### Tuition and Compulsory Fees

Compulsory fees include annual admission fees required when submitting applications, student council fees, student services fees, field trip costs, examination fees, graduate thesis costs, and other amounts payable by students to the school. These fees are obligatory in connection with their program of study and may include fees payable for membership in professional or other societies.

The amount to be stated is the total of tuition costs plus all costs of compulsory fees as outlined above which the student is required to pay. Do not include costs of residency/dormitory fees.

### Books and Supplies

Books and supplies consist of textbooks and expendable supplies, such as computer and related costs, note books, paper, pens, pencils, typing and photocopying services, and other similar supplies required to complete the program of study.
