

Building and Technical Standards

Promoting construction of safe, healthy, habitable buildings

Legislative Framework Workshop & Challenge Exam

This workshop is being offered free of charge to stakeholders. The objective of the Legislative Framework Workshop is to provide a better understanding of the legislation and regulations for successful application of the National Building Code of Canada. Workshop content includes:

- NBC 2015, Division A, Part 2 - Objectives
- NBC 2015, Division A, Part 3 – Functional Statements
- NBC 2015, Division C – Administrative Provisions
- The Administrative Requirements for use with the National Building Code of Canada, 1985
- *The Construction Codes Act*
- *The Building Code Regulations*
- *The Energy Code Regulations*
- Building Bylaw and Enforcement Guide c/w Model Building Bylaw
- Alternative Solutions
