

# SINP International Skilled Workers: Expression of Interest (EOI) Selection Results

See below for information on the selection rounds that have occurred through the SINP's EOI system. This document will be updated whenever a new selection is made.

Please note that the SINP limits the selection of EOIs by occupation so that nominees with positive employment prospects in Saskatchewan are selected and nominations do not exceed employment demand.

The size and frequency of EOI Selections will be determined by the needs of the SINP application inventory. Selections will take place on a bi-monthly basis, at minimum. The dates of the selections will not be posted before they take place.
