*The Provincial Capital Commission Act*

Section 9-11

Order in Council 88/2021, dated February 26, 2021

(Filed February 26, 2021)

PART 1  
**Preliminary Matters**

**Title**

**1** These regulations may be cited as *The Provincial Capital Commission Regulations*.

**Definitions and interpretation**

**2(1)** In these regulations:

**“Act”** means *The Provincial Capital Commission Act*;

**“maintenance”** includes:

- (a) ordinary care, repair, or painting of buildings, structures, service facilities and landscape construction or a replacement of them that, in the commission’s opinion, does not involve a significant change;
- (b) snow and waste removal;
- (c) irrigation, lawn cutting, weed control and tree trimming;
- (d) repair of signage, benches, fencing or fountains or a replacement of them that, in the commission’s opinion, does not involve a significant change; and
- (e) use of any machines, equipment or tools required to undertake the activities mentioned in clause (a), (b), (c) or (d);

**“proponent”** means a person or organization, including a participating party, who proposes or desires to engage in, undertake or commence an improvement on public land or private land in the capital region.

**(2)** For the purposes of the Act and in these regulations, **“improvement”** means a building, structure or service facility constructed within the capital region or landscape construction within the capital region and includes any altering of or adding to any of the things mentioned in clause (a), but does not include the maintenance of any of those things.

**PART 2**  
**Prescribed Values for Certain Improvements**

**Temporary improvements**

3(1) For the purposes of clause 7-2(b) of the Act, the prescribed value of temporary improvements is \$10,000.

(2) The commission shall establish policies respecting whether an improvement is a temporary improvement and respecting how to determine the value of an improvement.

5 Mar 2021 cP-30.011 Reg 1 s3.

**Building construction**

4(1) For the purposes of clause 7-4(a) of the Act, the prescribed value of building construction is:

(a) \$200,000 if the value of the building area being created or under construction is less than 200 square metres; or

(b) \$1 if the building area created or under construction is equal to or exceeds 200 square metres.

(2) The commission shall determine the established value of building construction in accordance with commission policies.

5 Mar 2021 cP-30.011 Reg 1 s4.

**PART 3**

**Public Participation Requirements for Proponent Major Developments**

**Definitions for Part**

5 In this Part, “**major development**” means a proposed improvement that, in the commission’s opinion:

(a) requires a major amendment, as that term is defined in section 12, to the master plan;

(b) may have a lasting or material impact on the use or quality of the capital region environment; or

(c) involves the construction of a building that exceeds the prescribed value mentioned in section 4.

5 Mar 2021 cP-30.011 Reg 1 s5.

**Required public participation on major developments**

6(1) If the commission determines that a proposed improvement is a major development, the commission shall inform the proponent in writing of its determination along with the reasons of the commission for its determination.

(2) Before the commission may approve a proposed major development, the proponent of the major development shall:

- (a) prepare and submit to the commission a plan for public participation satisfactory to the commission; and
- (b) carry out the plan in accordance with the public participation policies of the commission.

5 Mar 2021 cP-30.011 Reg 1 s6.

**Public participation for improvements other than major developments**

7 Before the commission may approve any proposed improvement other than a major development, the commission may require the proponent:

- (a) to prepare and submit to the commission a public participation plan satisfactory to the commission; and
- (b) to carry out the plan in accordance with the public participation policies of the commission.

5 Mar 2021 cP-30.011 Reg 1 s7.

**Requirements for public participation plans**

8(1) In a plan required pursuant to section 6 or 7, the proponent must include all of the following:

- (a) dates, frequency, advance notice and timing of public participation events;
- (b) methods and venues to be used for public participation events;
- (c) representatives, associations and interests to be invited to participate;
- (d) methods to receive and review comments and responses;
- (e) materials and information to be provided by the proponent;
- (f) principles and procedures to be followed by the proponent and by the public for public notification, participation and involvement;
- (g) details regarding how the results of the public participation will be reported by the proponent to the public and to the commission;
- (h) any other matters that the commission considers appropriate or necessary to effectively fulfil the requirements of this Part.

(2) The proponent is responsible for all costs related to the preparation and undertaking of a public participation plan required pursuant to this Part.

5 Mar 2021 cP-30.011 Reg 1 s8.

**Commission policies re proponent public participation**

9(1) The commission shall establish policies and procedures establishing minimum or other requirements for the matters in section 8.

(2) In the policies and procedures mentioned in subsection (1), the commission may establish:

- (a) different categories of major developments; and
- (b) different categories of proponents, including the following:
  - (i) categories of profit and non-profit proponents, participating parties and other proponents;
  - (ii) categories and types of improvements including but not limited to new buildings, existing structures, service facilities and landscape construction; or
  - (iii) other categories established by the commission.

5 Mar 2021 cP-30.011 Reg 1 s9.

**Commission policies regarding major developments**

**10** The commission may establish policies respecting:

- (a) procedures for determining whether a proposed improvement is a major development;
- (b) policies for information, materials or other matters required to be provided by proponents to the commission to determine whether a proposed improvement meets any of the conditions mentioned in section 5; and
- (c) policies for issuing public notices or conducting public participation or other public participation activities on behalf of the commission in addition to those required of or undertaken by a proponent.

5 Mar 2021 cP-30.011 Reg 1 s10.

**Decisions of commission under Part**

**11** After receiving the results of a public participation pursuant to this Part and after undertaking any further reviews the commission considers necessary, the commission, in accordance with any other policies or procedures respecting the approval of improvements:

- (a) may approve or not approve the proposed improvement; and
- (b) shall inform the proponent of its decision in writing along with the reasons of the commission for its decision.

5 Mar 2021 cP-30.011 Reg 1 s11.

**PART 4**

**Commission Master Plan Review and Amendment**
