

Approved Swimming Pool Operator Training Courses in Saskatchewan

In Saskatchewan, section 14 of *The Swimming Pool Regulations, 1999* requires every public swimming pool licensee to employ someone who has completed a Pool Operator's Training Course, which is approved by the local authority.

The Saskatchewan Health Authority (SHA) and private business operators deliver approved Pool Operator's Training Courses.

Information on upcoming SHA provided courses can be obtained by contacting your local SHA office at <https://www.saskatchewan.ca/residents/health/public-health/public-health-inspectors>

The following Swimming Pool Operator Training Courses are approved in Saskatchewan:

- Saskatchewan Swimming Pool Operators Course (SPOC)
- Certified Pool & Spa Operator Course (CPO)
