<b>Mental Health Services – Other</b> (including Group Programs, and Long-term Residential).....	<b>16</b>
<b>Additional Information and Resources.....</b>	<b>17</b>

# General Information

With the transition to a single health authority, boundaries for health care services have been broken down and residents are welcome to seek services closest to their home community.

The following directory is organized by service, then alphabetically by community.

Note: Outpatient Services and detoxification are available through self-referral. Inpatient services require referral by an outpatient addictions or outpatient mental health councillor.

For more information on Addictions Services, visit:

<http://www.saskatchewan.ca/residents/health/accessing-health-care-services/mental-health-and-addictions-support-services/alcohol-and-drug-support/alcohol-and-drug-services>
