

Industry Tip

Hyperlink Error in ART Notification

| Date | Module/Application/Functionality | Notes |
|----------------|--------------------------------------|---------------|
| March 22, 2023 | Business Associate/LLR Details/ ILRP | Informational |

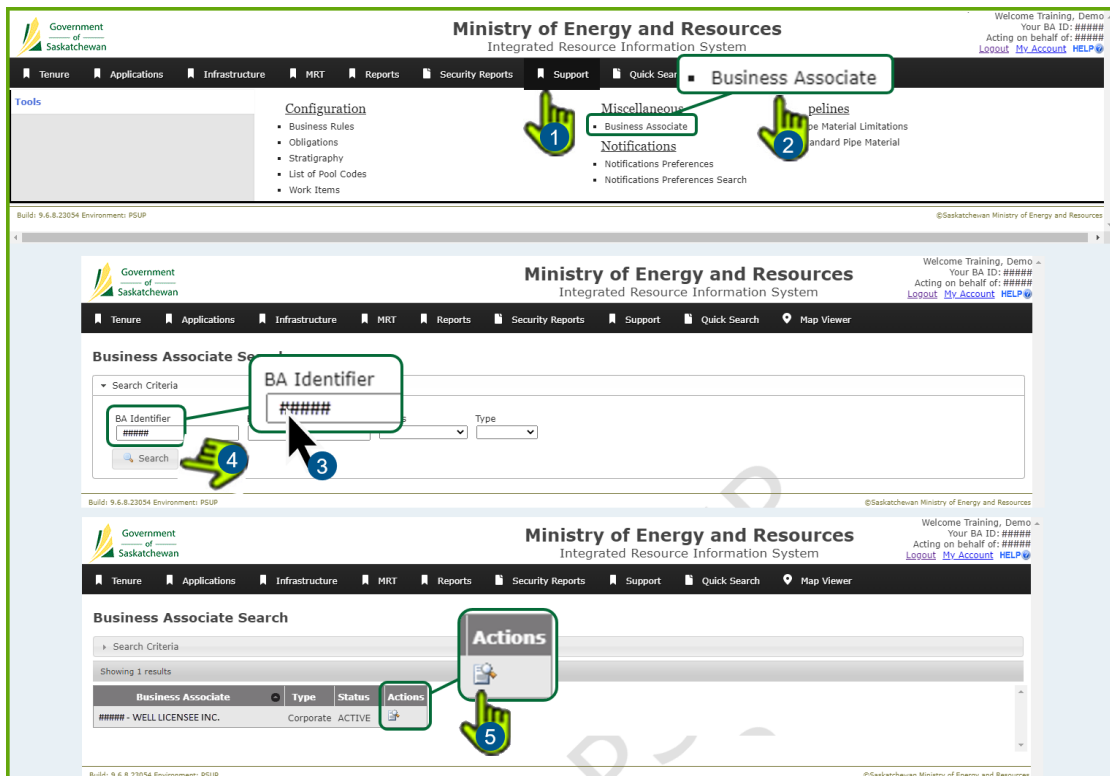

Background

The Ministry is aware of an issue regarding the hyperlink embedded in the recently issued Annual Reduction Target (ART) notifications. This Tip provides instruction on how to view your Annual Reduction Target (ART) and related ILRP information.

Process

Follow the steps below:

1. On the IRIS navigation bar, navigate to **Support**.
2. Click on the **Business Associate** link.
3. Enter your BAID
4. Click on the **Search** button.
5. Click on the **Actions** icon on the Business Associate Screen

- At the Business Associate screen, click on the **LLR Details** button.
- At the LLR Details screen, select the **Inactive Liability Reduction** tab.

The top Summary is the current snapshot of the ILRP program and the bottom Detail is the Year-Over-Year look at the program. The Details Report is a detailed overview of the expenditures that will be submitted in March 2024 therefore is will be blank is downloaded before then. Further information about ILRP can be found on the User Learning Centre module [Inactive Liability Reduction Program \(ILRP\)](#).

Business Associate: ##### - WELL LICENSEE INC.
