Dear Louise Greenberg:

Re: Review of Act and Regulations

Thank you for the opportunity to share our views and suggestions with the Workers' Compensation Act Committee of Review on *The Workers' Compensation Act, 2013*; *The Workers' Compensation General Regulations, 1985*; *The Workers' Compensation Exclusions Regulations, 2014*; and the administration of the Act and regulations.

SaskWater has no suggestions at this time. SaskWater's Occupational Health and Safety Manager is attending an upcoming meeting on this topic and will provide feedback as required through the discussions.

Sincerely,
