John Williams, Vice-Chair
Board of Governors
Southeast College

WEYBURN SK S4H 0T1

Dear John Williams:

Saskatchewan's 2024-25 Budget provides record investments in our province's present and future, with a focus on education, health care, and the well-being of our communities. Our rapidly growing economy is attracting more people and creating more jobs, and our strong and innovative post-secondary sector is essential in supporting that growth. *Building the Workforce for a Growing Economy: The Saskatchewan Labour Market Strategy*, announced earlier this month, underscores our commitment to supporting a thriving, talented workforce.

This budget year marks the conclusion of the four-year multi-year funding agreement. Our government's multi-year funding commitment and your dedicated planning and improvement efforts have ensured that Saskatchewan's post-secondary sector remains financially sustainable and aligned with the priorities of *Saskatchewan's Growth Plan for the Next Decade of Growth 2020-2030*.

As we begin the collective work to establish a new agreement, we appreciate the discussions this past year regarding the importance of stable, predictable funding, as well as the growing pressure on budgets and financial sustainability efforts. We heard your concerns and are very pleased to provide a 2.2 per cent one-time increase to your 2024-25 operating grant. This positive adjustment to your funding will be reflected in an amendment to the current multi-year funding agreement. We appreciate your commitment to reporting on the progress and impact of your efforts and look forward to ongoing collaboration on the development of a new multi-year funding agreement.

The 2024-25 Budget tabled today includes \$7,393,700 for Southeast College for the period April 1, 2024 to March 31, 2025. The attached appendices (Appendix 1 – Detailed Schedule of Funding, and Appendix 2 – Funding Details) provide additional details about government’s investment and its intended uses.

Budget investments in training are aligned to ensure Saskatchewan’s labour force can keep pace with the opportunities created by industry. The *Saskatchewan Labour Market Strategy* will provide a blueprint for post-secondary institutions and industry to prioritize investments in programs, services and initiatives that connect people to jobs, recognize skills and address labour needs for emerging sectors.

Continuing investments are identified in this budget, in support of *Health Human Resources Action Plan* opportunities for students to access critical health related education programs. We look forward to continued collaboration to ensure these expansions are successful.

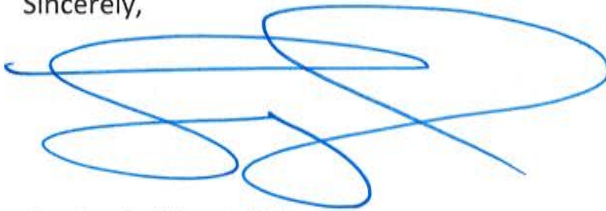

Demand for skilled tradespeople to support capital infrastructure projects across the province is ongoing. Investments in construction-related trades programming, offered by the post-secondary training system, to address labour market need remains a priority.

Ministry officials will be in contact with representatives at your institution to discuss the following 2024-25 accountability requirements and due dates:

- **Agreement to Submit Required Multi-Year Funding Reporting** – due April 15, 2024 (as per Eligibility Criteria 1 in the *Saskatchewan Post-Secondary Multi-Year Operating Funding Memorandum of Understanding*);
- **Multi-Year Business Plan** – due April 29, 2024 (40 days after budget allocation notification);
- **Multi-Year Funding Accountability Reports** – two reports, one due with the Multi-Year Business Plan submission due April 29, 2024, and the other due by January 31, 2025 (as per Eligibility Criteria 2 and 3 in the MOU); and
- **Performance Framework Report** – due January 31, 2025.

We appreciate the contributions from your institution as we work together to ensure a bright future for Saskatchewan, by providing our residents with the high-quality education and training they need and deserve.

Sincerely,

Gordon S. Wyant, K.C.
