SASKATCHEWAN REGULATION 257/70

UNDER THE PUBLIC HEALTH ACT

(O.C. 1462/70)

(Filed October 7, 1970.)

Regina, October 6, 1970. Approved and Ordered. Lieutenant Governor. The Executive Council has had under consideration a report from the Minister of Public Health, dated September 9, 1970, stating that it is provided by clause (i) of subsection (1) of Section 72 of The Public Health Act that:

"72.—(1) Subject to the approval of the Lieutenant Governor in Council, the minister may make rules, orders and regulations which he deems necessary for the protection or in the interests of the public health and the relief of destitution, and, without prejudice to the foregoing general power, for all or any of the following purposes:

(i) the location of cemeteries, making provision for a portion of the ground for the burial of unclaimed bodies and the bodies of indigents, the safe and speedy interment of the dead and disinterment of the dead, the conduct of funerals, and the transportation of dead bodies;"

The Minister further states that it is deemed expedient that the regulations in the schedule hereto attached marked "Schedule A" be approved.

Upon consideration of the foregoing report and on the recommendation of the Minister of Public Health, the Executive Council advises that pursuant to the provisions of clause (i), subsection (1) of Section 72 of The Public Health Act, His Honour's Order do issue approving on, from and after the 15th day of October, 1970;

(a) the regulations in the schedule hereto attached marked "Schedule A" governing the safe and speedy interment of the dead and disinterment of the dead, the conduct of funerals and the transportation of dead bodies; and

(b) the repeal of the regulations approved by Order in Council 2385/55 dated November 15, 1955, as amended.

M. A. DE ROSENROLL,
Clerk of the Executive Council.

"SCHEDULE A"

1. In these regulations "hermetically sealed" means closed in such a way as to prevent the escape of gaseous and liquid substances.

2.—(1) All burials shall be made within a reasonable time after death and without unnecessary delay, following the issue of a burial permit in accordance with the provisions of The Vital Statistics Act and regulations made thereunder:

Provided that if during the period November 1 to April 30 the weather or soil conditions are such that it is impossible to transport the body to the cemetery, the body may be deposited in a receiving vault and kept therein only until soil conditions permit burial in the cemetery. During the period of temporary storage the burial permit shall be retained by the embalmer, undertaker or other person having charge of the disposal of the body.

(2) When the body has been interred in the cemetery, the burial permit shall be dealt with in accordance with the provisions of The Vital Statistics Act and regulations made thereunder.

3.—(1) Except persons in possession of an embalmer's licence under The Saskatchewan Embalmers Act, no person shall conduct or take charge of the disposal of the dead for fee or reward unless he is in possession of an undertaker's licence obtained from the Minister of Public Health for the current year.

(2) The application for an undertaker's licence shall name the establishment in which the undertaking work is to be conducted, describe the facilities and equipment contained therein, and state such other matters as may be required by the minister and shall be accompanied by a licence fee of \$2.00.

(3) A public health inspector of the department shall forthwith inspect the premises of the applicant for the purpose of viewing the state of the sanitary conditions prevailing therein.

(4) Upon consideration of the application and the report of the public health inspector, the minister may accept or reject the application. If the application is approved, a licence will be issued to the applicant for the year for which the licence is requested. If the application is rejected, the applicant will be notified to that effect and the licence fee will be refunded.

(5) An undertaker's licence for each succeeding year will be issued only on receipt and approval of a new application together with the licence fee previously mentioned and a report from a public health inspector of the department that the premises are being operated in a sanitary manner.

4.—(1) The body of any person dying of smallpox, cholera, plague or anthrax shall not be embalmed but shall be wrapped in a sheet thoroughly saturated in a ten per cent formalin solution and shall be placed in a metal or metal-lined coffin or casket which shall be sealed by welding or soldering.

(2) The coffin or casket shall not subsequently be opened.

(3) Unless otherwise approved by the medical health officer, the coffin or casket shall be interred in the cemetery nearest to the place where death occurred.

(4) Such body shall not be accompanied by any person or article which has been exposed to infection from the disease unless certified by the medical health officer to have been properly disinfected and any person accompanying the body shall produce a certificate from the medical health officer to the effect that he has not been exposed to infection through association with the diseased person.

5.—(1) The body of any person who has died of any communicable disease other than a communicable disease mentioned in section 4 of these regulations shall be embalmed and placed in a sound coffin or casket or, in the absence of such embalming, shall be placed in a metal or metal-lined coffin or casket which shall be hermetically sealed.

(2) The coffin or casket shall not subsequently be opened.

6.—(1) A mausoleum being erected shall be constructed in accordance with a plan approved by the minister.

(2) When a body is placed in a crypt of a mausoleum, the crypt shall be hermetically sealed in a manner approved by the minister.

7.—(1) The bodies of persons who have died from causes or diseases other than those mentioned in section 4 or 5 of these regulations and which have to be transported by public conveyance whether by rail, road, boat or plane, shall, subject to subsection (2), either be:

(a) embalmed and placed in a sound casket or coffin; or

(b) if not embalmed, wrapped in a sheet thoroughly saturated in a ten per cent formalin solution and placed in a metal container or metal-lined casket or coffin which shall be hermetically sealed.

(2) Where the ultimate destination cannot be reached within ninety-six hours after death, the body whether embalmed or not shall be wrapped and enclosed in the manner set out in clause (b) of subsection (1) of this section.

(3) The transportation of the body by any public conveyance shall be subject to the approval of the medical health officer or a public health inspector who immediately prior to giving approval shall examine the death certificate and a copy of the statement of approval shall be retained by that official.

(4) There shall be affixed to each casket to be transported by railway, boat or other public conveyance, a certificate in the following form:

PART I

Certificate of Embalmer or Funeral Director for Transportation of Remains of Deceased Person

I hereby certify that this casket contains the dead body of..... of..... who died on the..... day of....., 19.....; that a burial permit has been issued in respect thereof and that the said body has been prepared and other related procedures complied with strictly in accordance with the laws of the Province of Saskatchewan.

8.—(1) No registrar of vital statistics shall issue a burial permit for the removal of a body by any public conveyance until the applicant therefor has furnished him with a certificate in Form C.D. 11(A) in the appendix hereto attached marked "Appendix A", and also, where the circumstances so require, a certificate in Form C.D.11(B) in the said appendix.

(2) In case the first mentioned certificate states that the body has been embalmed and the embalming is not done by the applicant for the burial permit, he shall obtain from the embalmer a certificate in Form C.D.11(B) and file it with the registrar along with the said certificate in Form C.D.11(A).

9.—(1) The Minister of Public Health may, upon written request, issue a disinterment permit for the purpose of reburial of the body or for any other laudable purpose.

(2) The application to the Minister of Public Health for disinterment of a body for reburial or other laudable purpose shall be accompanied by a death certificate obtained from the vital statistics authorities of the province or state in which the death occurred and particulars as to where reburial or other disposition of the body is to be made:

Provided that if a death certificate cannot be obtained and the Minister of Public Health believes that the circumstances warrant such action he may dispense with the requirement that such certificate be produced.

(3) On receipt of the written permission of the Minister of Public Health that the body may be disinterred, reburial or other disposition of the body shall take place in such manner and in such location as the Minister of Public Health shall direct.

(4) Where permission is granted for the disinterment of a body, the coffin or casket shall not be opened except on an order of the Attorney General for medical-legal, identification, or other laudable purpose.

(5)—(a) The application for a disinterment permit shall be made by the next of kin, widow, widower, or personal representative of the deceased.

(b) Notwithstanding the provisions of paragraph (a) the Minister of Public Health may issue a disinterment permit under subsection (1):

(i) where there is no next of kin, widow, widower or personal representative of the deceased; or

(ii) where the next of kin, widow, widower or personal representative of the deceased cannot be found and the Minister of Public Health is satisfied that a reasonable attempt has been made to locate them; or

(iii) where a body is interred in a cemetery or in any part or portion thereof which has been closed pursuant to The Cemeteries Act; or

(iv) where a body is interred in land which has been expropriated under the provisions of any Act;

provided that in the case of a permit issued in the circumstances mentioned in clauses (i), (ii) or (iii), payment of the costs of disinterment and reburial including compensation for damage to any monument, tombstone or other grave marker, shall first be guaranteed by the party requesting the permit, and, in the case of a permit issued in the circumstances mentioned in clause (iv) payment of the aforementioned costs shall first be guaranteed by the expropriating party where that party has requested the permit unless payment of the said costs has otherwise been ordered in the course of the expropriation proceedings or unless payment of the said costs has otherwise been agreed upon between the expropriating party and the next of kin, widow, widower or personal representative of the deceased.

10. Every disinterred body, if the same is to be transported by any public conveyance, shall be immediately enclosed in a metal or metal-lined box or casket and the box or casket shall be hermetically sealed.

11. Any person who violates any of the provisions of these regulations shall be guilty of an offence and liable on summary conviction to a fine of not less than \$5.00 and not more than \$100.00 and in default of payment thereof to imprisonment for a period not exceeding fourteen days.

“APPENDIX A”

Form C.D. 11 (A)
