## Environmental Impact Assessment Notice

**Neoen Elmsthorpe Solar Limited (Neoen)** is proposing to construct the 100-megawatt Elmsthorpe Solar Project, located within the Rural Municipality of Elmsthorpe No. 100, southwest of Regina. The project would provide renewable electricity to the SaskPower electrical grid and consist of photovoltaic panels, mounting equipment, transmission and distribution lines, transformers and substations, and supporting infrastructure.

The project is subject to an environmental assessment under *The Environmental Assessment Act*.

To learn more about the project, visit:
