

...er room talk.

...was an accident.

...is not the easiest to live with.

He probably just drank too much.

We don't know the 'whole' story.

It looks worse than it is.

She will get help from someone else.

He's never done anything like that in front of me.

She must have done something to deserve it.

...t overreacting.

He's not a bad guy, he just lost his temper.

It's none of my business.

Face the issue. If she wanted help

Excuses only cover the truth.

**End the abuse.**
