CHAPTER F-13.4 REG 44*The Financial Administration Act, 1993*

Sections 24 and 71

Order in Council 160/2021, dated March 24, 2021

(Filed March 25, 2021)

Title

1 These regulations may be cited as *The Government Service Organizations (Provincial Sales Tax) Remission Regulations*.

Definitions

2 In these regulations:

“**Act**” means *The Provincial Sales Tax Act*;

“**government service organization**” means an organization set out in Schedule 1 of the Appendix;

“**tangible capital asset**” means, with respect to a government service organization, an asset that is or will be recorded as a capital asset in the government service organization’s audited financial statements;

“**tax**” means the tax paid or payable pursuant to the Act on the purchase of a tangible capital asset.

Remission

3 Every government service organization is granted, in accordance with these regulations, a remission of tax commencing on April 1, 2021.

Application

4(1) Every government service organization that wishes to obtain a remission of tax granted pursuant to section 3 shall apply to the minister in a form and manner satisfactory to the minister.

(2) An application mentioned in subsection (1) must be submitted to the minister at least once per fiscal year, no later than March 31.

(3) Together with an application pursuant to this section, the government service organization must provide the minister with evidence to establish to the minister’s satisfaction the amount of the remission of tax.

(4) At the time the application is made or at any subsequent time, the minister may require a government service organization to supply the minister with any additional information that the minister may reasonably require to evaluate the application or to determine whether a remission of tax is payable.

(5) If the minister requires additional information pursuant to subsection (4), the government service organization shall provide that information within the time specified by the minister.

(6) No government service organization shall provide any false or misleading information to the minister on any application form or in response to any request for information from the minister.

Approval of application

5(1) Subject to subsection (3), if the minister has received an application from a government service organization and is satisfied that the government service organization has complied with these regulations, the minister shall pay the remission of tax to the government service organization.

(2) The amount of the remission of tax that is to be paid pursuant to subsection (1) is the amount of tax that was paid by the government service organization on the purchase, in whole or in part, of a tangible capital asset.

(3) If a government service organization is eligible to receive a remission of tax but has an outstanding debt due and owing to the Crown, the minister may:

(a) if the debt is equal to or greater than the amount of the remission, apply all of the remission towards the satisfaction of the government service organization's debt; or

(b) if the debt is less than the amount of the remission, apply that portion of the remission that is required to satisfy the government service organization's debt, and pay any remainder of the remission to the government service organization.

Overpayment

6(1) The minister may declare any or all remissions of tax granted to a government service organization pursuant to these regulations to be an overpayment if, in the minister's opinion:

(a) the government service organization has knowingly made a false or misleading statement with respect to a material fact on any form or in any information or record provided to the minister pursuant to these regulations;

(b) the government service organization has omitted to make a statement to the minister or to provide any information or record to the minister, and that omission results in a statement with respect to a material fact being misleading; or

(c) the government service organization has failed to comply with these regulations.

(2) A government service organization that has received a remission of tax pursuant to these regulations shall, for the purposes of subsection (1), provide, at the minister's request and within the period specified by the minister, any information or record that the minister may require.

(3) If the minister declares a remission of tax to be an overpayment, the amount of the overpayment is deemed to be a debt due and owing to the Crown and may be recovered from the government service organization in any manner authorized pursuant to *The Financial Administration Act, 1993* or in any other manner authorized by law.

Coming into force

7 These regulations come into force on the day on which they are filed with the Registrar of Regulations.
