PUBLIC NOTICES/AVIS PUBLICS

The Heritage Property Act
[*sections 39 and 41*]

NOTICES OF INTENTION TO DESIGNATE PROVINCIAL HERITAGE PROPERTY

SASKATCHEWAN LEGISLATIVE BUILDING AND GROUNDS

To: Honourable Mark Wartman
Minister Responsible for Wascana Centre Authority
Room 302, Legislative Building
Regina, Saskatchewan S4S 0B3

Honourable Deb Higgins
Minister Responsible for Saskatchewan Property Management Corporation
Room 306, Legislative Building
Regina, Saskatchewan S4S 0B3

TAKE NOTICE THAT not less than sixty (60) days from:

(a) the giving of this Notice of Intention to the owner of the affected property;

(b) the registering of an interest based on this Notice in the Land Titles Registry;

(c) the publishing of this Notice in a local newspaper;

(d) the publishing of this Notice in *The Saskatchewan Gazette*;

I intend to make an order that the property known as the:

Saskatchewan Legislative Building and Grounds

and legally described as:

Surface Parcel #153869686
Block A Plan 1018528383

and situated at:

2405 Legislative Drive
Regina, Saskatchewan

be designated as Provincial Heritage Property under sections 39 and 41 of *The Heritage Property Act*.

The reasons for the proposed designation are as follows:

1 The Legislative Building and Grounds are the most readily-recognized symbol of government in Saskatchewan

2 The Legislative Building, designed by architects Edward and William Sutherland Maxwell, is the finest example of Edwardian Classical design in Saskatchewan, and indeed one of the finest in Canada. The quality of the design is particularly illustrated in the highly visible dome with its ornately detailed square drum. The grounds adjacent to the Legislative Building are a rare Canadian example of a park developed according to the "City Beautiful" masterplan as articulated by the landscape architects/planners Frederick G. Todd and Thomas H. Mawson.

3 The Legislative Building and Grounds are associated with Saskatchewan's Premiers, Lieutenant Governors and other political figures over the past century.

4 As Saskatchewan's most important public space, the Legislative Grounds have become a popular site for protest rallies against both provincial and federal government legislation and policies, for recreational activities and for public celebrations.

5 The grounds surrounding the Legislative Building formed the nucleus of what in 1962 became Wascana Centre, a 930 hectare park in the heart of Saskatchewan's provincial capital.

Further information concerning the reasons for provincial designation is available by contacting:

Heritage Resources Unit
Culture and Heritage Branch
Saskatchewan Culture, Youth and Recreation
9th flr., 1919 Saskatchewan Dr.
Regina, Saskatchewan S4P 3V7

AND FURTHER TAKE NOTICE THAT a Notice of Objection to the proposed designation may be served to me at the same address within thirty (30) days of the date of publication of this Notice of Intention in *The Leader-Post*. The Notice of Objection shall state the reason for the objection and all relevant facts.

AND FURTHER TAKE NOTICE THAT if no Notice of Objection is received within the time specified, I may order the designation with respect to all or part of the property described herein.

Dated at the City of Regina, in the Province of Saskatchewan, this 18th day of February, A.D. 2004.

JOHN NUGENT STUDIO

To: John Nugent
60-8th Avenue
Lumsden,Saskatchewan
S0G 3C0

TAKE NOTICE THAT not less than sixty (60) days from:

(a) the giving of this Notice of Intention to the owner of the affected property;

(b) the registering of an interest based on this Notice in the Land Titles Registry;

(c) the publishing of this Notice in a local newspaper;

(d) the publishing of this Notice in *The Saskatchewan Gazette*;

I intend to make an order that the property known as the:

John Nugent Studio

and legally described as:

Surface Parcel #111582682
Block D, Plan No C2386, Extension 29
As described on Certificate of Title 60R04851, description 29

but excluding the residence located on the east side of the said parcel:

be designated as Provincial Heritage Property under sections 39 and 41 of *The Heritage Property Act*.

The reasons for the proposed designation are as follows:

1 The unique design of the property represents a regionalized form of modernist architecture, which is demonstrated by the conical-shaped concrete roof atop the foundry where the artist crafted his metal artwork.

2 The value of the property lies in its association with the work of prominent Saskatchewan architect Clifford Wiens.

3 The value of the property lies in its association with the work of nationally renowned artist John Nugent.

4 The property is associated with an important period of artistic development in Saskatchewan (the late 1950s and 1960s) when the innovative work of its artists attracted national and international attention.

5 The construction of the property into the hillside and its engagement with the earth reflects an adaptation to the landscape, which was a strategy used by various peoples throughout the history of the province.

Further information concerning the reasons for provincial designation is available by contacting:

Culture and Heritage Branch
Saskatchewan Culture, Youth and Recreation
9th flr., 1919 Saskatchewan Dr.
