

Saskatchewan Housing Benefit Application

About the Saskatchewan Housing Benefit

The Saskatchewan Housing Benefit helps eligible renters with their shelter costs (rent and utilities). The benefit is co-funded by the Government of Canada and the Government of Saskatchewan under the National Housing Strategy and is delivered by Saskatchewan Housing Corporation (SHC).

You are eligible for the benefit if you:

- have an annual before-tax household income at or below the Annual Income Limit (see table below);
- pay more than 40% of before-tax household income on shelter costs; and
- have less than \$100,000 in assets.

The benefit you receive is based on your household size:

Household Size	Singles/Couples	Singles/Couples with one dependant	Singles/Couples with two or more dependants
Annual Income Limit	\$43,100	\$52,900	\$63,800
Monthly Benefit Amount	\$150	\$200	\$250

You are not eligible if you receive support from another Government of Saskatchewan income assistance or training program, including the Saskatchewan Income Supplement (SIS), Saskatchewan Assured Income for Disability (SAID), Provincial Training Allowance (PTA), and Saskatchewan Rental Housing Supplement (SRHS), if you are a newcomer to Canada who receives financial sponsorship, or if you are a full-time post-secondary student.

I give consent to SHC to collect, use, and share information that I or another party provides during my application and any period of time I receive the Saskatchewan Housing Benefit (Benefit) to:

- determine if I am eligible for the Benefit; this includes confirming my household income with my employer, the Government of Saskatchewan, and/or the Government of Canada;
- confirm my continued eligibility if I am approved for the Benefit; and
- contact my landlord to confirm my continued eligibility for the Benefit as part of any eligibility review.

I give consent for my information to be used and disclosed by:

- the Government of Saskatchewan (or a third party contracted by the Government of Saskatchewan) for analysis and research of its programs and services. This might involve my information being combined with information from other Government of Saskatchewan Ministries and/or agencies, even if I do not receive the Benefit; and
- the Government of Canada and its agents, including Statistics Canada and the Canada Mortgage and Housing Corporation (or a third party contracted by the Government of Canada), for analysis and research of national housing programs.

I understand:

- if any information in my application is found to be false, my application might not be considered, or if I am approved for the Benefit, I might be required to return any overpayment;
- SHC may contact me for feedback regarding the Benefit program;
- SHC will use my SIN to verify if I am in receipt of income or housing support from the Government of Saskatchewan and for debt collection purposes if applicable;
- I must be in good standing with SHC to continue receiving the Benefit;
- this application does not require SHC to provide me with assistance through the Benefit;
- SHC must handle my information as required by *The Freedom of Information and Protection of Privacy Act*, *The Health Information Protection Act*, and *The Archives and Public Records Management Act*;

If I am approved for the Benefit, I understand that I must use program benefits to pay for shelter costs like rent and/or utilities, and I must contact SHC immediately if my household circumstances change. Further, I understand that failure to contact SHC could result in my Benefit being cancelled, or I might be required to repay any overpayments if:

- I receive income support from another Government of Saskatchewan income assistance or training program;
- I am no longer legally allowed to reside in Canada;
- I move:
 - out of Saskatchewan;
 - into a licensed care facility or dwelling not covered under *The Residential Tenancies Act, 2006* (not including co-operative housing); or
