* a letter from the university is required to verify that the teacher is one-year (30 semester hours) away from completion of a 4-year degree.

Class 5

A teacher who has completed at least 150 semester hours of recognized post-secondary education qualifies for Class 5 if they hold:

- a Professional A Teacher's Certificate; a Bachelor of Education degree or a degree recognized as equivalent to a Bachelor of Education degree, and a second bachelor's degree; or,

- a Professional A Teacher's Certificate; and an approved 4-year bachelor's degree other than a Bachelor of Education degree (in other words, the teacher has a 4-year degree and has completed an additional 48 semester hours of teacher education beyond the degree); or,

- a Vocational or Technical Teacher's Certificate; and a Bachelor of Education degree or a degree recognized as equivalent to a Bachelor of Education degree.

NOTES:

- 1) It is very important to count the semester hours, course by course. Do not rely upon the credit total at the bottom of the transcript. Often times the total is a grade point total and will not include credit for courses that were not awarded a numeric grades (such as "Pass" as is often the case with the practicum).
- 2) Make sure to count the semester hours in the Master's program as there is considerable variance among programs as to the number of credits required.

Class 6

A teacher who has completed at least 180 semester hours of recognized post-secondary education qualifies for Class 6 if they hold:

- a Professional A Teacher's Certificate; a Bachelor of Education degree, a second bachelor's degree; and one-year (30 semester hours) of graduate study; or,
- a Professional A Teacher's Certificate; a Bachelor of Education degree, and two years (60 semester hours) of graduate study; or,
- a Professional A Teacher's Certificate; an Honours Degree, and a Bachelor of Education degree; or,
- a Professional A Teacher's Certificate; an approved bachelor's degree other than a Bachelor of Education degree, and a Master of Education degree; or,
- a Professional A Teacher's Certificate; a Bachelor of Education Degree, an Additional Qualification Certificate, and one-year of graduate study; or,
- a Vocational or Technical Teacher's Certificate, a Bachelor of Education degree, and one-year of graduate study.

NOTES:

- 1) A teacher must hold either a Bachelor of Education (or equivalent) or a Master of Education (or equivalent) in order to qualify for Class 6.
- 2) Some universities use a credit system different from the Saskatchewan semester credit hour system. In many cases it is a 1 and 0.5 system – in such cases a 1 = 6 credits and 0.5 = 3 credits.
