

## **Recognized Family Mediators: Family Mediators Who Have Been Recognized under Section 7-4 of *The King's Bench Act, 2023***

**Updated May 9, 2024**

This list is organized by location. The location listed is each mediator's home base; mediators may provide services in additional areas upon request. Mediators marked with "\*" have indicated they provide virtual services.

Recognized family mediators set their own processes and fees. You may inquire with a mediator of your choice to discuss their rates and services. Please note that the Dispute Resolution Office with the Ministry of Justice has low-cost options available.
