6. If you don't have an account, click [Create Account](#) and then click [Create Individual Account](#) to create your account.

You must have an active e-mail address to apply online.
(If you do not have one, instructions are available on [page 8](#) of this guide.)

If you already have an account, skip to step 9.

7. Follow the instructions to create a Saskatchewan account and submit.
8. You'll receive an e-mail to activate your account. Check your e-mail inbox for a verification e-mail and click the link to activate your account. If you don't see the e-mail, check your junk or spam folders. If you still do not have a link after checking your spam and junk contact onlineservices@gov.sk.ca.
9. Sign in to your account by entering your e-mail or username and password.
10. Answer all of the application questions. Upload the supporting documents to complete the application, such as a copy of your Social Insurance Number, Direct Deposit form and Confirmation of Enrolment.
11. You can access your online application 24 hours a day, and save and exit at any time.

12. Once you have submitted your application, if you are using a public computer, you will need to make sure no one can find the personal information you have entered online. For step-by-step instructions on how to delete your history, click [here](#) or see the next page.

Google Chrome - Clearing browser history, cache and cookies

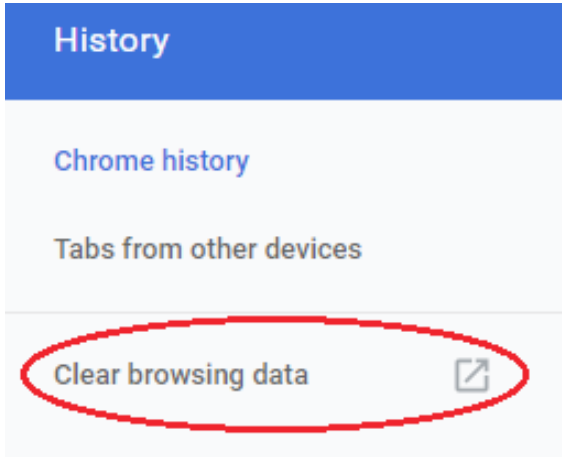

You need to make sure your personal information isn't stored in the computer's memory. You can clear this information in Google Chrome by following the steps below. The process is similar in other Internet browsers, listed on page 2.

1. Select Tools (via the Three Dots Icon) > History > History

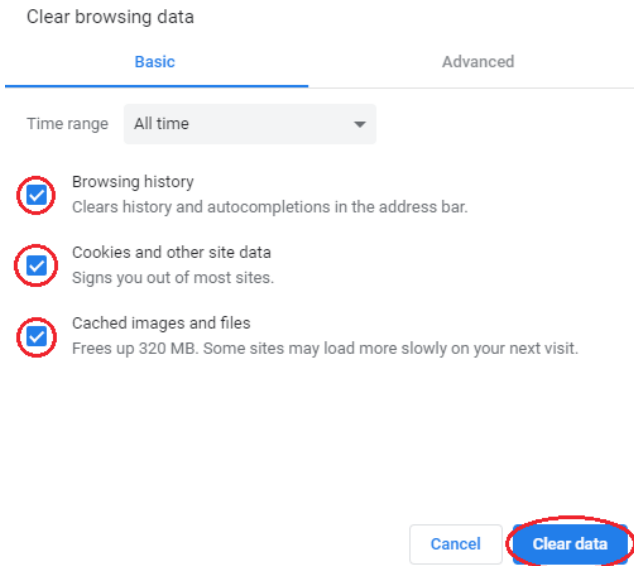

(Note: You can also access this menu by holding Ctrl + H.)

2. Select Clear Browsing Data from the left side of the screen.

3. Check Browsing History, Cookies and Other Site Data and Cached Images and Files, then click Clear Data.

4. Close the browser - clicking the "X" at the top right corner.
