

Saskatchewan Fish and Wildlife Development Fund Final Report Form

A. Information/Background

Successful recipients of Fish and Wildlife Development Fund (FWDF) funding are **required to complete the following 'Final Report Form' in order to receive the final 15% of the funding.** The Final Report Form is **due by February 15** of the year following application approval, unless the applicant is seeking additional funding. Applicants **seeking additional funding for the same project** must have the Final Report Form **submitted by February 15** of the year following application approval. The Final Report Form is **required to be eligible for future funding.**

Please submit your digital application to dushantha.pathiranage@gov.sk.ca.

Please be advised that it is the **expectation** that copies of **all published papers and reports related to this work be provided** to the FWDF.

For more information, please contact Dushantha Pathiranage at 306-260-1579.
