SECTION 4: BASE YEAR EMPLOYMENT LEVEL

A corporation's base year employment level is its 2014 employment level as of the **corporate year end**. For corporations without a 2014 tax year, the base year employment level is deemed to be zero. An employee may be claimed under only one incentive in any claim year. Eligible employees are full-time employees who are not business owners or related to the business owner, seasonal, temporary, or independently contracted employees.

Is your corporation a part of a group of associated corporations deeming employees of an associated corporation to be employees of an eligible corporation.

Yes, complete **Part B** No, complete **Part A**

Part A – Calculation of Base Year Employment Level	
	Base Year Employment Level
Hiring Incentive	_____
Head Office Incentive	_____
In-Eligible Employees	_____
Total Employees	_____

Part B – Calculation of Base Year Employment Level Including Deemed Employees

Deeming of Eligible Employees Worksheet

- Use this worksheet if you are part of a group of associated corporations requesting that certain employees of an associated corporation/s be deemed to be employees of an eligible corporation/s.
- The deeming of employees from associated corporations is a choice to be made by the corporate group. An eligible corporation could choose to file based on its own employment levels without reference to its associated corporations.
- Each eligible corporation should file a completed copy of this schedule with their Certificate of Eligibility application.
- **See Information Bulletin MP-3 Saskatchewan Manufacturing and Processing Exporter Tax Incentive** for complete program details.
- **Part A** – To ensure employees are not being transferred from one corporation to another, the total employment of all associated corporation must have at least a proportionate incremental increase in employment level in order for the deemed employees to qualify. Intercompany transfers will not qualify if they have not created net new Saskatchewan-based jobs. Attach additional schedules as needed if there are more than five associated corporations in your corporate group.
- **Part B** – For deemed employees to qualify for the hiring incentive, they must meet the definition of the hiring incentive employment level and be either permanently or normally assigned to work for the eligible corporation or are eligible head office employees that do not qualify for the head office incentive because of failure to meet the growth test. Complete separate forms if there are more than two associated corporations that you are electing to deem employees from.
- **Part C** – For deemed employees to qualify for the head office incentive, they must meet the definition of the head office incentive employment level and be either permanently or normally assigned to work for the eligible corporation or are directly supporting the eligible corporation. All eligible head office employees of a corporate group are to be deemed to **a single eligible corporation for the duration of the five year program period.**
- **Please ensure the following information is submitted with your worksheet:**
 - **A copy of the T4 Salaries and Wages Summary as submitted to CRA for each corporation in the group of associated corporations;**
 - **A copy of the corporation’s T2 Corporation Income Tax return Schedule 9, Related and Associated Corporations.**

PART A: Group Employment Level
