March 6, 2020	Updated version of Directive PNG009 in effect	BT2020-003

On March 6, 2020, an updated version of *Directive PNG009: Public Notice Requirements* came into effect. The in-force version of the updated Directive may be viewed at [Public Notice Requirements](#). Please ensure your organization is aware of the requirements as outlined in the updated Directive.

Key changes featured in the updated Directive include:

- Provision of authority to allow the Ministry of Energy and Resources (ER) to extend the public notice period and to accept other methods of notification in addition to paper;
- Greater clarity on the responsibilities of applicants/objectors and on additional timelines where needed;
- Miscellaneous additions/revisions/clarifications, including references to other ER directives that have requirements that the licensee must address.

Questions?

Information on the results of the consultation process and specific changes contained in the updated Directive can be found at [Notice of Accepted Amendments: Directive PNG009](#).

If you have any questions or concerns contact the ER Service Desk at 1-855-219-9373 or ER.servicedesk@gov.sk.ca.
