## CHAPTER F-15.11 REG 1

### *The Fire Safety Act*

#### Title

- 1 These regulations may be cited as *The Fire Safety Regulations*.

#### Interpretation

- 2(1) In these regulations:

- (a) **“Act”** means *The Fire Safety Act*;
  - (b) **“Code”** means the edition of The National Fire Code of Canada, with the amendments set out in Appendix A, that is in force as set out pursuant to section 3.
- (2) Subject to the Act and these regulations, a word, symbol or abbreviation defined or used in the Code has the same meaning if used in these regulations.
- (3) For the purpose of applying the Code for the purposes of these regulations, a reference in the Code to the **“authority having jurisdiction”** is to be interpreted as a reference to any of the following, as the case may be:
- (a) the fire commissioner;
  - (b) a provincial inspector;
  - (c) a local assistant.
- (4) For the purposes of the Act and the Code, **“automatic sprinkler system”** means a system made up of a water supply and all necessary pumps, valves, pipes and heat actuated devices that is installed in all parts of a building and arranged to automatically distribute water on a fire in sufficient quantities to extinguish the fire or control its spread.
- (5) For the purpose of applying the Code for the purposes of these regulations, a reference in the Code to the National Building Code of Canada is to be interpreted as a reference to the National Building Code of Canada, including errata, revisions, modifications and variations, declared to be in force from time to time pursuant to regulations made pursuant to *The Uniform Building and Accessibility Standards Act*.
- (6) For the purposes of the Act, **“hazardous materials”** includes dangerous goods as defined in the Code.
- (7) For the purposes of the definition of “private dwelling” in the Act:
- (a) **“used as a private dwelling”** does not include abandoned or derelict premises that may be or have been used as private dwellings;
  - (b) **“foster care homes”** means foster homes as defined in *The Child and Family Services Regulations*; and
  - (c) **“alternative family care homes”** means alternative family care homes as defined in the Appendix to *The Uniform Building and Accessibility Standards Regulations*.

**National Fire Code**

3(1) The following editions of The National Fire Code of Canada, issued by the Canadian Commission on Building and Fire Codes of the National Research Council of Canada, as amended from time to time, including any appendices, revisions and errata are adopted and declared to be in force, subject to the amendments set out in Appendix A:

- (a) The National Fire Code of Canada, 2015;
  - (b) any subsequent edition of The National Fire Code of Canada.
- (2) For the purposes of clause (1)(b):
- (a) a subsequent edition of the Code is deemed to be adopted on the date that is one year after the date of its being issued; and
  - (b) subject to the other provisions of these regulations, any previous edition of the Code does not apply to any activity, service or matter regulated by the Act undertaken on or after the date mentioned in clause (a).
- (3) Subject to subsection (3), no person shall fail to comply with the edition of the Code that is in force at the time the activity, service or matter regulated by the Act is undertaken.
- (4) These regulations are not to be interpreted as conflicting with a provision of any regulation made pursuant to any Act or with a provision of any municipal bylaw, made before the coming into force of these regulations, that permits a provision of the Code not to be complied with before a specified date.
- (5) With respect to the editions of the Code that are adopted pursuant to this section, the minister shall cause information respecting the editions of the Code that are in force, the periods for which they are in force and where those editions may be accessed:
- (a) to be posted on the website of the ministry; and
  - (b) to be made public in any other manner that the minister considers appropriate.

15 Dec 2017 SR 129/2017 s40.

**Plan review**

4 The fire commissioner may require any person who wishes to construct, to make alterations to or to convert any existing land or premises to submit the final plans or working drawings to the fire commissioner to be reviewed for compliance with the Code before commencing work on the construction, alteration or conversion of any existing land or premises.

6 Nov 2015 cF-15.11 Reg 1 s4.

**Fee**

**5** For the purposes of subsection 52(1) of the Act, every corporation mentioned in that subsection shall pay an annual fee that is equal to 1% of its premium receipts and assessments for the previous year, including premiums covering fire risks only on automobiles, less returned premiums and cancellations, based on the premium income it reported to the Superintendent of Insurance for that year pursuant to *The Saskatchewan Insurance Act*.

6 Nov 2015 cF-15.11 Reg 1 s5.

**Insurance Corporation Fire Incident Report Form**

**6** A fire insurance corporation that is licensed pursuant to *The Saskatchewan Insurance Act* or a fire insurance adjuster shall provide the statements required pursuant to subsections 27(1) and (2) of the Act in Form A of Appendix B.

6 Nov 2015 cF-15.11 Reg 1 s6.

**Reporting to the fire commissioner on an emergency**

**7** For the purposes of subsection 24(3) of the Act, a fire chief of a fire department or an owner of a fire brigade shall report to the fire commissioner on every emergency other than a fire that the fire department or fire brigade responded to:

- (a) as soon as is practicable after responding to the emergency; and
- (b) in the form and manner determined by the fire commissioner.

6 Nov 2015 cF-15.11 Reg 1 s7.

**F-15.001 Reg 2 repealed**

**8** *The Fire Insurance Fees and Reporting Regulations* are repealed.

6 Nov 2015 cF-15.11 Reg 1 s8.

**F-15.001 Reg 1 repealed**

**9** *The Saskatchewan Fire Code Regulations* are repealed.

6 Nov 2015 cF-15.11 Reg 1 s9.

**Coming into force**

**10(1)** Subject to subsection (2), these regulations come into force on the day on which *The Fire Safety Act* comes into force.

(2) If *The Fire Safety Act* comes into force before the day on which these regulations are filed with the Registrar of Regulations, these regulations come into force on the day on which they are filed with the Registrar of Regulations.

6 Nov 2015 cF-15.11 Reg 1 s10.

## Appendix A

### Amendments to The National Fire Code of Canada 2015

[Subsection 3(1)]

1 The National Fire Code of Canada 2015 is amended in the manner set forth in this Appendix.

2 Article 1.4.1.2. of Division A is amended:

(a) by adding the following definition after the definition of *Air-supported structure*:

*“Alternative family care home means a dwelling unit used as a single housekeeping unit where care is provided to the residents,*

- that provides sleeping accommodation for not more than 10 occupants, and
- that is in a *building* where:
  - the occupancy of the building is either *residential occupancy* or *care occupancy*, and
  - there is not more than one other *dwelling unit*;

(See Note A-1.4.1.2.(1) of Division A, Part 1 of the National Building Code of Canada 2015”); and

(b) by repealing the definition of “*Building*” and substituting the following:

*“Building means a structure used or intended for supporting or sheltering any use or occupancy, and includes an addition built to an existing structure and, where applicable, the land adjoining a structure”;* and

(c) by adding the following definition after the definition of *Business and personal services occupancy*:

*“Capable of self-preservation means that a person is capable of recognizing and responding to an emergency given his or her physical, cognitive and behavioural abilities, and is able to arise and walk, or transfer from a bed or chair to a means of mobility, and leave the building or move to a safe location on his or her own without the assistance of another person”.*

3 Sentence 1.3.1.1.(1) of Division B is repealed and the following is substituted:

**“1.3.1.1. Effective Date**

1) Except as provided in Sentences (2), (3) and (4) or otherwise in this Code, the documents referenced in this Code shall include all amendments, revisions, reaffirmations, reapprovals, addenda and supplements effective to 30 June 2014.

2) All references to CSA B149.1-10 ‘Natural Gas and Propane Installation Code’ will be a reference to the latest edition adopted pursuant to *The Gas Inspection Regulations*.

3) All references to CSA B108-14 ‘Compressed Natural Gas Fuelling Station Installation Code’ will be a reference to the latest edition adopted pursuant to *The Gas Inspection Regulations*.

- 4) All references to CSA B149.2-10 'Natural Gas and Propane Installation Code' will be a reference to the latest edition adopted pursuant to *The Gas Inspection Regulations*."
- 5) All references to CSA C22.1-12 'Canadian Electrical Code, Part 1' will be a reference to the latest edition adopted pursuant to *The Electrical Inspection Regulations*".
- 4 Clause 2.8.3.2.(1)(a) of Division B is repealed and the following substituted:
- "a) in day-care centres, *alternative family care homes* and in Group B *major occupancies*, such drills shall be held at intervals not greater than one month".
- 5 Sentence 4.2.4.1.(1) of Division B is repealed and the following substituted:
- "1) This Subsection shall apply to the storage and handling of *flammable liquids* and *combustible liquids* in *buildings* classified as *assembly* or *residential occupancies*, including *alternative family care homes*, except that it shall not apply to nonresidential schools, universities or colleges covered in Subsection 4.2.6".
- 6 Sentence 4.2.4.5.(1) of Division B is repealed and the following substituted:
- "1) Not more than 30L of *flammable liquids* and *combustible liquids*, of which not more than 10L shall be Class I liquids, are permitted to be stored in each dwelling unit or *alternative family care home*.
- (See Sentence 4.1.1.1.(3) for oil-burning *appliances*".
- 7 Subclause 5.5.5.1.(1)(b)(ii) of Division B is repealed and the following substituted:
- "ii) *alternative family care homes* and Group B *major occupancies*, the quantities of *flammable liquids* and *combustible liquids* permitted in Sentence 4.2.6.3.(1).
- (See Note A-5.5.5.1.(1).)".
