Upcoming changes to the draw

Changes to the Canadian resident white-tailed deer draw have been proposed for future draws as a result of hunter feedback received by the Ministry of Environment and recent consultation with stakeholder groups. One suggestion is to implement priority pools for applicants without a Saskatchewan resident family sponsor, based on the number of years since an applicant was last drawn. This will minimize occurrences of applicants without family sponsors being drawn in consecutive years while others are not drawn. Hunters with a family sponsor (immediate family member residing in Saskatchewan) will remain the top priority in the draw.

The 2020 draw process remains unchanged from previous years but changes will be considered for future years.

Make sure you have an account in the Hunting, Angling and Trapping Licence (HAL) system

The Canadian resident white-tailed deer draw is part of the automated Hunting, Angling and Trapping Licence (HAL) system. HAL number (HAL ID) and date of birth is required for all applicants and family sponsors.

Canadian Resident White-tailed Deer Draw – Application Guide

Current to: April 22, 2020

All processes associated with the draw are now handled via the HAL system including:

- submitting an application;
- reviewing and updating an application; and
- purchasing a draw licence.

The Canadian Resident White-tailed Deer Draw continues to be a quota-based lottery used to allocate licences on a wildlife management zone basis. This draw uses two priority pools; the “Family First” pool and a general pool for all other applicants. The “Family First” pool will give priority to hunters who are sponsored by an immediate family member who is a Saskatchewan resident. If applying as a group, each group member must have an immediate family member who is a Saskatchewan resident in order for the application to qualify for the “Family First” pool.

For Canadian residents submitting an application for the white-tailed deer draw with a sponsor, the **sponsor must have a HAL account and be successfully validated as a Saskatchewan resident**. The sponsor must also give their consent to be listed on the application.

If you are successful in the draw, the appropriate licence will be available for purchase on your account. You simply select the white-tailed deer licence to purchase and complete the transaction.

Important: Please read the following terms and conditions before applying for or modifying your draw application.

- ❖ The Canadian resident big game draw is only for Canadian residents who are not residents of Saskatchewan. Hunters who qualify as a Saskatchewan resident are not required to participate in a draw to purchase a white-tailed deer licence.
- ❖ Licences are not mailed to successful applicants. All successful applicants are required to purchase their licence(s) online through their HAL account, at a Ministry of Environment or select provincial park office, private licence issuer, or by phone at 1-855-848-4773. Licences will be available to purchase beginning August 1.
- ❖ The draw places applications in two priority pools: the first pool consists of hunters who are sponsored by a family member who is a resident of Saskatchewan (grandmother, grandfather, mother, father, brother, sister, child, spouse or common law spouse), the second pool will contain all other applicants. If you are applying with a family sponsor, you must provide your relationship to the sponsor and the sponsor’s HAL ID and date of birth.
 - All sponsors must have a HAL account and must be verified as a Saskatchewan resident. The HAL number and date of birth is required for all sponsors.

Canadian Resident White-tailed Deer Draw – Application Guide

Current to: April 22, 2020

- If you include sponsors on your application, you must declare that you have the consent of each sponsor to include them on your application.
 - Each applicant on a family-sponsored application must provide a sponsor (i.e. each applicant must have an immediate family member in Saskatchewan). More than one applicant may include the same sponsor as long as the sponsor is an immediate family member for each applicant, and each applicant has received their consent.
 - If it is found that a sponsor has been included without their consent, a sponsor is not an immediate family member, or a sponsor is not a resident of Saskatchewan, the application will be excluded from the draw, or, if the draw has already occurred, any subsequent licences will be cancelled. Falsifying information on an application is also an offence under *The Wildlife Regulations*.
-
- ❖ It is the responsibility of each applicant to ensure that all information included on an application is correct and accurate. Please review information on available hunts, season dates, tentative quotas and proper hunt designations in the current *Canadian Resident White-tailed Deer Draw Supplement*.
 - ❖ If submitting a Canadian resident white-tailed deer draw application as a group (maximum of four per application), ensure that consent has been granted by all members. If entrusted with the personal information of others, please treat with respect.
 - ❖ **Changes to applications can only be made until the application deadline of midnight May 25.** A change to an application can be made by accessing your application through the **Draw Orders** section of your HAL web account. However, only the person who submits the application can make a change to an application. Other group members cannot make changes but are able to view the application through their HAL account.
 - ❖ All applicants who apply for the Canadian Resident White-tailed Deer Draw must comply with **The Firearm Safety/Hunter Education Regulations**. Be aware that there are separate federal firearm licence requirements. A federal Possession and Acquisition Licence (PAL) does not exempt a person born after January 1, 1971 from being required to have completed a firearm safety/hunter education course. If it is found that an application includes a member who does not comply, it will be excluded from the draw.
 - ❖ Hunters who are suspended from hunting and trapping are not eligible to apply for the draw.
 - ❖ Each hunter is permitted to submit one application only. If more than one application is submitted, all applications for that hunter will be excluded from the draw (including all members on the applications).
 - ❖ All applicants must meet the requirements of a Canadian resident at the time of application. If an application includes a member who does not qualify as a Canadian resident, it will be excluded from the draw.

- ❖ Applications are reviewed after they are submitted. Any applications containing false or misleading information will be excluded from the draw. Ensure that all information entered onto your application(s) is accurate.
- ❖ Any email address provided may be used to send important notifications regarding seasons and regulations.
- ❖ It is the responsibility of the applicant to check whether their application has been drawn. Each member of an application can check their draw result by going to the [Draw Orders](#) section of their web account. Draw results will be available by mid-June.
- ❖ Make sure all members of your application have reviewed the application prior to the deadline. Changes to applications cannot be made after the deadline and all draw results are final.
- ❖ A valid Visa or MasterCard is required. There is a \$6.00 non-refundable application fee for each application.
- ❖ The deadline to apply is midnight, May 25. No applications will be accepted after the deadline with no exceptions.

Step 1 – Make sure you have an account in the Saskatchewan Hunting, Angling and Trapping Licence (HAL) system.

Before you can apply for the Canadian Resident White-tailed Deer Draw, you must ensure that you have HAL number. Your HAL number (9-digit assigned number) is permanent and can be used to purchase and apply for all future Saskatchewan hunting and angling licences. If you have previously purchased Saskatchewan hunting or angling licence or applied for the Canadian resident white-tailed deer draw since 2013, you already have an existing HAL number. If you do not remember your HAL number and cannot access your account online, call 1-855-848-4773 for assistance. Do not create another account. Your HAL number also appears on all previously printed licences that were purchased through the automated licence system. If you do not have an existing HAL number and need to have an account created, please review the document for how to create an account, available from the Government of Saskatchewan website.

If you are applying with a sponsor, make sure your sponsor has a HAL number. Your sponsor's HAL number and date of birth must be entered on the application. Also, make sure that you have their consent to be included on your application.

Step 2 – Read all the updated information on the Canadian Resident White-tailed Deer Draw including changes for available hunts, season dates and quotas.

Visit the licensing website at saskatchewanlicence.active.com and click on the **Big Game Draw** page. Make sure that you read the **Canadian Resident White-tailed Deer Draw Supplement** for information about the draw, including available hunts (Wildlife Management Zones, WMZs or “zones”), season dates and quotas. You should also view the Wildlife Management Zone map to familiarize yourself with WMZ boundaries and assist you with selecting hunt choices on your application.

Further information is available to help you select hunt choices that provide the best chance to be drawn. You may wish to review draw results from previous years, as well as results of the hunter harvest survey. Also keep in mind that some zones have a high prevalence rate of Chronic Wasting Disease (CWD). If this is an important consideration for you in selecting hunt choices, review information on CWD in Saskatchewan before applying.

Step 3 – Sign into your HAL account and select the draw application.

You can sign into your HAL account by visiting the big game draw page at saskatchewanlicences.active.com. Instructions on how to access or create your HAL account are also available from the [Government of Saskatchewan website](#).

Big Game Draw Terms and Conditions

Please read and accept the following terms and conditions before applying for or modifying any big game draw applications.

ELIGIBILITY REQUIREMENTS

- Applicants must be Canadian residents at the time of application. Hunters who qualify as a Saskatchewan resident are not required to participate in a draw to purchase a white-tailed deer licence.
- A Canadian resident is a Canadian citizen or person who has had their principal residence in Canada for the 12 month period immediately prior to applying.
- Each applicant must comply with [The Firearm Safety/Hunter Education Regulations](#). Note that there are separate federal firearm requirements. A federal Possession and Acquisition Licence (PAL) does not exempt a person born after January 1, 1971 from requiring completion of firearm safety/hunter education course, prior to applying.
- Hunters who are suspended from hunting and trapping may not submit big game draw applications, including zone 99 applications. All applications with a suspended group member will be rejected.
- Applicants must be at least 12 years of age at the time of application. Only persons 12 to 15 years of age may apply for the youth draw.
- All applications are reviewed prior to the draw. Applications containing false or misleading information will be rejected and excluded from the draw. Ensure that all information entered onto the application is accurate.

IMPORTANT REMINDERS

- The deadline to apply is midnight, May 25.
- The HAL ID and date of birth must be entered for each group member of the application, including all family sponsors.
- It is the responsibility of each applicant to ensure that all provided information is correct and accurate.
- If submitting an application as a group (maximum of four), ensure that consent has been granted by all members. If entrusted with the personal information of others, please treat with respect.
- Licences will not be mailed to successful applicants. All applicants are responsible for looking up their draw result. For successfully drawn applications, each group member is responsible for purchasing their awarded licence through the automated licensing system (HAL).
- Each hunter may submit one application only. If a person submits more than one application, all of his or her applications will be rejected, including all group members.
- A valid Visa or MasterCard is required. There is a \$6.00 application non-refundable application fee for each application.
- Any email addresses included on group member's HAL accounts may be used to send important notifications regarding seasons and regulations, and for the purposes of surveying hunters on hunting activity and harvest.

DRAW RULES

- The draw will place applications in two priority pools; the first priority pool consists of hunters who are sponsored by an immediate family member who is a resident of Saskatchewan (grandmother, grandfather, mother, father, brother, sister, child, spouse or common law spouse), the second priority pool contains all other hunters.
- If you include family sponsors on your application, you must declare that you have the consent of each family sponsor to be included on the application.
- All family sponsors must have a HAL account and must be verified as a Saskatchewan resident. The HAL ID and date of birth is required for all sponsors.
- Each applicant on a family-sponsored application must provide a sponsor (i.e. each group member must have an immediate family member residing in Saskatchewan). More than one applicant may include the same sponsor provided that the sponsor is an immediate family member of each applicant, and each applicant has received their consent.
- If it is found that a sponsor has been included without their consent, a sponsor is not an immediate family member, or a sponsor is not a resident of Saskatchewan, the application will be excluded from the draw, or, if the draw has already occurred, any subsequent licences will be cancelled.

TIPS

- Make sure you review the [2017 Canadian Resident White-tailed Deer Draw Supplement](#) prior to applying. The supplement contains important information including new changes. Do not assume that available hunts, quotas, season dates and bag limits are the same as last year.
- Always double check your application(s) prior to the May 25 deadline; changes to your application cannot be made once the deadline has passed. You may review your application details by visiting My Account at any time. The group leader (person who submits the application) may also make changes to the application prior to the deadline.
- Visit the [big game draw page](#) for additional information to assist you with selecting hunt choices, such as previous years draw and hunter harvest survey results.

By clicking on 'Accept and Proceed' you accept the above Terms and Conditions on behalf of yourself and all group members added to your application(s) for all big game draw applications submitted.

Once you click on **Accept and Proceed** you are agreeing to comply with these terms and conditions.

Step 5 – Select your hunt choices (Wildlife Management Zones).

You may select anywhere from one to six hunt choices. During the draw, preference will be given to your selections in the order specified (i.e. 1st choice has preference over 2nd choice, 2nd choice has preference over 3rd choice, and so on). You cannot select the same hunt more than once. Make sure you are aware of the zone boundaries, and you have selected the correct hunt(s) before proceeding. You may apply for the family first priority pool if you have an immediate family member who is a permanent resident of Saskatchewan and has given you consent to include them on your application. Eligible family members include grandmother, grandfather, grandchild, mother, father, brother, sister, child, spouse or common law spouse.

Be aware that if you include a family sponsor on your application without their consent, your application will be rejected from the draw, or, if the draw has already occurred and you are drawn, your licence will be voided. Falsifying information on an application is also an offence under *The Wildlife Regulations*.

You will be required to provide your sponsor's HAL number, date of birth, as well as your relationship to your sponsor.

Your group must have a minimum of 1 member and not exceed 4 (including you).

☒ I would like to apply with a sponsor.
If selecting this option, each member on the application must have an immediate family member who is a resident of Saskatchewan, and must provide their sponsor's HAL ID (sponsor must have a HAL account to be included on an application), date of birth and their relationship to their sponsor. Immediate family members who qualify as a sponsor include: father, mother, grandmother, grandfather, brother, sister, child, spouse or common-law spouse. More than one member can include the same sponsor, but each member must be related to their sponsor as specified. By checking this box you are attesting that you have consent from all sponsors to be included on this application.

☐ I do not have or would like to apply without a sponsor.
If any member included on your application does not have an immediate family member residing in Saskatchewan who has consented to being included on this application, you must select this option.

If you wish, add up to three additional group members to your application by entering in the HAL number and date of birth for each member. Each member must have a family sponsor that is an immediate family member residing in Saskatchewan. More than one person can use the same family sponsor, but only if that sponsor is an immediate family member for each group member using that sponsor.

Canadian Resident White-tailed Deer Draw – Application Guide

Current to: April 22, 2020

Remember, if an application is selected in the draw, all applicants on the application will get a licence. Submitting a group application (maximum of 4) ensures that all members of a hunting party, up to a maximum of four, share the same draw result (i.e. all drawn or all not drawn).

Once you have entered all information for your group members, click the checkbox indicating that you have received consent from each group member and sponsor to be included on the application; click [Submit](#). If you have applied with sponsors, each sponsor must be validated as a Saskatchewan resident.

If you have made an error or one of the group members or sponsors cannot be identified in the system, an error message will be displayed. To remove a group member, click [Remove](#) at the right side of the page.

After you submit your application, members may be added or removed from your application until midnight, May 25 by accessing your application through the [My Account](#) section of your HAL web account.

The screenshot shows the 'Purchase Licence' page. On the left, there are tabs for 'Angling', 'Hunting', and 'Convenience Packs'. The 'Hunting' tab is selected. Under 'Annual' licences, there are two options: '109 - Resident Canadian' for \$58.87 and '104 - Lac la Ronge Endorsement' for \$0.00. Under '3-Day Licences', there is one option: '110 - Resident Canadian for Southern and Central Zone only (three-day)' for \$29.44. Under '1-Day Licences', there is one option: '112 - Resident Canadian for Southern Zone and Central Zone only (one-day)' for \$15.00. A red arrow points to the 'Go to Cart' button at the bottom right.

If you require a change to your application such as changing a zone choice or adding or removing a group member, click [Edit Application](#). Once in the shopping cart, **do not click the back button on your internet browser to return to previous pages.**

The screenshot shows the 'Shopping Cart' page. It has a table with two columns: 'Lotteries In your Shopping Cart' and 'Price/Fees'. The first row shows '7 - Draw Canadian White Tailed Deer' with a price of '\$6.00'. The 'Lotteries In your Shopping Cart' column contains details about the application, including 'Licence Year: 2017', 'Application Pool Status: Non Sponsored', '1st Choice: Hunt Code: FLC', 'Fort a la Corne Wildlife Management Unit', 'Species: White-tailed Deer- Either-sex', '2nd Choice: Hunt Code: 3', 'Wildlife Management Zone 3', 'Species: White-tailed Deer- Either-sex', '3rd Choice: Hunt Code: 4', 'Wildlife Management Zone 4', 'Species: White-tailed Deer- Either-sex', and a 'Remove' button. The 'Price/Fees' column shows '\$6.00'. To the right of the table, there is an 'Order Summary' box with 'Subtotal \$6.00' and 'Total \$6.00'. A red arrow points to the 'Edit Application' link in the 'Lotteries In your Shopping Cart' column.

Step 10 – Your application is complete! Make sure you review your application before the deadline to verify the information is correct. Your application cannot be changed after the deadline.

Your application has now been submitted. At this point, a confirmation email is also sent to the group leader, if a valid email address is provided. The email is sent to the email address provided on your HAL account. Please note that if a typing error was made with your email address, the email may not be successfully delivered.

You can review your application any time by signing in to your HAL account and reviewing it on the [Draw Applications](#) page of the [My Account](#) menu.

Your application can be edited until the application deadline of May 25. Changes that can be made to an application include adding or removing hunt selections, changing the preference order of your hunt selections, adding or removing group members and changing or adding sponsors. If you apply as a group, **only the person**

who submitted the application can make edits, but all group members can view the application through their respective accounts.

The screenshot shows the Saskatchewan Government website interface. The top navigation bar includes links for MY ACCOUNT, PURCHASE A LICENCE, RESIDENCY VERIFICATION, ISSUERS, KEY DATES, and FAQ. The 'My Account' section on the left has a sidebar with links: Account Summary, Orders, View All (1), Draws (1) (highlighted with a red arrow), Pool Status, Licences, Hunter Harvest Surveys, Update Profile, Update Password, and Sign Out. The 'Orders - Draws' section on the right shows a 'Draw Canadian White Tailed Deer' with an 'Entered' status. It includes details like Application Date (Apr 25, 2017), Price (\$6.00), Application # (17-76262), and Application Pool Status (Non Sponsored). There are buttons for 'Hide Entered Draws' and 'Modify Application' (highlighted with a red arrow). A text box states: 'The group leader of the application can make changes to the application until the May 25 deadline.' Below this, the 'Group Leader' and 'Group Member' information is displayed, including names, dates of birth, and pool status.

Step 11 – Draw results will be posted and will be available through your online HAL Account.

Once the draw has been conducted, a notice will be posted on the website and the results will be available online through your HAL account. Results will be available in mid-June. All applicants are responsible for checking their draw result. You can check your draw result by visiting the [Draw Orders](#) page of [My Account](#) in your HAL account. Applicants will also receive an email notification of the result of their application in the draw, but only if they have submitted a valid email address with their HAL account. If you are successful in the draw, you may purchase your licence after August 1.

If you require assistance with accessing your account, or you do not have internet access, you can visit a Ministry of Environment office or call 1-855-848-4773.

The screenshot shows the 'My Account' page of the Saskatchewan Government website. The 'Orders - Draws' section is active, displaying details for a 'Draw Canadian White Tailed Deer'. The application status is 'Entered', which is highlighted by a red arrow and a text box stating 'The status of your application is displayed here.' The application details include: Application Date: Apr 25, 2017; Price: \$6.00; Application #: 17-76262; Application Pool Status: Non Sponsored. Below this, the '1st Choice' through '3rd Choice' are listed with their respective codes, species, and date periods. The 'Group Members' section lists the Group Leader (Eugene Urchin) and a Group Member (Clayton Swiffer), both with their HAL IDs, dates of birth, and pool status.

Step 12 – If drawn, purchase your Canadian resident white-tailed deer licence through the Saskatchewan automated Hunting, Angling and Trapping Licence (HAL) system.

If you are successfully drawn, you will need to purchase your licence through one of the following methods:

- *online through your personal HAL account;
- through a private issuer, Ministry of Environment or select provincial park office; or
- by phone at 1-888-848-4773 (8 a.m. to 9 p.m. CST).

***Note** - Seals/tags must be obtained from a private issuer, Ministry of Environment office, select provincial park office, or by ordering online or by phone (allow up to 10 business days for mail delivery) prior to purchasing a

Canadian Resident White-tailed Deer Draw – Application Guide

Current to: April 22, 2020

licence from home. Convenience packs can be acquired in advance at no charge anytime, and blank seals not yet used to purchase a licence do not expire. You will be required to enter your seal number to complete the purchase. If you do not already have seals, you may still order your licence online but will need to wait for your licence, including the seals to be delivered by mail.

Licences purchased at a private issuer, Ministry of Environment office or provincial park office, or ordered online or by phone, will come with both the printed licence and the associated seals. Licences purchased online will require the hunter to provide the seal number while purchasing and printing the licence. Remember to fill out your seals with the licence number and species.

If purchasing your licence(s) through your HAL account, there are two ways to add your licence(s) to your shopping cart. You can either select [Purchase a Licence](#) from the options at the top of the page or visit the [Draw Orders](#) page of the [My Account](#) menu.

Important information

- All Canadian resident white-tailed deer draw applications must be submitted through HAL, the online application.
- The application will be open Friday, May 1, until midnight, May 25.
- Changes to applications cannot be made past 11:59 p.m. on May 25.
- It is the applicant's responsibility to check whether their application has been drawn. Each member of an application can check their draw result by going to the [Draw Orders](#) section of their HAL account. Draw results will be available by mid-June.
- If successfully drawn, your licence will not be automatically mailed to you. Your licence will be made available for you to purchase through HAL starting August 1.
- Applicants are encouraged to read the current *Canadian Resident White-tailed Deer Draw Supplement* available from the website by May 1.
- Make sure you have reviewed the Wildlife Management Zone map.
- Further information is available on the website including answers to common questions about the Canadian resident white-tailed deer draw and results from previous year's draws.
