Your Responsibilities

As a vendor under *The Vapour Products Tax Act* you are required to:

- Quote your vendor's licence number when you buy goods tax free from your suppliers for resale. **Please note that a vendor's licence does not allow you to purchase goods that are not for resale without paying the tax.**
- Collect VPT at 20% on the sale of vapour products.
- Show the tax as a separate amount on all sales documents provided to your customers.
- Refund the VPT on returned vapour products if the purchase price is refunded to the customer.
- Pay VPT on vapour products for your own use (see [Section E](#) for further information).

- Keep complete and up-to-date records of all your business transactions. You should not destroy these records unless permission has been granted by Finance. Records must be retained for at least six years and may then be destroyed without permission from Finance. See Section G for further information.
- Report and remit the VPT collected by the due date shown on the tax return. If you have no tax to report, you must still file a NIL return. See [Section F](#) for further information.
- Notify Finance, if you discontinue or sell your business, or if there is a change in your business name, business location or mailing address.

- Residents or non-residents providing the goods are shipped or delivered out of the province by the retailer.

For an Indian band or non-commercial band-empowered entity, the band number and band name must be recorded on the sales invoice. A band-empowered entity must also certify that the purchase is for non-commercial band-management activities. **The vendor must retain documentation to support the exemption, including proof of delivery such as a waybill, freight bill or postal receipt.** Please see Information Bulletin [PST-63, Sales to First Nations Individuals and Organizations](#) for further information.

E. PURCHASING VAPOUR PRODUCTS FOR RESALE

Vapour products for resale may be purchased exempt from VPT by quoting your VPT Vendor's Licence number to your suppliers. Vapour products that are not for resale may not be purchased exempt from VPT.

Suppliers of vapour products are not required to collect VPT on sales to other vendors for resale providing the purchaser's VPT Vendor's Licence number is recorded on the invoice or retained in the supplier's records.

F. VAPOUR PRODUCTS FOR PERSONAL OR PROMOTIONAL USE

Vapour products purchased for promotional purposes, samples, prizes or gifts are subject to VPT at the time of purchase. Vapour products purchased for your own use are also subject to VPT.

When these items are taken from resale inventory, the VPT must be self-assessed and reported as consumption tax on your VPT return.

G. FILING YOUR TAX RETURN

You are required to submit tax monthly, quarterly or annually depending on your anticipated tax collection amounts. The filing frequency is based on a calendar year and is established as follows:

Based on Annual Tax Remitted

The due date for Vapour Products Tax (VPT) returns **filed and paid** electronically is extended to the last day of the month following the end of the reporting period.

The due date for non-electronic filing (e.g. paper filing) of returns and payments, is the 20th day of the month following the end of the reporting period.

For example, the September 2024 return due date for a business filing monthly is as follows:

- Electronic filing and payment - September 2024 return is due October 31st, 2024
- Non-electronic filing or payment - September 2024 return is due October 20th, 2024

Note: Returns and payments must be received in our office by the due date. Penalty and interest charges are applied to late and outstanding returns and tax payments to ensure that taxes are reported, collected, remitted, or paid, on time. A tax return must be completed for each reporting period.

VPT Return Form

VPT and LCT are combined on a single tax return form. Boxes A to F will be zero if you do not sell liquor/alcoholic beverages.

H. RECORD KEEPING REQUIREMENTS

Businesses are required to keep complete records of all business transactions. Records must not be destroyed unless permission from Finance has been obtained. Records that are at least six years old may be destroyed without obtaining permission.

The Revenue Collection Administration Regulations requires the following financial records to be maintained:

- Details of daily sales of tangible personal property, including sales invoices summarized periodically, whether weekly, monthly or quarterly.
- Details of daily purchases of tangible personal property and taxable services, including purchase invoices summarized periodically, whether weekly, monthly or quarterly.
- Details of daily tax collections and their disposition summarized periodically, whether weekly, monthly or quarterly.
- Annual inventories in accordance with established business practices.
- Books, records and accounts necessary for the preparation of annual financial statements sufficient to indicate gross profit, net profit, assets and liabilities.

- Details of items taken out of stock for your own use or consumption, or supplied to your employees.

All entries concerning the VPT in any books, accounts, records and documents described above are to be kept separate and distinguishable from other entries.

I. **ENFORCEMENT PROVISIONS**

Finance will audit the records of businesses on a routine basis. When it is determined that tax has not been properly accounted for, the business is assessed the amount of tax owing plus penalty and interest charges. See **Tax Audits and Penalties** at saskatchewan.ca/business-taxes for further information regarding the tax audit process.

Failure to Comply

Non-compliance can result in the suspension of your VPT Vendor's Licence issued under *The Vapour Products Tax Act*. If your VPT Vendor's Licence is suspended, you will not be allowed to purchase goods for resale exempt from VPT and you will no longer be allowed to sell vapour products.

Penalty and Interest

The Revenue and Financial Services Act and *The Revenue Collection Administration Regulations* provide for the application of penalty and interest charges to late tax returns and payments, and audit assessments. These penalties are utilized to promote compliance with our tax Acts and to ensure a fair and competitive environment for all Saskatchewan businesses. Please see Information Bulletin [GENERAL-1, Penalty and Interest Charges](#) for details.

Corporate Director's Liability

In certain circumstances, corporate directors may be held personally liable for taxes collected but not remitted by a corporation.

Directors may be held personally accountable for a corporation's tax liability when collection efforts against the corporation have failed or when a corporation becomes bankrupt or commences other liquidation proceedings. Directors may only be held liable if the corporation fails to collect or remit the tax (as opposed to taxes payable by the corporation). A director may avoid liability by demonstrating that reasonable steps were taken to ensure that the corporation remitted its tax collections.

J. **BUYING AND SELLING A BUSINESS**

When buying or selling a business, please see Information Bulletin [PST-77, Buying and Selling a Business](#). This bulletin outlines the Provincial Sales Tax (PST) obligations of the buyer and seller, including the requirement to obtain a Clearance Certificate for the bulk sale of business assets.

The seller must ensure that they have filed all returns and paid all amounts owing on their tax account(s), and request closure of the account(s) when closing a location or ceasing all operations.

Before finalizing the purchase of a business, the purchaser should obtain a copy of the Clearance Certificate issued by the Revenue Division from the seller. A Clearance Certificate confirms that all taxes collected, payable or for which the seller has become liable to account, have been paid to Finance in full. Failure to obtain a copy of this Certificate could result in the purchaser being held liable for any outstanding taxes unpaid by the seller.

K. CORRESPONDING WITH THE MINISTRY OF FINANCE

When corresponding with Finance, please quote your VPT Vendor's Licence number or Federal Business Number (BN). This helps to ensure that your tax account is updated correctly.

Finance will only release confidential information about your Saskatchewan tax accounts to authorized representatives. A [Business Consent Form](#) must be completed to add or remove a contact from your account.

L. TAXPAYER SERVICE COMMITMENTS AND STANDARDS CODE

The Revenue Division of Finance is committed to continually strive to improve the standard of the services we provide to businesses and taxpayers, and to be accountable for the quality of the services we provide.

The [Taxpayer Service Commitments and Standards Code](#) describes the fairness and service principles that we follow while administering Saskatchewan's taxes and related programs.

M. TAX TIPS LINE

When a business or individual does not comply with provincial tax legislation, businesses face unfair competition and a burden is placed on all taxpayers who do comply. It causes significant loss in the revenue available to fund services such as health, education and other important government programs.

Tax Tips Line provides an anonymous, fully confidential way for the public to report businesses or individuals who are participating in tax fraud. If you suspect that a business or individual is being dishonest with their provincial taxes or is misrepresenting their activities to reduce their taxes, you can report them using Tax Tips Line.

Please visit our website at saskatchewan.ca/business/taxes-licensing-and-reporting/provincial-taxes-policies-and-bulletins/tax-tips-line to find out more regarding types of tax fraud and the information to report, if possible.

Tax Tips Line is specifically and solely for information related to provincial tax compliance. Any unrelated inquiries or information will not be addressed by the Tax Tips Line, and should be directed to the appropriate organization.
