SASKATCHEWAN REGULATION 113/66

UNDER THE TRADE UNION ACT

(Filed May 18, 1966.)

CONCILIATION BOARD REGULATIONS

(Effective June 1, 1966)

Whereas it is provided by section 22 of The Trade Union Act, being Chapter 287 of the Revised Statutes of Saskatchewan, 1965, that the Minister of Labour may make such Regulations as he thinks fit in regard to the establishment of boards of conciliation and the appointment of the members including the chairman thereof by the nomination of the parties to the dispute or by himself and for the sittings, procedure and remuneration of such boards and publication of the reports of such boards with a view to the rapid disposition of any dispute;

And whereas the Minister of Labour for the Province of Saskatchewan did make such regulations on the thirteenth day of September, A.D. 1956;

And whereas he amended such regulations on the tenth day of May, A.D. 1957, and the eighth day of November, A.D. 1962;

And whereas it is now deemed expedient to rescind such regulations and make others in their place and stead;

Now therefore I, Lionel Coderre, Minister of Labour for the Province of Saskatchewan, do hereby rescind the regulations made by the Minister of Labour on the thirteenth day of September, A.D. 1956, and amendments made on the tenth day of May, A.D. 1957, and the eighth day of November, A.D. 1962, and make the following regulations in their place and stead:

Interpretation

1. In these regulations:

(a) "Act" means The Trade Union Act, R.S.S. 1965, Chapter 287, as from time to time amended;

(b) "board" means a board of conciliation constituted according to The Trade Union Act;

(c) "minister" means the Minister of Labour;

(d) "party" means:

(i) a trade union or trade unions; or

(ii) an employee or employees; or

(iii) an employer or employers.

(e) a reference to a section by number only is a reference to the section in these regulations bearing that number, and a reference to a subsection by number only is a reference to the subsection bearing that number in the section where the reference occurs;

(f) words importing the masculine gender include corporations and trade unions as well as females;

(g) other expressions have the same meaning as in the Act.

Application for a Board of Conciliation

Who may apply 2. Where any dispute within the meaning of section 21 of the Act exists and the parties thereto are unable to adjust it, either or both parties together may apply to the minister for the establishment of a board to investigate, conciliate and report upon the dispute.

Form of application 3. The minister shall make available in Form "A", forms for making application for a board but any application shall be received whether or not it is made on such forms provided that it contains the information required to complete Form "A" in accordance with the directions contained therein and four copies are filed with the minister.

Minister may reject application or require further clarification 4. Within three days after receipt of an application the minister may by notice in writing:
 (a) notify the party or parties applying that he has decided not to establish a board; or
 (b) require the party or parties applying to submit four copies of further material in writing for the purpose of clarification.

Establishment of a Board of Conciliation

Procedure where Minister approves: 5. If the minister decides that a board should be established he may, within three days after receipt of the application in cases where he requires no clarifying information, or within three days after receipt of information he requires for clarification;

Joint application (a) where both parties make application for a board setting forth the names of their respective nominees to act as members of the board and of one nominee to act as the third member and chairman of the board, appoint such nominees respectively to act as members and the third member and chairman of the board and establish the board;

Single application (b) furnish the party other than the applicant party with a copy of the application and a copy of further material, if any, which may have been submitted for the purpose of clarification;

Notice to nominate members of board (c) by notice in writing require either or both parties if either or both parties have not already done so in the application, to each nominate one person to act as a member of the board.

Nomination of members 6. Each party to whom any notice to nominate is given under section 5, clause (c), shall within seven days of receipt thereof, notify the minister in writing of the name and address of any person nominated pursuant to such notice.

Where minister may nominate board member 7. Where any party fails to comply with a notice to nominate within the time stipulated therein, the minister may in his discretion, within seven days after the expiration of such time, nominate a person as to him may seem proper to act as a member of the board and for the purpose of these regulations the said person shall be deemed to be the nominee of the party failing to comply with the minister's notice to nominate.

Notice to nominate chairman 8.--(1) Within three days of receipt of the last received notice of nomination pursuant to section 6 or of the nomination of the last person nominated by the minister pursuant to section 7, as the case may be, the minister shall, if the parties have not already done so, request the nominees of both parties to nominate, within seven days of receipt of the request, a third person to be a member and chairman of the board.

Appointment of members and establishment of board (2) Within three days after receipt of notice that a nomination has been made pursuant to subsection (1) the minister shall appoint the respective nominees of both parties to be members of the board and the person nominated by the nominees of both parties to be the third member and chairman of the board, and establish the board.

Where minister shall appoint chairman (3) If on the expiration of the period of seven days for nomination under subsection (1) the nominees of both parties are unable to agree upon the nomination of a third member and chairman thereof, the minister shall, within seven days of the expiration of the said period, appoint the respective nominees of both parties to be members of the board, and in his discretion, appoint a person to be the third member and chairman of the board, and establish the board.

When board established 9. A board shall be deemed to be established by the minister on the day that he executes the instrument establishing such board.

Members to receive copy of instrument, application and regulations 10. When the members of a board have been appointed, the minister shall forthwith transmit to each member a copy of the instrument establishing the board, a copy of the application for the board, a copy of any material clarifying the application, and a copy of these regulations.

Sittings, Duties and Procedure of a Board of Conciliation

Time and place of sittings 11. The chairman shall fix the time and place of sittings of the board after consultation with the other members thereof, and he shall immediately notify the parties as to the time and place so fixed, provided that the board shall not meet later than seven days after the minister has established the board.

Board to inquire, hear representations and mediate 12.—(1) A board shall, in such manner as it thinks fit, expeditiously and carefully inquire into the dispute and all matters affecting the merits and the right of settlement thereof;

(2) In the course of a hearing a board may make all such suggestions and do all such things as it deems right and proper for encouraging the parties to come to a fair and amicable settlement of the dispute, and shall hear such representations as may be made on behalf of the parties to the dispute and shall diligently seek to mediate between the parties to the dispute.

Procedure and representations 13.—(1) A board may determine its own procedure, but shall give full opportunity to both parties to present evidence and make representations;

Evidence acceptable (2) A board may accept, admit and call for such evidence as in equity and good conscience it thinks fit, whether strictly legal evidence or not;

Representatives of parties (3) Either party to a reference may be represented before a board by two or fewer than two persons designated by the parties, respectively, for that purpose provided that both parties represented before a board shall be bound by the acts of such representative or representatives;

Failure of a party to attend (4) If, without good cause being shown, either party to proceedings before a board fails to attend or to be represented the board may proceed as if the party had duly attended or had been represented.

Quorum of board 14. The chairman and one other member of a board shall constitute a quorum, provided that in the absence of a member the other members shall not proceed unless he has been given reasonable notice of the sitting.

Voting of board 15. Each member of a board shall have one vote, and in the event of a tie the chairman shall have an additional and casting-vote.

Report of a Board of Conciliation

Report of board 16.—(1) The report of a board shall be in Form "B" and shall consist of that which any majority of the board agrees in writing ought to be or ought not to be done by the parties concerned respecting any or all of the items of the dispute referred to the board.

- Presentation of findings (2) In making its report upon a dispute the board shall state its findings in plain terms, avoiding as far as possible all technicalities.
- Signing of report and reasons for decision (3) The report of a board shall be signed by such of the members as concur therein and reasons may be given by any member for any conclusions reached in the report.
- Dissents 17. Any dissent from the report of a board shall be signed by the dissenting member of the board who may give reasons for his dissent.
- Written views where majority fails to agree 18. Should a majority of the members of a board fail to agree as to what ought or ought not to be done respecting any item of the dispute referred to it, each member of the board shall give his view in writing respecting each such item.
- Chairman to file: 19. A board, through its chairman, shall, not later than fourteen days after the matters relating to any dispute are referred to it pursuant to section 10, file with the minister four copies of:
- Report (a) any report of the board and any reasons in support thereof;
(b) any dissent from the board's report and any reasons therefor; and
- Views where majority fail to agree (c) the views of each board member concerning each item of the dispute referred to the board in respect of which a majority of the board cannot agree as to what ought or ought not to be done.
- Clarification of report 20. After a board has made its report, the minister may, within three days of receipt of the report direct the board to reconsider and amplify or clarify any part thereof, and such supplementary report as the board may be required to make after such reconsideration shall be filed in quadruplicate with the minister not more than seven days after that date of the minister's directive and the report of the board shall not be deemed to have been received until such supplementary report has been made to the minister.
- Parties to receive copies of report and other material 21. After a board has made its report, the minister shall forthwith send a copy thereof to each of the parties pursuant to sections 19 and 20 and the said parties may, subject to any prior agreement between them, accept or reject the report.
- Publication of report 22. The report of a board filed pursuant to sections 19 and 20 shall be made available for publication and copies thereof shall be provided without charge to any person requesting the same.

General

- Defects not to invalidate proceedings 23.—(1) No proceedings under these regulations shall be deemed invalid by any reason of defect of form or any technical irregularity.
- Extension of time (2) Where under these regulations any material is required to be filed or any act is required to be done within a specified period of time, the minister may, upon receipt of application in writing or otherwise as the minister deems fit from the chairman of the board or from either party or both parties to the proceedings of the board, extend the time for the filing of any such material or for the performance of any such act.
- Remuneration 24.—(1) Subject to subsection (2), remuneration for the services of board members and for other costs in connection with the activities of boards shall be as follows:
(a) To each member, excluding the chairman, an allowance at the rate of twenty-five dollars for each day he is present when the board sits;
(b) To the chairman an allowance at the rate of thirty-five dollars for each day he is present when the board sits;
- Expenses members and chairman (c) To each member of the board, including the chairman, his actual out-of-pocket expenses incurred in travelling to and from and in attending sittings of the board; within the boundaries of the Province of Saskatchewan;

(d) To the chairman or any member of the board such further remuneration as may, in the opinion of the minister, be justified by special circumstances.

Chairman

SASKATCHEWAN REGULATION 114/66

UNDER THE MUNICIPAL WATER ASSISTANCE ACT

(O.C. 948/66)

(Filed May 18, 1966.)

Regina, May 17, 1966. Approved and Ordered, Lieutenant Governor. The Executive Council has had under consideration a report from the Minister of Municipal Affairs, stating that:

(1) By section 8 of The Municipal Water Assistance Act, it is provided that the Lieutenant Governor in Council, for the purpose of carrying out the provisions of the said Act, according to their intent, and of supplying any deficiency therein, may make regulations not inconsistent with the spirit of the said Act;

(2) His Honour's Order No. 474/64 dated March 17, 1964, gave approval to certain regulations under the said Act, which regulations were amended by His Honour's Order No. 1274/65, dated July 27, 1965.

The Minister further states that it is now deemed advisable to further amend the aforesaid regulations in the manner more particularly set forth in the schedule attached hereto.

Upon consideration of the foregoing report and on the recommendation of the Minister of Municipal Affairs, the Executive Council advises that His Honour's Order do issue amending the aforesaid regulations in the manner set forth in the attached schedule.

Dated at Regina, Saskatchewan, this 12th day of May, 1966.

J. R. L. PARROTT,
Clerk of the Executive Council.

SCHEDULE OF AMENDMENTS TO REGULATIONS UNDER THE MUNICIPAL WATER ASSISTANCE ACT

The regulations made pursuant to The Municipal Water Assistance Act, as approved by O.C. 474/64 dated March 17, 1964, and amended by O.C. 1274/65 dated July 27, 1965, are now amended in the manner hereinafter set forth.

1. Section 3a is amended by inserting the words "establishing or" after the word "in" in the second line of the part after subsection (2).

2. Section 4 is amended by adding thereto the following subsection:

"(7) Where a municipality installs a waterworks system or has a waterworks system in use or operation and constructs an alternative water supply system or extends an existing water supply system, and the Board is satisfied:

(a) that a supply pipeline larger than four inches in diameter, if installed, would permit another municipality to make a hook-up to the supply pipeline due to its larger capacity; and

(b) that the supply of water to the other municipality may be inadequate or that the other municipality may require a source of water from the pipeline; and

(c) that the larger pipeline could only be installed if additional assistance is provided to cover the additional cost;

the Board may make a supplementary grant over and above the grant hereinbefore calculated, to cover the additional cost of installing the larger pipeline."

Q-71

SASKATCHEWAN REGULATION 118/66

UNDER THE MINERAL RESOURCES ACT

(O.C. 996/66)

(Filed May 18, 1966.)

Regina, May 17, 1966. Approved and Ordered. Lieutenant Governor. The Executive Council has had under consideration a report from the Minister of Mineral Resources, dated May 10, 1966, stating that:

1. Order in Council 857/66 dated April 26, 1966, made under The Oil and Gas Conservation Act, approved a plan of unit operation governing the unitized management, operation and further development of The Battrum Unit No. 3, effective on and after June 1, 1966;

2. it is necessary to make special royalty provisions for the calculation and payment of Crown royalty on the applicable allocated unit productions for the following Crown tracts as defined in the said plan of unit operation:

Tracts I and III;

3. it is deemed advisable and in the public interest to provide, effective on and after June 1, 1966, for the calculation and payment of Crown royalty as hereinafter set forth.

Upon consideration of the foregoing report and on the recommendation of the Minister of Mineral Resources, the Executive Council advises that His Honour's Order do issue, pursuant to The Mineral Resources Act, establishing, effective on and after June 1, 1966, that the royalty payable to the Crown on crude petroleum oil allocated to the said Crown tracts in The Battrum Unit No. 3 shall be determined as follows:

1. In these royalty provisions:

(a) "basic Crown royalty rate" means the royalty rate on crude petroleum oil, exclusive of road allowance oil, applicable to the first year of unit operation;

(b) "base year" means the period from February 1, 1965, to January 31, 1966, both dates inclusive;

(c) "review year" means any period of one year after the base year and the commencement and termination dates of such review year shall correspond to the respective dates of the base year;

(d) "road allowance oil" means one and eighty-eight one hundredths per cent of the oil produced;

(e) "subject year" means the year for which the royalty rate is to be determined as provided herein;

(f) "regular royalty rate" means the royalty rate on crude petroleum oil established by petroleum and natural gas regulations in effect from time to time and applicable to non-unitized areas.

2. The basic Crown royalty rate shall be the fraction, expressed in percentage, obtained by dividing the total number of Crown royalty barrels of oil from Crown tracts in the unit area for the base year by the total number of barrels of oil, exclusive of road allowance oil, produced from the Crown tracts during such year.

3. The royalty rate on crude petroleum oil for the second and succeeding years of unit operation shall be determined as follows:

(a) calculate the equivalent monthly production rate per well for the base year by applying the basic Crown royalty rate in the regular royalty rate table;

(b) calculate the average monthly production per well during the base year by dividing the total Crown production, exclusive of road allowance oil, by the total number of Crown well months of producing oil wells; and for the purpose of this clause the well months of a well producing for less than ten days and less than one hundred barrels of oil in a month shall be excluded from the number of well months for that month; and if secondary recovery operations have commenced prior to the unitization then "Crown well months of producing oil wells" shall be deemed to include Crown well months of injection wells and well investment units determined in accordance with Schedule A;

(c) calculate the average monthly production per well for the review year immediately preceding the subject year by dividing the total unit production, exclusive of road allowance oil, by the total unit well months for such review year; and for the purpose of this clause well months shall include well months of well investment units determined in accordance with Schedule A, and of producing oil wells and injection wells; provided that, if any oil well produces for less than ten days and less than one hundred barrels of oil in a month and if any well injects for less than ten days and less than one thousand barrels in a month, the well months of all such oil or injection wells shall be excluded from the number of well months for that month; and further for the purpose of this clause, in determining the average monthly production per well for the review year immediately following the base year, the unit area shall be deemed to have been unitized three months prior to the effective date of unit operation;

(d) if the production obtained in clause (c) exceeds the production obtained in clause (b) add the difference to the production obtained in clause (a); and if the production obtained in clause (b) exceeds the production obtained in clause (c) subtract the difference from the production obtained in clause (a);

(e) the regular royalty rate applicable to the calculated monthly production obtained in clause (d) shall be the effective royalty rate for the subject year.

4. Notwithstanding anything contained herein the royalty rate payable in any year shall be not less than five per cent nor more than sixteen per cent.

5. The provisions of section 58 of The Petroleum and Natural Gas Regulations, 1963, as amended or substituted from time to time shall apply in so far as the same are not inconsistent with the provisions hereof.

J. R. L. PARROTT,
Clerk of the Executive Council.

SCHEDULE A

WELL INVESTMENT UNITS

The following principles shall be used in determining the investment in pressurizing plant and equipment including source wells for the purpose of calculating well investment units for establishing the annual royalty rate under unit operations:

1. The secondary recovery equipment shall, subject to section 2, include costs in clauses (a), (b), (c), (i), (d) and (e); and costs as approved by the Department in clauses (c) (ii):
 - (a) machinery and equipment contributing directly to pressurizing and/or maintenance of secondary recovery in the unitized zone over and above that required for primary production;
 - (b) buildings necessary to properly house items allowed in clause (a);
 - (c) source water wells:
 - (i) drilled, including drilling and other tangible and intangible costs;
 - (ii) converted oil, gas or service wells: (those costs for converting producing or abandoned wells to water supply wells and in the Minister's discretion may include drilling and casing costs to producing water zone depth);
 - (d) tanks, accumulation pits, water supply lines, injection lines and other related equipment associated with items allowed in clauses (a) and (c) above;
 - (e) all direct labour, including company and contract labour, direct, on site, technical personnel salaries and expenses necessary for the construction and installation allowed in clauses (a), (b), (c) and (d).
2. Allowed costs shall not include the following:
 - (a) overhead charges—administrative or office administration expenses;
 - (b) interest on borrowed capital;
 - (c) producing wells;
 - (d) injection well, including conversion costs;
 - (e) land, leased or otherwise;
 - (f) automotive equipment;
 - (g) replacement costs (normal operating replacement costs);
 - (h) any costs and/or items deemed excessive or unnecessary by the Minister.
3. New or used material furnished to the Unit shall be priced in accordance with the provisions of the plan of unit operation for the Unit.
4. The cost of secondary recovery equipment allowed in section I shall include capital expenditures for equipment and/or facilities only while such equipment and/or facilities are necessary for secondary recovery operation; and the original costs charged to capital expenditures for any equipment and/or facilities that have become unnecessary for secondary recovery operations shall be deducted from such capital expenditures.
5. The number of well investment units (to the nearest whole number) shall be calculated by dividing the investment in secondary recovery plant and equipment as calculated above by the average cost per producing well in the Unit area as submitted by the operators and approved by the Department.

SASKATCHEWAN REGULATION 119/66

UNDER THE MINERAL RESOURCES ACT (O.C. 997/66)

(Filed May 18, 1966.)

Regina, May 17, 1966. Approved and Ordered. Lieutenant Governor. The Executive Council has had under consideration a report from the Minister of Mineral Resources, dated May 10, 1966, stating:

1. that O.C. 69/63, dated January 11, 1963, established, among other things, the Crown royalty payable to the Crown from unit production allocated to the Crown tracts in The Aberfeldy Unit;

2. that O.C. 756/66 authorized the expansion of The Aberfeldy Unit, effective May 1, 1966;

3. that it is deemed advisable and in the public interest to add, effective on and after May 1, 1966, Numbered Tracts 13, 14, 25, 26 and 27 to the list of Crown tracts in O.C. 69/63.

Upon consideration of the foregoing report and on the recommendation of the Minister of Mineral Resources, the Executive Council advises that His Honour's Order do issue, pursuant to The Mineral Resources Act, adding Numbered Tracts 13, 14, 25, 26 and 27 in The Aberfeldy Unit to the list of Crown tracts in O.C. 69/63 and providing that the royalty payable to the Crown on crude petroleum oil allocated to the said added Numbered Tracts in The Aberfeldy Unit shall be determined as set forth in O.C. 69/63 for the Crown tracts.

SASKATCHEWAN REGULATION 121/66

UNDER THE MINERAL RESOURCES ACT

(O.C. 999/66)

(Filed May 18, 1966.)

Regina, May 17, 1966. Approved and Ordered. Lieutenant Governor. The Executive Council has had under consideration a report from the Minister of Mineral Resources, dated May 10, 1966, stating that:

1. Order in Council 758/66 dated April 20, 1966, made under The Oil and Gas Conservation Act, approved a plan of unit operation governing the unitized management, operation and further development of The Beverley Unit No. 1, effective on and after May 1, 1966;

2. it is necessary to make special royalty provisions for the calculation and payment of Crown royalty on the applicable allocated unit productions for the following Crown tracts as defined in the said plan of unit operation:

Tracts 1 and 2;

3. it is deemed advisable and in the public interest to provide, effective on and after May 1, 1966, for the calculation and payment of Crown royalty as hereinafter set forth.

Upon consideration of the foregoing report and on the recommendation of the Minister of Mineral Resources, the Executive Council advises that His Honour's Order do issue, pursuant

to The Mineral Resources Act, establishing, effective on and after May 1, 1966, that the royalty payable to the Crown on crude petroleum oil allocated to the said Crown tracts in the Beverley Unit No. 1 shall be determined as follows:

1. In these royalty provisions:
 - (a) "basic Crown royalty rate" means the royalty rate on crude petroleum oil, exclusive of road allowance oil, applicable to the first year of unit operation;
 - (b) "base year" means the period from January 1, 1965 to December 31, 1965, both dates inclusive;
 - (c) "review year" means any period of one year after the base year and the commencement and termination dates of such review year shall correspond to the respective dates of the base year;
 - (d) "road allowance oil" means one and eighty-eight one-hundredths per cent of the oil produced;
 - (e) "subject year" means the year for which the royalty rate is to be determined as provided herein;
 - (f) "regular royalty rate" means the royalty rate on crude petroleum oil established by petroleum and natural gas regulations in effect from time to time and applicable to non-unitized areas.
2. The basic Crown royalty rate shall be the fraction, expressed in percentage, obtained by dividing the total number of Crown royalty barrels of oil from Crown tracts in the unit area for the base year by the total number of barrels of oil, exclusive of road allowance oil, produced from the Crown tracts during such year.
3. The royalty rate on crude petroleum oil for the second and succeeding years of unit operation shall be determined as follows:
 - (a) calculate the equivalent monthly production rate per well for the base year by applying the basic Crown royalty rate in the regular royalty rate table;
 - (b) calculate the average monthly production per well during the base year by dividing the total Crown production, exclusive of road allowance oil, by the total number of Crown well months of producing oil wells; and for the purpose of this clause the well months of a well producing for less than ten days and less than one hundred barrels of oil in a month shall be excluded from the number of well months for that month; and if secondary recovery operations have commenced prior to the unitization then "Crown well months of producing oil wells" shall be deemed to include Crown well months of injection wells and well investment units determined in accordance with Schedule A;
 - (c) calculate the average monthly production per well for the review year immediately preceding the subject year by dividing the total unit production, exclusive of road allowance oil, by the total unit well months for such review year; and for the purpose of this clause well months shall include well months of well investment units determined in accordance with Schedule A, and of producing oil wells and injection wells: provided that, if any oil well produces for less than ten days and less than one hundred barrels of oil in a month and if any well injects for less than ten days and less than one thousand barrels in a month, the well months of all such oil or injection wells shall be excluded from the number of well months for that month; and further for the purpose of this clause, in determining the average monthly production per well for the review year immediately following the base year, the unit area shall be deemed to have been unitized three months prior to the effective date of unit operation;
 - (d) if the production obtained in clause (c) exceeds the production obtained in clause (b) add the difference to the production obtained in clause (a); and if the production obtained in clause (b) exceeds the production obtained in clause (c) subtract the difference from the production obtained in clause (a);
 - (e) the regular royalty rate applicable to the calculated monthly production obtained in clause (d) shall be the effective royalty rate for the subject year.
4. Notwithstanding anything contained herein the royalty rate payable in any year shall be not less than five per cent nor more than sixteen per cent.
5. The provisions of section 58 of The Petroleum and Natural Gas Regulations, 1963, as amended or substituted from time to time shall apply in so far as the same are not inconsistent with the provisions hereof.

J. R. L. PARROTT,
Clerk of the Executive Council.

SCHEDULE A
WELL INVESTMENT UNITS

The following principles shall be used in determining the investment in pressurizing plant and equipment including source wells for the purpose of calculating well investment units for establishing the annual royalty rate under unit operations:

1. The secondary recovery equipment shall, subject to section 2, include costs in clauses (a), (b), (c), (i), (d) and (e); and costs as approved by the Department in clauses (c) (ii):
 - (a) machinery and equipment contributing directly to pressurizing and/or maintenance of secondary recovery in the unitized zone over and above that required for primary production;
 - (b) buildings necessary to properly house items allowed in clause (a);
 - (c) source water wells:
 - (i) drilled, including drilling and other tangible and intangible costs;
 - (ii) converted oil, gas or service wells: (those costs for converting producing or abandoned wells to water supply wells and in the Minister's discretion may include drilling and casing costs to producing water zone depth);
 - (d) tanks, accumulation pits, water supply lines, injection lines and other related equipment associated with items allowed in clauses (a) and (c) above;
 - (e) all direct labour, including company and contract labour, direct, on site, technical personnel salaries and expenses necessary for the construction and installation allowed in clauses (a), (b), (c) and (d).
2. Allowed costs shall not include the following:
 - (a) overhead charges—administrative or office administration expenses;
 - (b) interest on borrowed capital;
 - (c) producing wells;
 - (d) injection well, including conversion costs;
 - (e) land, leased or otherwise;
 - (f) automotive equipment;
 - (g) replacement costs (normal operating replacement costs);
 - (h) any costs and/or items deemed excessive or unnecessary by the Minister.
3. New or used material furnished to the Unit shall be priced in accordance with the provisions of the plan of unit operation for the Unit.
4. The cost of secondary recovery equipment allowed in section I shall include capital expenditures for equipment and/or facilities only while such equipment and/or facilities are necessary for secondary recovery operation; and the original costs charged to capital expenditures for any equipment and/or facilities that have become unnecessary for secondary recovery operations shall be deducted from such capital expenditures.
5. The number of well investment units (to the nearest whole number) shall be calculated by dividing the investment in secondary recovery plant and equipment as calculated above by the average cost per producing well in the Unit area as submitted by the operators and approved by the Department. SASKATCHEWAN REGULATION 122/66

UNDER THE MINERAL RESOURCES ACT
(O.C. 1000/66)

(Filed May 18, 1966.)

Regina, May 17, 1966. Approved and Ordered. Lieutenant Governor. The Executive Council has had under consideration a report from the Minister of Mineral Resources, dated May 11, 1966, stating that:

1. Order in Council 858/66 dated April 26, 1966, made under The Oil and Gas Conservation Act, approved a plan of unit operation governing the unitized management, operation and further development of The Battrum Unit No. 4, effective on and after June 1, 1966;
2. it is necessary to make special royalty provisions for the calculation and payment of Crown royalty on the applicable allocated unit productions for the following Crown tracts as defined in the said plan of unit operation: Tracts 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13 and 14;

3. it is deemed advisable and in the public interest to provide, effective on and after June 1, 1966, for the calculation and payment of Crown royalty as hereinafter set forth.

Upon consideration of the foregoing report and on the recommendation of the Minister of Mineral Resources, the Executive Council advises that His Honour's Order do issue, pursuant to The Mineral Resources Act, establishing, effective on and after June 1, 1966, that the royalty payable to the Crown on crude petroleum oil allocated to the said Crown tracts in The Battrum Unit No. 4 shall be determined as follows:

1. In these royalty provisions:

(a) "basic Crown royalty rate" means the royalty rate on crude petroleum oil, exclusive of road allowance oil, applicable to the first year of unit operation;

(b) "base year" means the period from February 1, 1965 to January 31, 1966, both dates inclusive;

(c) "review year" means any period of one year after the base year and the commencement and termination dates of such review year shall correspond to the respective dates of the base year;

(d) "road allowance oil" means one and eighty-eight one-hundredths per cent of the oil produced;

(e) "subject year" means the year for which the royalty rate is to be determined as provided herein;

(f) "regular royalty rate" means the royalty rate on crude petroleum oil established by petroleum and natural gas regulations in effect from time to time and applicable to non-unitized areas.

2. The basic Crown royalty rate shall be the fraction, expressed in percentage, obtained by dividing the total number of Crown royalty barrels of oil from Crown tracts in the unit area for the base year by the total number of barrels of oil, exclusive of road allowance oil, produced from the Crown tracts during such year.

3. The royalty rate on crude petroleum oil for the second and succeeding years of unit operation shall be determined as follows:

(a) calculate the equivalent monthly production rate per well for the base year by applying the basic Crown royalty rate in the regular royalty rate table;

(b) calculate the average monthly production per well during the base year by dividing the total Crown production, exclusive of road allowance oil, by the total number of Crown well months of producing oil wells; and for the purpose of this clause the well months of a well producing for less than ten days and less than one hundred barrels of oil in a month shall be excluded from the number of well months for that month; and if secondary recovery operations have commenced prior to the unitization then "Crown well months of producing oil wells" shall be deemed to include Crown well months of injection wells and well investment units determined in accordance with Schedule A;

(c) calculate the average monthly production per well for the review year immediately preceding the subject year by dividing the total unit production, exclusive of road allowance oil, by the total unit well months for such review year; and for the purpose of this clause well months shall include well months of well investment units determined in accordance with Schedule A, and of producing oil wells and injection wells; provided that, if any oil well produces for less than ten days and less than one hundred barrels of oil in a month and if any well injects for less than ten days and less than one thousand barrels in a month, the well months of all such oil or injection wells shall be excluded from the number of well months for that month; and further for the purpose of this clause, in determining the average monthly production per well for the review year immediately following the base year, the unit area shall be deemed to have been unitized three months prior to the effective date of unit operation;

(d) if the production obtained in clause (c) exceeds the production obtained in clause (b) add the difference to the production obtained in clause (a); and if the production obtained in clause (b) exceeds the production obtained in clause (c) subtract the difference from the production obtained in clause (a);

(e) the regular royalty rate applicable to the calculated monthly production obtained in clause (d) shall be the effective royalty rate for the subject year.

4. Notwithstanding anything contained herein the royalty rate payable in any year shall be not less than five per cent nor more than sixteen per cent.

5. The provisions of section 58 of The Petroleum and Natural Gas Regulations, 1963, as amended or substituted from time to time shall apply in so far as the same are not inconsistent with the provisions hereof.

SASKATCHEWAN REGULATION 123/66

UNDER THE HIGHWAYS ACT

(O.C. 951/66)

(Filed May 18, 1966.)

Regina, May 17, 1966. Approved and Ordered. Lieutenant Governor. The Executive Council has had under consideration a report from the Minister of Highways and Transportation, dated May 11, 1966, stating that paragraph 12 of Section 2 of The Highways Act, provides:

"12. 'provincial highway' means a public highway, or a proposed public highway in respect of which there is a plan in the department, designated as a provincial highway by the Lieutenant Governor in Council."

The Minister further states that attached hereto and marked as Exhibit "A" to this my recommendation to Council is the 1966 Official Highway Map which indicates by distinctive lines in accordance with the Legend contained therein the routes of various public highways in the Province of Saskatchewan.

The Minister further states that it is deemed advisable to designate certain public highways as provincial highways pursuant to paragraph 12 of Section 2 of The Highways Act.

Upon consideration of the foregoing report and on the recommendation of the Minister of Highways and Transportation, the Executive Council advises that His Honour's Order do issue designating as provincial highways those public highways shown on Exhibit "A" to this recommendation to Council by the distinctive lines representing "BITUMINOUS SURFACE; 4 LANE DIVIDED", "BITUMINOUS SURFACE", "OILED SURFACE", "GRAVEL SURFACE", "GRADED", in accordance with the "Legend" contained in the said Exhibit "A".

The Executive Council further advises that His Honours Order do issue designating as provincial highways the following public highways:

The public highway, marked as provincial highway 166 from Finlayson Street in the Village of La Ronge to Bay Avenue in the Village of La Ronge.

The public highway, marked as provincial highway 168 from provincial highway 167 in Section 35, Township 66, Range 30, west of the 1st meridian, southerly to Phantom Lake in Section 26, Township 66, Range 30, west of the 1st meridian.

The public highway, marked as provincial highway 313 from provincial highway 13 at the southwest corner of Section 18, Township 9, Range 11, west of the 3rd meridian northerly into the Town of Ponteix in Section 19, Township 9, Range 11, west of the 3rd meridian.

The public highway, marked as provincial highway 342 from provincial highway 4 at the northwest corner of Section 9, Township 22, Range 15, west of the 3rd meridian easterly approximately 5.35 miles to Crystal Beach.

The public highway, marked as provincial highway 366 from provincial highway 10 in Section 8, Township 21, Range 13, west of the 2nd meridian westerly to provincial highway 35 in Section 18, Township 21, Range 13, west of the 2nd meridian.

The public highway lying east of Section 3 and 10 in Township 17, Range 24, west of the 2nd meridian.

The public highway lying east of the northeast quarter of section 12, east of Section 13, and east of Section 24, all in Township 2, Range 7, west of the 2nd meridian from provincial highway 39 to provincial highway 18.

The Executive Council further advises that any public highway lying or situated wholly within the outer limits of any incorporated town or city having a population of 1,000 or more at the 1961 Dominion Census, or within the limits of the Prince Albert National Park, shall not be included within the term "provincial highway".

The Executive Council further advises that designation of the above described provincial highways be effective on and after the date of His Honour's Order, except that the designation of public highway, from provincial highway 5 in the Village of Buchanan in Section 35, Township 31, Range 6, west of the 2nd meridian to provincial highway 49 in the Town of Preeceville in Section 32, Township 34, Range 5, west of the 2nd meridian marked as provincial highway 314 is to be effective on and after June 1, 1966.

The Executive Council further advises that His Honour's Order in Council 1105/65 dated July 6, 1965 be rescinded.

Publication of the Map referred to in this Order as Exhibit "A" is dispensed with pursuant to subsection (5) of section 4 of The Regulations Act.
