<input type="checkbox"/>	Pneumococcal Polysaccharide 23	Left Right
<input type="checkbox"/>	Polio	Left Right
<input type="checkbox"/>	Tetanus, Diphtheria, Pertussis	Left Right
<input type="checkbox"/>	Tetanus, Diphtheria, Pertussis, Polio	Left Right
<input type="checkbox"/>	Varicella	Left Right
<input type="checkbox"/>	Other:	Left Right
<input type="checkbox"/>	Other:	Left Right

## Care after immunization:

- Encourage the students to use their arm normally.
- Common side effects like fever, redness, pain and tenderness at the injection site, a fever, or feeling tired are generally mild and usually last for 1 – 2 days. For redness or swelling at the injection site, apply a cold compress.
- Only treat your child's fever (at least 6 to 8 hours after immunization) if they are uncomfortable, refusing fluids and not sleeping.
- For specific vaccine side effects, refer to the vaccine fact sheets that were included with your child's consent form or go to: [www.saskatchewan.ca/immunize](http://www.saskatchewan.ca/immunize)
- For information about immunization programs, go to: [www.saskatchewan.ca/immunize](http://www.saskatchewan.ca/immunize) or call the HealthLine at 811.
- **Please report unexpected or serious side effects to a public health nurse, 811, a physician or nurse practitioner.**

Use **Acetaminophen** (Tylenol®, Tempra®) or **Ibuprofen** (Advil®, Motrin®) to treat fevers and pain in children and adults. **Never give ASA** (Aspirin®) to anyone younger than 18 years old because of the serious risk of Reye's syndrome.

Read the other side of this document to learn about immunization record information.

## Notice of Immunization

---

- Immunization records are available for viewing and printing in the student's MySaskHealthRecord online application account at <https://www.ehealthsask.ca/MySaskHealthRecord/MySaskHealthRecord>.
- **If a student aged 13 years old or younger does not have an account**, a MySaskHealthRecord account can be created for them by following the directions found at [https://www.ehealthsask.ca/MySaskHealthRecord/MySaskHealthRecord/Pages/Child\\_MSHR.aspx](https://www.ehealthsask.ca/MySaskHealthRecord/MySaskHealthRecord/Pages/Child_MSHR.aspx).
  - Parents/guardians must have their own MySaskHealthRecord account to request access to their child's health information in MySaskHealthRecord. Your child's information will be directly linked to your account. Visit <https://www.ehealthsask.ca/MySaskHealthRecord/MySaskHealthRecord/Pages/Register.aspx> to create your MySaskHealthRecord account.
- **Students 14 years and older** must create their own confidential MySaskHealthRecord account at <https://www.ehealthsask.ca/MySaskHealthRecord/MySaskHealthRecord/Pages/Register.aspx>.

If you choose to not sign up for MySaskHealthRecord, you may contact your local public health office to inquire about receiving an emailed or printed copy of the student's immunization record.

NOTE: A fee may be applied to these services.

Direct any questions regarding MySaskHealthRecord to eHealth Saskatchewan at 1-844-767-8259 or [MySaskHealthRecord@ehealthsask.ca](mailto:MySaskHealthRecord@ehealthsask.ca).
