Pipeline Notification Form Labelling:

Please, label the Pipeline Notification Form before submitting it to ECON following the ECON Labelling System, see below:

Labelling for Industry Generated Pipeline Dates as they relate to submitted Applications and their associated Approvals

*** Note - All spaces are intentional and important for continuity ***

FORMAT: PL-#####-XX-NNN-SSS-Month ##, ####

(#####) = Pipeline Licence Number

eg: 12345

(XX) = Event Number - **For Chronology**

The Event Number will be the event number that is used in the labelling of the approval document sent to industry by ECON. For instance, industry receives a pipeline licence approval labelled as "PL-01234-01-NEW-A-January 1, 2000", the event number for construction notification would be "01"
e.g.: 01 (This should correspond to the event number for this application)

(NNN) = Event Abbreviations for Industry Notices

NEW	=	New Licence Application
LTO	=	Leave to Open
AMD	=	Amendment
DIS	=	Discontinuation
ABD	=	Abandonment

(SSS) = Type of Notice for Pipeline Notification Form

CNN	=	Construction Notice
PTN	=	Pressure Test Notice
DSN	=	Discontinuation Notice
ABN	=	Abandonment Notice

Month ##, ####

The Dates are to be the dates of the WORK not the date of the notification

Do not abbreviate the month

e.g. January 21, 2012

March 16, 2004

May 4, 2002

July 30, 2009

September 23, 2013

November 10, 1999
