Consent for Disclosure of Information

I consent to the following:

- That the information provided in this application is to be used for the following purposes:
 - Preventing, preparing for, responding to and recovering from federally and provincially notifiable animal diseases, diseases of significance to animal or public health, natural disaster emergencies and other disasters; and
 - Verifying the accuracy of information held in the Saskatchewan PID program.
- The information will be used and disclosed by the ministry for the purposes described above, or as required by law, or when specifically authorized by the owner of the information. This includes but is not limited to *The Freedom of Information and Protection of Privacy Act*. The owner of information is defined as the producer or other business such as feedlot, abattoir, vet clinic, etc. who provided the information to the Saskatchewan PID program.
- The agencies with which the information will be shared includes, but is not limited to, the Canadian Food Inspection Agency, the Canadian Cattle Identification Agency, the Chief Veterinary Officer of Canada, Provincial Chief Veterinary Officers across Canada, and Saskatchewan Emergency Management and Fire Safety.

Statement of Certification

I agree that:

- The information provided on this application form is complete and accurate;
- The information will be used for the Saskatchewan PID program; and
- I will provide the necessary updates to ensure that the information related to the premises in this application form is complete and correct.
