

**List of
Archaeological & Palaeontological
Consultants**

Saskatchewan Ministry of Parks, Culture and Sport
Heritage Conservation Branch
2nd floor, 3211 Albert Street
REGINA SK S4S 5W6

October 2023

The following heritage resource consultants offer various palaeontological and archaeological conservation, planning and research services in Saskatchewan, including heritage resource impact assessments (HRIAs) and mitigation studies.

The Heritage Conservation Branch makes no recommendation with respect to this listing and does not intend to imply by it that these are the only firms available to provide these services in Saskatchewan. The list is organized alphabetically and developers are free to select their consultants of choice. The companies on this list generally are able to hold permits. However, clients are advised to ensure that any prospective consultant is able to meet the specific study requirements of the project and can obtain the appropriate investigation permit (per s.67 of *The Heritage Property Act*) where required.

The list of consultants is periodically updated. The listing is provided for information purposes only and the Heritage Conservation Branch is not responsible for any errors or omissions. The Government of Saskatchewan assumes no responsibility or liability for the acts or omissions of any person or firm contained herein.
