ORDER IN COUNCIL

The Urban Municipality Act, 1984

[O.C. 623/1999]
3 November 1999

TO THE HONOURABLE
THE LIEUTENANT GOVERNOR IN COUNCIL

The undersigned has the honour to report that:

1 Sections 13, 14 and 24 of *The Urban Municipality Act, 1984* provide, in part, as follows:

13(1) In this section, “council” means:

(b) the council of a municipality other than an urban municipality that intends to apply for an alteration of its boundaries that consequentially affects the boundaries of an urban municipality ...;

(7) The council may make an application for the alteration of its boundaries in the form prescribed by the minister and shall submit:

- (a) an application for the alteration of boundaries to:
 - (ii) the Saskatchewan Municipal Board, if all other municipalities affected by the proposed alteration provide the council with the complementary resolutions mentioned in clause (e);

together with;

(c) a map showing in detail the proposed alteration in boundaries...and a brief explanation of the reasons for the proposal;

(d) a certified copy of a resolution of the council requesting the proposed alteration ... ;

(g) a written summary of any public meeting held... and a copy of each written submission respecting the proposed alteration... received by the council.

14(1) On the recommendation of the minister pursuant to subsection 13(10)...the Lieutenant Governor in Council may, subject to any terms and conditions that he considers appropriate, by order:

- (a) alter the boundaries of any urban municipality by:
 - (ii) withdrawing territory from the existing area of the urban municipality;
- (b) alter the boundaries of any other municipality affected by an order made pursuant to clause (a) so that they correspond to that order.

(2) The Lieutenant Governor in Council shall make an order pursuant to subsection (1) if the Saskatchewan Municipal Board approves an application submitted to it pursuant to subclause 13(7)(a)(ii).

24 When making an order pursuant to this Part that results in the alteration of the boundaries of an urban municipality, the Lieutenant Governor in Council...shall:

- (a) describe the actual alteration of the boundaries of the urban municipality; and
- (b) describe the new boundaries of the urban municipality...;

2 The Council of the Rural Municipality of Invergordon No. 430 has submitted an application for an alteration of its boundaries to the Saskatchewan Municipal Board, Municipal Boundary Committee in the form prescribed by the Minister together with:

(a) a map showing in detail the proposed alteration in boundaries which involves withdrawing territory from the Village of Yellow Creek and adding it to the Rural Municipality of Invergordon No. 430 for the purpose of altering its boundaries and returning agricultural land to the rural municipality; and

(b) a certified copy of a resolution of the Council of the Rural Municipality of Invergordon No. 430 requesting the proposed alteration.

3 A written submission objecting to the boundary alteration was made by the Village of Yellow Creek. The Rural Municipality of Invergordon No. 430 appealed to the Saskatchewan Municipal Board, Municipal Boundary Committee as the Council of the Village of Yellow Creek would not provide a complementary resolution. The Municipal Boundary Committee granted the application of the Rural Municipality of Invergordon No. 430.

4 As a result of the above, it is desirable to alter the boundaries of the Rural Municipality of Invergordon No. 430 and the Village of Yellow Creek.

The undersigned, therefore, has the honour to recommend that Your Honour's Order do issue pursuant to sections 13, 14 and 24 of *The Urban Municipality Act, 1984*:

**Pursuant to section 105 of *The Land Titles Act*, being
 R.S.S. 1978, c.L-5, as amended;**

A Plan of Subdivision of record in the Land Titles Office for the
 Saskatoon Area Land Registration District as Registered Plan
 Numbers E 917, F 2006, G 404, G 582, 60S03577, 63S16453,

 handling present and future land transactions within a portion of the

To prepare for implementation of the LAND Project (Land Titles

 by the Chief Surveyor and intend to order the registration on or after
