class plan committee, members to serve a minimum of two (2) year terms; ½ of the committee shall be replaced every 2 years.
2. The composition of this committee shall be:
  - 50% women and 50% men; 50% union and 50% management, selected by their respective party.
  - A minimum of three (3) members of the PS/GE and three (3) members of management chosen by their respective parties, including one (1) representative from the **Total Rewards** Branch and one (1) staff representative of the SGEU.
3. This committee shall be co-chaired by a member of the SGEU and by the Public Service Commission Classification representative.
4. This committee shall operate by consensus; the committee shall meet a minimum of twice annually.
5. The members of this committee shall be trained in equal pay for work of equal value principles.
6. That the role and authority of this committee shall be:
  - a. To jointly approve job description forms.
  - b. To develop and maintain an educational program regarding the principles of the plan.
  - c. To maintain the Notes to Raters through addition, or deletion of content.
  - d. To require a sample of classification decisions for audit by the Commission. The committee shall determine what process is to be used for this audit. The result of the audit shall be reported to the Committee.
  - e. The Committee shall have the authority to establish and change the roles and authorities of the appeal panels from time to time, as required. Any such change shall be in accordance with the principles and values herein stated.
  - f. To determine the structure and function of the Joint Classification Appeal Panels and the training required for its members, conflict of interest guidelines and audit of Classification Joint Council decisions for consistency in plan application.

F. Authority to Classify

Prior to being authorized to independently classify jobs, persons performing job evaluation duties will complete a training program established by the Staffing and Classification Solutions Branch, Public Service Commission, and demonstrate practical competence in application of the plan.

Only persons approved by the Public Service Commission shall be authorized to sign off the classification level of any job within the plan. Such persons shall have the authority to ascertain the duties and responsibilities of any job within the bargaining unit and allocate it within the job evaluation plan.

G. Policies

Factors:

- The *Notes to Raters* are to be applied when evaluating jobs. Classification decisions established in violation of *Notes to Raters* are considered to be in error and shall be re-evaluated.
- Errors in application of factors are not precedent setting.

Comparative Descriptions:

Comparative descriptions may be deleted from the plan, added to the plan, or modified through joint agreement and through joint process at any time.

- The ratings of comparative descriptions cannot be changed or adjusted, except by the Joint Plan Maintenance Committee.
- Comparative descriptions are the only allowable position comparisons for appeal hearings.

**SECTION "B"**  
**CLASSIFICATION JOINT COUNCIL**  
**APPEAL HEARINGS**

The following outline of roles, policies and procedures is for the purpose of ensuring the integrity of the job evaluation plan, the integrity of the information presented and to ensure clarity in roles, authorities and responsibilities of persons attending appeal hearings.

**A. Right to Appeal**

Permanent employees may appeal the classification decision resulting from a request for a classification review to a Joint Union-Management Appeal Panel, called Classification Joint Council **in accordance with Article 5.5) of the PS/GE Bargaining Agreement.**

**B. Appealing a Decision**

1. An employee can initiate an appeal in accordance with Article 5.5 of the Collective Agreement and must provide written rationale within ninety (90) calendar days from the date the appellant receives the appeal acknowledgement. Written rationale, validated by management, must be submitted before an appeal is scheduled.
2. The consultant will determine if the appellant's rationale is sufficient justification for a higher rating. If it is not, the consultant will have sixty (60) calendar days from receipt of the appellant's rationale to respond and provide rationale in writing.
3. Following receipt of the consultant's written rationale, the appellant will have fifteen (15) calendar days to communicate, in writing, her decision to proceed to a formal appeal hearing or to withdraw some or all of the appealed factors. Should a decision not be received within that timeframe, the appeal shall be considered withdrawn.
4. If an employee decides to proceed to a formal appeal hearing, as above, the Appeals Coordinator shall schedule a formal appeal hearing and notify the appellant(s), the consultant and the Union, of the date, time and place of the sitting of the Classification Joint Council.
5. Only appealed factors are subject to review.
6. Notwithstanding the timelines, at any point in the appeal process, the consultant can change a rating decision if a change is warranted after new information comes to light.

**C. Purpose of the Appeal Hearing**

To examine, substantiate, authenticate and adjudicate evidence as to whether appealed factor ratings are appropriate, relative to the full intent of the factor degree definitions.

D. Composition of Classification Joint Council

1. For the purpose of review of classification in the SGEU Class Plan, Classification Joint Council shall consist of four (4) members, equally split between union and management.
2. A quorum shall consist of three (3) members, subject to the approval of the minority party (either the SGEU or PSC designate) and all occupations must be adjudicated by equal or better female representation.

E. Conflict of Interest by Classification Joint Council Members

1. Members of a Classification Joint Council must exempt themselves from a council, or committee prior to the hearing, where a conflict of interest may exist.
2. Conflict of interest shall be deemed to exist where the council or committee member could gain, or could be perceived to gain from a decision, or is in a representational conflict of interest.
3. Conflict of interest includes, but is not limited to, classification decisions on jobs:
  - In their work unit;
  - In their occupation, as defined by the Commission, if necessary;
  - Of employees within the same facility;
  - Encumbered by family members, or personal friends;
  - For which they have declared a bias for, or against; or
  - For which they are the elected, or acting steward, or the immediate supervisor.

F. Role and Authority of Classification Joint Council

1. To uphold the integrity of the job evaluation plan through the adjudication of disputes regarding the assignment of factor ratings to the job assignment. In this regard, management members of Classification Joint Council do not represent, nor advocate for management or the Public Service Commission and the union members do not represent, or advocate for the appellant.
2. To select a Chair prior to calling the appellants, consultant, witnesses and observers, into the hearing room.
3. To question evidence presented to determine if it meets the requirements in the Notes to Raters and the full intent of the degree definition within the factor.
4. Where necessary, to ensure that evidence presented is verified as legitimate duties and responsibilities of the job assignment. It is not the role of Classification Joint Council to adjudicate disputes of job content.

5. To examine evidence through comparison to CD ratings by ensuring the full CD content on the appealed factor is examined in relation to the appealed duties and responsibilities and the full intent of the factors.
6. Council shall consider only the duties and responsibilities of the position as of the effective date of the request and shall not take into consideration subsequent changes that have taken place.
7. A factor rating cannot be adjusted if the duties or responsibilities have been credited in another factor, as this would represent bias due to double crediting.
8. To recommend confirmation of the factor rating, or a higher or lower rating, based upon the authorized job description form and to document the rationale supporting that decision.

G. Role of the Chair of Classification Joint Council

1. To excuse any person whose behaviour is inappropriate.
2. To ensure that the question period does not become a discussion. This is to be question and response, both without interruption.
3. To ensure the hearing is run in an expeditious manner and move the hearing along in the event that information is repetitious, or not relevant to the factor under appeal. The Chair must focus the presentation on information relevant to the factor under appeal and may limit the length of question and answer period on the factor and request that Classification Joint Council take breaks after a certain length of time.
4. In the event that an appeal hearing is running longer than scheduled and the appellants for the next scheduled hearing are waiting, to stop the proceedings and indicate how long the wait might be.

H. Training

No person shall act as Classification Joint Council member without training, as deemed adequate by the Joint Class Plan Maintenance Committee.

I. Role of the Public Service Commission – Human Resources Consultant

1. In this process, the consultant has the authority to obtain information through questioning and written documentation and request substantiation of any statements.
2. At a formal appeal, the consultant is required to provide Classification Joint Council with written rationale as to the basis of the consultant's decision regarding the appealed factors. If additional evidence is provided at a hearing, the consultant is charged with the responsibility to ensure such material is valid and,

if necessary, substantiated and that it meets the requirements in the Notes to Rates and full intent of the factor degree.

J. Role of the Appellant

1. An appellant may appear alone, or with an advocate who can be another employee, or a designate of the union.
2. To provide written rationale as to why his/her job should be rated higher on a factor by presenting examples of job content that relate to the factor being appealed.
3. To have new information not provided in the job description signed and authorized as legitimate duties or authority levels by the manager, so authorized by the permanent head.
4. To bring sufficient copies of any written evidence to the hearing for Classification Joint Council and the consultant.
5. If there is a group appealing, the group will identify its spokesperson, or advocate to the Appeals Coordinator, prior to the hearing. In the event the group has appealed more than one factor, a different spokesperson for each factor will be allowed.

K. Witnesses

1. Appellants, the consultant, or Joint Council may call witnesses, including the appellant's supervisor, or manager.
2. The Appeals Coordinator is to be advised prior to the hearing of any witness(es) who will be attending by the individual who is calling the witness.
3. Witnesses may only answer questions for clarification of job content, or authority.
4. They are not to present a case, nor express their opinion of the rating. Responses are to be individual, without interruption and addressed to Classification Joint Council.
5. The questions must pertain to facts about which the witnesses have first-hand knowledge. If questions are asked which the witness(es) cannot answer from their own knowledge, they should decline to answer on that basis.

L. Observers

1. Observers are not appellants at the specific hearing.
2. Observers cannot participate in any way in any discussion.

M. Rules of Evidence

1. All written evidence must be made available (to all parties) at the hearing.

2. The basis for the evaluation of the position are the duties and responsibilities, as evidenced by:
  - The duties and responsibilities in the job description form, signed by the manager;
  - Examples of work in the job description form; and
  - New or additional information presented at a hearing in the form of job content or authority, or examples of work performed. The consultant and/or Classification Joint Council may request verification by requesting such evidence be signed and authorized as legitimate duties or authority levels by the permanent head, or designate.
  
3. In the event that new information presented at a hearing has not been confirmed by the manager, it may be considered in rendering the decision. However, no decision shall be released if confirmation is required until confirmation is received in writing by the consultant.
  
4. Words copied from a factor definition must be substantiated with examples and are not accepted outright. Similarly, if examples are copied from CDs where the job is very different, the out-of-scope manager may be requested to verify that such duties are, in fact, performed.
  
5. Where there is a contradiction between information in the job description and the ratings assigned due to the examples of the work performed provided by the appellant and their manager, Classification Joint Council shall base its decision on the examples. It is not the role of the appellants, nor the manager/supervisor to interpret the job evaluation plan. This is the role of Classification Joint Council.

## N. Procedures in the Appeal Hearing

1. Preliminary
  - There shall be no discussion by members of Classification Joint Council with either party prior to the appeal hearing.
  - The Chair shall call appellants, consultants, witnesses and observers, into the hearing room.
  - The Chair ensures that everyone is introduced, including observers and witnesses.
  - The Chair outlines the role, authority and procedures of the appeal hearing and the authority of the Classification Joint Council, and outlines that the basis of the evaluation shall be the statement of duties, examples of work and the authority level assigned to the job.
  
2. Appeal Presentation
  - The appellant and consultant shall appear at Council sittings concurrently.
  - An appellant, in absentia, may be represented before the Council by a nominee designated in advance by the appellant.

The nominee, who shall be a fellow employee, may be accompanied by an advocate, as above.

- The appellant shall present the rationale for the first factor appealed, without interruption.
- The consultant will present the brief on the first factor appealed, without interruption.
- After presentation by both parties, a question period to clarify evidence presented will be allowed. Questions may be asked by any member of the Classification Joint Council, the appellant, or the consultant, as directed by and through the Chair.
- Witness(es) may only be questioned regarding job content or authority of which they have first-hand knowledge. There is an expectation that Classification Joint Council will determine how such witness(es) came to have first-hand knowledge.
- An opportunity for a short summary rebuttal shall be provided to the consultant. An opportunity for a short summary rebuttal shall then be provided to the appellant. For a group appeal, only a single spokesperson shall be given rebuttal opportunity. Groups will be allowed a five (5) to ten (10) minute break, to allow input to the rebuttal.
- When an appellant has appealed more than one factor, the presentation, questioning and rebuttal process shall be repeated for each factor appealed.
- Before excusing the consultant and the appellant, Classification Joint Council members shall refrain from making statements, comments, or stating personal opinions about what level jobs should be evaluated, nor enter into any debate about the meaning, or interpretation of the factor.

### 3. Deliberations

- The Chair will excuse the consultant and appellant, witnesses and observers after presentation of all appealed factors.
- If the Classification Joint Council requires additional information, it shall request the consultant to obtain it. Such information shall be made available to the appellant.
- In comparing duties and responsibilities to CDs, Classification Joint Council shall consider the full content of the CD description for that factor. Comparison to jobs other than the CDs in the classification plan is not permitted.
- Moral or monetary issues are not to be considered.
- Classification Joint Council shall determine the appropriate rating by consensus and notify the Appeals Coordinator, providing rationale on the form provided. No results are to be released by Classification Joint Council members, except to the Appeals Coordinator.
- If a rating change is agreed to by consensus, Classification Joint Council shall provide their recommendation to the Appeals Coordinator with written rationale in the form of examples, which show how the work is consistent with the full content meaning and intent of the level definitions within the factors, factor definitions, Notes to Raters and Comparative

Descriptions. If there is no change in ratings, Classification Joint Council shall provide an explanation which will include any additional rationale supporting the assigned ratings. The Appeals Coordinator will forward the recommendation and rationale to Joint Audit Committee, for a decision.

- In the event that consensus is not achievable, each member of Classification Joint Council shall provide rationale supporting their recommendation to the Appeals Coordinator who will forward to Joint Audit Committee, for a decision.

4. Release of Decisions

- No decision shall be released, except to the Appeals Coordinator, in writing. The Appeals Coordinator shall release final decisions made by Joint Audit Committee.
- Decisions made by Joint Audit Committee are final and binding on the incumbent and the parties to this agreement, and on subsequent incumbents, where there has been no change of duties and responsibilities.

O. Composition of Joint Audit Committee

1. The Joint Audit Committee shall consist of one (1) union and one (1) management representative from the Joint Maintenance Committee. The SGEU and the Commission shall select their own list of persons to function as their representatives to the Joint Audit Committee.
2. The Joint Audit Committee is subject to the same conflict of interest guidelines and training requirements as Classification Joint Council.

P. Role and Authority of Joint Audit Committee

1. Joint Audit Committee will render appeal decisions where:
  - a. Recommendations have been made by Classification Joint Council; or
  - b. Classification Joint Council is unable to reach consensus.
2. Prior to rendering a decision, the Joint Audit Committee shall consider:
  - the consultant's brief;
  - the appellant's rationale and authorized job description, as at the effective date of the assignment;
  - the Classification Joint Council's rationale;
  - Comparative Descriptions;
  - the full intent of the degree definitions within the factors;
  - Notes to Raters; and
  - any new information they may request.
3. The Joint Audit Committee may only render decisions on factors adjudicated by Classification Joint Council.
4. In the event the Joint Audit Committee changes the Classification Joint Council rating, the Joint Audit Committee shall provide written

rationale to the Appeals Coordinator, consistent with the full content, meaning and intent of the level definitions within the factor, factor definitions and Notes to Raters.

5. Where Joint Audit Committee does not reach consensus, a Chair shall be brought in, selected in rotation from an agreed-to list of Chairs.

Q. Records

The Commission shall keep a register of all appeals, showing name of appellant, agency, branch, occupation, date filed, date heard, council and committee decisions.

R. Payment of Members

1. The employer shall provide leave of absence with pay to union members on the Classification Joint Council and Joint Audit Committee.
2. The Chair of the Joint Audit Committee, if in the employ of the government, shall be granted leave of absence with pay. If not in the employ of the government, the remuneration shall be equally shared by the parties.
3. The union shall be responsible for the travel and sustenance expenses of its representatives.

## LETTER OF UNDERSTANDING #09 – 1

### REHABILITATION PLACEMENT PROCESS

This Letter of Understanding supersedes Letter of Understanding #00-9.

These processes apply to employees returning to work due to a prolonged illness, injury or disability supported by medical documentation.

#### A. PHASE I AND PHASE II PROCESSES

1. Phase I return to work describes the most effective, positive and desirable approaches to accomplish rehabilitation placements. It incorporates re-employment, redeployment, severance, normal retirement and career assistance.

Phase I begins when the employer is notified that the employee is medically able to return to work and receives the supporting medical documentation along with a current resume.

It is recognized that multiple trial placements may be required and that individuals will often still be covered by insurance programs during much of Phase 1 and may in fact, return to full insurance coverage if trial placements are not successful.

Phase 1 of the rehabilitation process will have a six (6) month time limit. This time limit can be extended if additional time is required to obtain medical reports or in other compelling circumstances as agreed to by the parties.

2. Phase II return to work describes the mandatory processes which apply when placement through Phase I is not accomplished. It incorporates bumping and the salary guarantee provision.

#### B. FLEXIBILITY IN PLACEMENT PROCESS

To allow greater flexibility in the placement of rehabilitation candidates, the following shall apply:

1. As per Articles 6.1 and 6.2 of the Collective Bargaining Agreement, the rehabilitation placement process may supersede normal staffing provisions for individual positions required to make rehabilitation placement.
2. Permanent full-time employees may have access to permanent full-time, permanent part-time, labour service, or term work.
3. Permanent part-time employees may have access to permanent part-time, permanent full time, labour service or term work.
4. Labour service employees may have access to labour service work in the same or different section within the ministry, labour service work in a different section in a different ministry and permanent full-time, permanent part-time, or term work.

5. Term employees have first consideration for term work in their own ministry and will be returned to their term position if medically able and within the length of the term, or if the term has been extended.
6. In special circumstances, where a return to work is otherwise unlikely to occur, a rehabilitation placement, which constitutes a promotion, may be arranged. The rehabilitation candidate must meet the core competency requirements for the vacant position and be medically able, subject to reasonable accommodation, to perform the duties.
7. Permanent employees on temporary assignment of higher duties or on leave to accept a term position at the time of disability, shall access options based on their permanent home position.

C. CAREER ASSISTANCE OPTIONS

Rehabilitation placement candidates may be provided with Career Assistance Options as per Article 19.6 of the Collective Agreement with the following modifications:

1. Career Assistance Options are applicable to permanent full-time, permanent part-time and labour service rehabilitation candidates.
2. The maximum value of Career Assistance for permanent part-time rehabilitation candidates shall be prorated. The prorating shall be based on the average proportion of full-time hours worked over the one-year period prior to the date of disability (or the period of employment if not employed for a full year).
3. Career Counselling and Job Placement
  - May include functional, vocational, or psychological assessment.
4. Retraining Assistance may be formal training, or training-on-the-job.
  - Retraining may also be provided by the insurer while the employee is on claim.
  - To be flexible with this option, the insurer and ministry may cost-share retraining costs, on a case-by-case basis, if such an option will better ensure the employee's return to work. If the employee is not eligible for coverage through the insurer, the ministry may provide this option.

D. SEVERANCE PAY AND ENHANCED SEVERANCE

Except for term employees and employees on initial probation, employees who are ready to return from a leave of absence as per Article 18.1.1.3 and chose to resign or retire on immediate pension, may be entitled to severance and enhanced severance payments.

The formula for determining severance payments shall be based on Articles 15.14.1 and 19.6 A) 1. v).

Severance may be accessed at the employees request at either phase of the Rehabilitation Placement Process.

Employees will be required to sign a release document in addition to providing the resignation in order to access severance payments. Employees shall be encouraged to obtain appropriate counselling/financial advice prior to exercising this option.

E. NORMAL RETIREMENT

Employees who are eligible to retire under the normal provisions of the Public Service Superannuation Plan, or the Public Employees Pension Plan, shall be encouraged to obtain retirement counselling prior to exercising this option.

F. NOTIFICATION OF COMMENCEMENT OF PHASE 1

When Phase I is initiated, the Permanent Head will be notified, in writing, by the Public Service Commission.

G. EXCLUSION FROM PHASE II PROCESS

Employees on initial probation and term employees will not be included in Phase II.

H. SALARY GUARANTEE WAITING PERIOD

1. When a work placement is found, accumulation of time toward the salary guarantee will be stopped. Accumulation of time toward the salary guarantee will recommence when the work placement ends.
2. For labour service employees subject to seasonal layoff, the accumulation of time toward the salary guarantee ceases during the seasonal layoff period. Accumulation of time toward the salary guarantee will recommence on recall.
  - For labour service employees on seasonal layoff, other placement options, in other labour service sections or agencies, and permanent full-time/permanent part-time options, will still be explored.

I. SALARY GUARANTEE

1. For employees who were working less than full-time prior to disability, the salary guarantee shall be prorated. The prorating shall be based on the average proportion of full-time hours worked over the one-year period prior to disability (or the period of employment, if not employed for a full year).
2. If medical requirements restrict the hours that an employee is able to work, the salary guarantee shall be prorated based on the proportion of full-time hours the employee is medically able to work.
3. For labour service employees, the salary guarantee shall be paid only for the normal season of employment.
4. Salary guarantee received from the employer plus disability income received from the SGEU LTD Plan or government programs (eg. Canada Pension Plan, Workers' Compensation, Saskatchewan Government Insurance) shall not exceed 100% of the employee's pre-disability income.
5. i) If a rehabilitation candidate obtains employment outside of Executive government or generates self-employment income, which did not exist prior to the date of disability or has been expanded since the date of disability, the amount of the salary guarantee shall be reduced. The salary guarantee shall be reduced as follows:

The salary guarantee shall be reduced by an amount equal to the same percentage of employment or self-employment earnings that those earnings are in relation to pre-disability earnings, up to a maximum reduction of 100% of employment or self-employment earnings.

**Example:**

Pre Disability Income = A (\$2000)  
Self-Employment Earnings = B (\$1800)  
(New or expanded)

Salary Guarantee Income (SGI) formula:  $A - (B \times B/A) = SGI$

$\$2000 - (\$1800 \times \$1800/\$2000) = \$380.00$  SGI

- ii) If such earnings result in the salary guarantee being reduced to zero, the salary guarantee shall end and the employee may choose options in accordance with R19.6.1.2 D) of the attached Appendix A.
- iii) To remain eligible for the salary guarantee, rehabilitation candidates shall be required to provide proof of the amount of employment or self-employment income.

**J. EMPLOYEE'S RIGHT TO SALARY GUARANTEE ENDS**

- 1. An employee's right to salary guarantee ends when:
  - i) a permanent position is accepted;
  - ii) a permanent position, which meets medical restrictions is offered;
  - iii) an employee is re-employed at the maximum salary level and/or hours that their medical restrictions allow;
  - iv) an employee who, within five (5) working days of being notified by the employer, in writing, that the bumping process has commenced, fails to indicate his intent to bump, or elects not to bump; or
  - v) earnings from employment outside of government or self-employment earnings result in the salary guarantee being reduced to zero (see I. 5. above).
- 2. Bumping options shall be based on documented medical restrictions. If a rehabilitation candidate chooses to place his name on the re-employment list and chooses to place additional restrictions using Article 6.1.8, he will be ineligible for the salary guarantee provisions.

**K. REHABILITATION BUMPING PROVISIONS**

Provisions applicable to rehabilitation placement bumping are attached as Appendix A.
