ESTABLISHMENT AND USE OF PARK LAND RESERVE

9(1) Subject to subsections (2) and (3), the Lieutenant Governor in Council may make regulations constituting any Crown lands as park land reserve for the purpose of protecting those lands while a determination is made as to whether or not the lands should be established as a provincial park or protected area.

Park land reserve

(2) A regulation made constituting park land reserve is to contain a description of the Crown lands constituted as park land reserve and whether it is contemplated that they be established as an historic, recreation, natural environment or wilderness park or as a protected area.

(3) A regulation made constituting park land reserve expires five years after the day on which it is made.

10 Subject to sections 11 and 12, Crown lands constituted as park land reserve are to be administered:

Administration of park land reserve

(a) in the case of provincial lands as defined in *The Provincial Lands Act*, in accordance with that Act and the regulations made pursuant to that Act; and

(b) in all other cases, in accordance with any Act that determines how the lands are to be administered.

11(1) No person shall grant or transfer any Crown lands constituted as park land reserve.

Disposition of park land reserve

(2) No person shall dispose of any interest in, or grant any right with respect to, park land reserve unless permitted by the regulations or authorized by the minister.

(3) Disposition of an interest in, or granting of any right with respect to, park land reserve pursuant to subsection (2) is to be made in accordance with the terms and conditions prescribed in the regulations and the terms and conditions, not inconsistent with this Act and the regulations, that the minister may determine.

(4) This section does not apply to the issuance of Crown dispositions pursuant to *The Crown Minerals Act*.

Alteration of
park land
reserve

12(1) No person shall alter park land reserve unless the alteration is permitted in the regulations or authorized by the minister.

(2) This section does not apply to Crown dispositions issued pursuant to *The Crown Minerals Act*.

ADMINISTRATION AND DISPOSITION OF PARK LAND

Minister's
responsibility

13 The minister is responsible for the administration, management, planning, development and maintenance of all park land.

Grant or
transfer
prohibited

14 No person shall grant or transfer any park land.

Disposition

15(1) In this section, "invested capital" means expenditures that a person who seeks a disposition will make, pursuant to an agreement, to complete a project related to that disposition.

(2) Subject to the other provisions of this Act and the terms and conditions prescribed in the regulations, the minister may, on the terms and conditions he determines that are not inconsistent with the terms and conditions prescribed in the regulations:

(a) issue permits, licences or other authorizations for the use and occupation of park land for a term not exceeding one year;

(b) enter into agreements to lease any park land or to grant an easement or other authorization with respect to park land where:

(i) the term of an agreement does not exceed 21 years;

(ii) expenditures required to be made by the Crown pursuant to an agreement do not exceed \$50,000; and

(iii) the invested capital pursuant to an agreement does not exceed \$250,000; and

1986

PARKS

c.P-1.1

(c) subject to the approval of the Lieutenant Governor in Council, enter into agreements to lease any park land or to grant an easement or other authorization with respect to park land where:

- (i) the term of an agreement is 21 years or more;
- (ii) expenditures required to be made by the Crown pursuant to an agreement are \$50,000 or more; or
- (iii) the invested capital pursuant to an agreement is \$250,000 or more.

(3) The minister shall not grant a lease of the strip of park land 10 metres in width adjacent to the bank of any lake, river, stream or other body of water within any park land.

16 No person acquires right or title to park land through the use, possession or occupation of it.

No title
through
possession

17 Every disposition of park land is subject to the following implied reservations to the Crown:

Implied
reservations

- (a) a right to construct, widen or maintain any roads or drainage works on any park land and to use any wood, gravel or other material on any park land in that construction or maintenance without in any way compensating the holder of the disposition;
- (b) all mines and minerals of every kind found on, in or under park land and the right to work and extract those mines and minerals and to enter on, use and occupy any park land for that purpose;
- (c) the property in and the right to and to the use of all the water at any time in any lake, river, stream or other body of water and to the land forming the bed and bank of such water;
- (d) the property in and the right to and to the use of all water powers and lands on or in which there is water power, or that are required for the protection of any water power or for the purposes of any undertaking for the use and development of water power;
- (e) all trees, standing, fallen or cut and the right to enter on any park land to cut and remove trees;
- (f) the right to develop and maintain any irrigation works or works of any nature considered by the minister to be in the public interest on any park land and to enter on park land for that purpose and develop and maintain such works without compensating the holder of the disposition; and
- (g) all other reservations with respect to Crown lands provided for in any Act.

Reservation
not set out

18 Every disposition is to be read and construed and has effect as if all reservations referred to in section 17 were expressly set forth in the disposition.

Implied
conditions of
dispositions

19 Every disposition of park land is subject to the following conditions, whether or not the conditions are set out in the disposition:

(a) unless otherwise prescribed in the regulations or set out in the disposition, the minister may, at any time during the term of a disposition, on 30 days' written notice to the holder of the disposition, cancel the disposition:

(i) for default in payment of any rent or other consideration required by the disposition;

(ii) for the breach or non-performance of any term or condition of the disposition; or

(iii) where the disposition was issued through fraud or error or the holder of the disposition misrepresented or failed to disclose any material fact in obtaining the disposition;

(b) the whole or any part determined by the minister of the costs incurred by the minister in making any improvements to park land that he considers to be of benefit to the holder of the disposition are a debt due and owing to the Crown;

(c) the minister may, on the payment of reasonable compensation to the holder of a disposition, authorize the use of park land in connection with any project undertaken by or on behalf of the Crown pursuant to this Act or any other Act for the benefit of the public; and

(d) no interest in, or right with respect to, park land granted by a disposition may be assigned or sublet without the consent, in writing, of the minister.

Removal of
property

20(1) Unless otherwise prescribed in the regulations or set out in a disposition, where the holder of a disposition does not, within 90 days after the expiration, termination or cancellation of a disposition, remove any fixtures constructed or affixed by him, or any chattels owned or placed by him, on the park land which was the subject of the disposition:

(a) in the case of fixtures, he is not entitled to remove the fixtures; and

(b) in the case of chattels, the chattels are forfeited to the Crown without the payment of compensation for them.

(2) Chattels on park land other than referred to in subsection (1) are forfeited to the Crown without payment of compensation for them.

1986

PARKS

c.P-1.1

(3) Where:

(a) fixtures are not removed in accordance with subsection (1); or

(b) chattels are forfeited pursuant to subsection (1) or (2);

they may be disposed of in any manner that the minister considers appropriate.

21 A holder of a disposition is liable for any damage to park land caused by the removal of property pursuant to section 20. Liability on removal of property

22 The *Dominion Lands Act* (Canada), as it existed on April 1, 1931, and the regulations made pursuant to that Act apply to every contract or other arrangement made under its provisions to acquire or become entitled to any right, interest or estate in park land as against the Crown except to the extent that those provisions are inconsistent with or varied by the provisions of this Act or any other Act which applies generally to the contract or arrangement. Application of Dominion Lands Act

23 Permits, licences, leases or other authorizations with respect to park land made prior to the coming into force of section 15: Existing dispositions

(a) subject to clause (b), bind the Crown in accordance with their terms until their expiration; and

(b) notwithstanding their terms, shall not be assigned or sublet without the consent, in writing, of the minister.

24(1) Notwithstanding *The Highways and Transportation Act*, the minister may: Roads within park lands

(a) construct, maintain and administer any roads, other than provincial highways, within park land;

(b) notwithstanding the terms of any disposition, by order, close the whole or any specified part of any road, trail or area, except provincial highways, within park land.

(2) Notwithstanding any other Act, no road shall be built within the outer boundaries of park land without the consent of the minister.

USE OF PARK LAND

25(1) No person shall enter or occupy park land except in accordance with this Act or the regulations. Use in accordance with Act

(2) A person may enter park land under an authorization to cut Crown timber on that park land granted pursuant to *The*

Forest Act or the regulations made pursuant to *The Forest Act* and may carry out on that park land the activities allowed by that authorization.

(3) The provisions of *The Forest Act* and the regulations made pursuant to *The Forest Act* relating to the cutting of Crown timber apply to park land.

Zones

26(1) The Lieutenant Governor in Council may make regulations:

- (a) prescribing categories of zones within park land;
- (b) prescribing the activities that shall not be carried on in a zone.

(2) The minister may determine the boundaries of a zone on park land.

(3) *The Regulations Act* does not apply to a determination made pursuant to subsection (2).

Regulations

27(1) The Lieutenant Governor in Council may make regulations for the protection, care, management, control, maintenance and improvement of park land and, without limiting the generality of the foregoing, may make regulations:

- (a) regulating the conduct of persons residing in or using any park land;
- (b) subject to *The Uniform Building and Accessibility Standards Act*, prohibiting the erection, alteration, repair, demolition, removal or relocation of any building, erection or structure, or the making of any excavation, unless authorized by a permit and providing for the issuance of permits and of a schedule of fees for their issuance;
- (c) subject to *The Uniform Building and Accessibility Standards Act*, prescribing the type, style, location, design and size of buildings and other structures to be erected or placed on park land and the material of which they are to consist;
- (d) authorizing the carrying on of businesses and trades on park land, and the licensing and control of them, including the levying of licence fees;
- (e) preventing, controlling and regulating the use, setting and extinguishing of fires within park land;
- (f) prohibiting the keeping of, or controlling the use of or the manner of keeping, animals within park land and for licensing with respect to the keeping of animals within park land;

- (g) subject to *The Water Corporation Act* or any Act of the Parliament of Canada, governing the use and enjoyment of, and activities on, waters that are within or adjacent to park land and the land under such waters;
- (h) subject to subsection (2), controlling and regulating the use of roads, trails, streets, lanes, sidewalks and other public places, other than the roadway of a provincial highway, within park land, including:
- (i) the speed of vehicles within park land;
 - (ii) designating the routes within park land that any vehicle or class of vehicles is required to follow in entering or traversing park land;
 - (iii) preventing, restricting, controlling or regulating the parking of vehicles on the whole or any part of any roads, trails, streets, lanes or other public places within park land; and
 - (iv) authorizing the erection of traffic and other signs;
- (i) authorizing enforcement officers to remove or cause the removal of a vehicle that is unlawfully placed, left or kept on any road, trail, street, lane, parking place or other area within park land, to impound or store the vehicle and to release it to the owner on payment of the cost of removal and impounding or storage;
- (j) authorizing enforcement officers to remove or cause the removal of any vehicle or water vessel that is in a rusted, wrecked, partly wrecked, dismantled or partly dismantled condition and that has apparently been abandoned by the owner within park land and to dispose of the vehicle or vessel and recover the cost of the disposal from the owner as a debt due to the Crown;
- (k) for the impounding and disposal of animals running at large within park land and recovering the costs of doing so from the owner as a debt due to the Crown;
- (l) subject to any Act of the Parliament of Canada, for preventing, regulating or controlling the mooring and docking of water vessels on waters or area of waters within park land;
- (m) regulating the use of explosives within park lands;
- (n) subject to *The Environmental Management and Protection Act* and regulations made pursuant to that Act, providing for the collection, removal or disposal of wastes;
- (o) setting fees for the issuance of permits, licences, leases or authorizations for the use and occupation of park land and park land reserve.

(2) A regulation made pursuant to clause (1)(h) that is inconsistent with *The Vehicles Act, 1983* is subject to the approval of the Highway Traffic Board.

(3) The Lieutenant Governor in Council may direct that regulations made pursuant to subsection (1) apply only, or do not apply:

- (a) to a class of park land;
- (b) to a particular parcel of park land;
- (c) to a zone within park land;
- (d) to any body of water or portion of a body of water within park land;
- (e) during certain periods.

ENFORCEMENT

Enforcement
officers

28 The minister may appoint any employees or class of employees of the department as enforcement officers for the purpose of enforcing this Act.

Protection of
enforcement
officers

29 An enforcement officer has the powers of a peace officer to enforce this Act and the regulations and is entitled, while performing his duties, to all the protection to which peace officers are entitled pursuant to the *Criminal Code*, as amended from time to time.

Search and
seizure

30(1) An enforcement officer may, at any reasonable time, without a warrant, enter any vehicle, airplane or water vessel in or on which he has reasonable grounds to believe evidence of a contravention of this Act or the regulations may be found, and may:

- (a) order the production of any article or document that he considers necessary;
- (b) order the owner of the article or document or any person apparently in charge of the vehicle, airplane or water vessel to give him all reasonable assistance;
- (c) seize any article or document.

(2) No person shall fail to comply with an order of an enforcement officer made pursuant to subsection (1).

(3) Where a justice of the peace or a judge of the Provincial Court of Saskatchewan is satisfied, on the oath of an enforcement officer, that:

- (a) there are reasonable grounds for believing that a contravention of this Act or the regulations has occurred; and

1986

PARKS

c.P-1.1

(b) there is evidence of the contravention to be found at the place to be searched;

he may issue a warrant under his hand authorizing the person named in the warrant:

(c) to enter into and search the premises in or on which evidence of a contravention of this Act or the regulations is located; and

(d) to seize and take possession of any article or document that may constitute evidence of a contravention of this Act or the regulations.

(4) Subject to subsection (5), an enforcement officer may exercise any of the powers referred to in subsection (3) without a warrant issued pursuant to that subsection if the conditions for obtaining a warrant exist but the delay necessary to obtain a warrant pursuant to subsection (3) may result in danger to human life or safety or the loss or destruction of evidence.

(5) An enforcement officer shall not enter a building or other place that is actually being used as a dwelling place without a warrant issued pursuant to subsection (3) unless the occupant of the dwelling place consents to the entry.

31(1) Where a person is convicted of a contravention of this Act or the regulations, the articles or documents seized in respect of the contravention are forfeited to the Crown and are to be disposed of in the manner specified by the minister.

Disposal of
seized articles
or documents

(2) If no prosecution for an offence in respect of which any article or document is seized in accordance with section 30 is brought within 30 days after the date of its seizure, or if, after trial, the person proceeded against is acquitted and no appeal is taken or is acquitted after an appeal is taken, the article or document seized is to be disposed of in the manner specified by the minister.

(3) Articles or documents obtained by an enforcement officer in the performance of his duties that are not claimed by the owner within six months are to be disposed of in the manner specified by the minister.

(4) For the purposes of subsection (2), a prosecution is deemed to be brought when the information is sworn, or a ticket is issued pursuant to *The Summary Offences Procedure Act*, respecting the offence.

32(1) Where an enforcement officer on reasonable grounds believes that a person is contravening any provision of the regulations that prohibits or regulates any offensive

Eviction of
persons from
park land

behaviour, he may order that person to cease the contravention or may order him to leave park land and to remain out of park land for a period of 48 hours.

(2) Where a person who has been ordered by an enforcement officer pursuant to subsection (1) to leave park land:

- (a) refuses to leave that park land; or
- (b) returns to park land before the expiration of 48 hours;

an enforcement officer may arrest that person without a warrant.

Liability of
owner of
vehicle

33 The owner of a vehicle is liable for a contravention of any provision of the regulations respecting the parking of vehicles or respecting abandoned vehicles, unless he proves to the satisfaction of the judge or justice of the peace trying the case that, at the time of the commission of the offence, the vehicle was not under his charge or control or that of any other person with the owner's consent, express or implied.

GENERAL

Offence and
penalty

34(1) A person who contravenes this Act or the regulations or who fails to comply with any order of a judge made pursuant to subsection (2) or any order of an enforcement officer made pursuant to this Act or the regulations is guilty of an offence and liable on summary conviction to a fine of not more than \$1,000.

(2) When a person is convicted of a contravention of this Act or the regulations the convicting judge may, in addition to any fine that may be imposed pursuant to subsection (1), order that:

- (a) the person make restitution for any damage to property caused as a result of the contravention in the amount, and within the time, determined by the judge and stated in the order;
- (b) the person is prohibited from entering all or any park land for any specified period or periods of time not exceeding, in the aggregate, one year.

(3) Where an amount that is ordered to be paid pursuant to clause (2)(a) is not paid within the time fixed in the order, the minister may, by filing the order, enter the amount ordered to be paid as a judgment in Her Majesty's Court of Queen's Bench for Saskatchewan and that judgment is enforceable against the person convicted in the same manner as if it were a judgment rendered against him in that court in civil proceedings.

Clearwater River Provincial Park

All those lands contained within boundaries described as follows:

- (a) commencing at the intersection of the 23rd Base Line and the Alberta-Saskatchewan boundary;
- (b) thence north approximately 9.7 kilometres along the Alberta-Saskatchewan boundary to the north-east corner of Section 36, in Township 89, in Range 1, west of the Fourth Meridian;
- (c) thence east 14.5 kilometres to a point at Latitude $56^{\circ} 46' 10''$, Longitude $109^{\circ} 45' 40''$;
- (d) thence north east 29.2 kilometres to a point at Latitude $56^{\circ} 53' 40''$, Longitude $109^{\circ} 20' 30''$;
- (e) thence north-east 12.5 kilometres to a point at Latitude $56^{\circ} 57' 30''$, Longitude $109^{\circ} 10' 20''$;
- (f) thence north to a point at Latitude $56^{\circ} 57' 45''$, Longitude $109^{\circ} 10' 20''$;
- (g) thence east, north-east, east, south-east and south a total of approximately three kilometres along a line which is parallel to and 500 metres from the east bank of the Deschermes River to the point where the line intersects with the north bank of a creek flowing from the east into the Deschermes River at approximate Latitude $56^{\circ} 56' 30''$, Longitude $109^{\circ} 07' 50''$;

- (h) thence north-east approximately 37 kilometres to the point where the south bank of Carlson Lake intersects the centre line of an unnamed creek from the south at approximate Latitude $57^{\circ} 00' 10''$, Longitude $108^{\circ} 33' 50''$;
- (i) thence north-east approximately six kilometres to the most southerly extremity of a chain of lakes lying immediately west of Fournier Lake approximate Latitude $57^{\circ} 02' 20''$, Longitude $108^{\circ} 29' 10''$;
- (j) thence north approximately eight kilometres along the west bank of the chain of lakes and the west bank of the creeks connecting the chain of lakes lying immediately west of Fournier Lake to the northern extremity of the second lake immediately north-west of Fournier Lake at approximate Latitude $57^{\circ} 05' 10''$, Longitude $108^{\circ} 28' 30''$;
- (k) thence north-west approximately 21.7 kilometres to the southern extremity of the south west Bay of Vogelsang Lake at approximate Latitude $57^{\circ} 09' 20''$, Longitude $108^{\circ} 48' 40''$;
- (l) thence northwesterly approximately 2.7 kilometres to the point where the centre line of an unnamed creek from the south-west intersects with the west extremity of Sveinson Lake at approximate Latitude $57^{\circ} 10' 20''$, Longitude $108^{\circ} 51' 00''$;
- (m) thence north-east approximately 7.7 kilometres to the west extremity of Kilgaard Lake at approximate Latitude $57^{\circ} 14' 40''$, Longitude $108^{\circ} 53' 10''$;
- (n) thence north approximately 9.2 kilometres to the point where the southern bank of Gibson Bay on Lloyd Lake intersects with the centre line of an unnamed creek from the south at approximate Latitude $57^{\circ} 19' 20''$, Longitude $108^{\circ} 53' 20''$;
- (o) thence north-east approximately 2.8 kilometres across Gibson Bay to the point where the northerly bank of Gibson Bay intersects with the north-west bank of an unnamed creek from the north-east at approximate Latitude $57^{\circ} 20' 10''$, Longitude $108^{\circ} 51' 00''$;
- (p) thence north-east approximately 1.5 kilometres along the north-west bank of unnamed creek to its intersection with the southerly bank of a small unnamed lake lying immediately north-east of the northerly bank of Gibson Bay, at approximate Latitude $57^{\circ} 20' 40''$, Longitude $108^{\circ} 49' 50''$;
- (q) thence east approximately .4 kilometres along the southerly bank of small unnamed lake to its south-east extremity at approximate Latitude $57^{\circ} 20' 40''$, Longitude $108^{\circ} 49' 30''$;
- (r) thence east approximately 2.5 kilometres to the point where the easterly bank of a small unnamed lake intersects with the northwesterly bank of an unnamed creek from the north-east at approximate Latitude $56^{\circ} 20' 40''$, Longitude $108^{\circ} 47' 00''$;
- (s) thence north-east approximately 3.5 kilometres along the north-west bank of the unnamed creek to the point where it intersects with the westerly bank of an unnamed lake at approximate Latitude $57^{\circ} 21' 40''$, Longitude $108^{\circ} 44' 00''$;
- (t) thence east approximately 2.5 kilometres along the north bank of the unnamed lake to its eastern extremity at approximate Latitude $57^{\circ} 21' 40''$, Longitude $108^{\circ} 42' 00''$;
- (u) thence south-east approximately 4.2 kilometres to the point where the east bank of an unnamed creek from the south intersects with the south-west bank of an unnamed lake at approximate Latitude $57^{\circ} 20' 50''$, Longitude $108^{\circ} 38' 00''$;
- (v) thence south approximately three kilometres along the east bank of the unnamed creek, the east bank of a small unnamed lake and continuing south along the east bank of the unnamed creek to its intersection with another unnamed creek flowing from the east at approximate Latitude $57^{\circ} 19' 20''$, Longitude $108^{\circ} 38' 30''$;
- (w) thence east approximately 0.7 kilometres along the north bank of the latter unnamed creek and continuing south approximately four kilometres along the east bank of the creek, the east bank of a small unnamed lake and the east bank of the unnamed creek to its intersection with the northerly bank of another unnamed lake at approximate Latitude $57^{\circ} 17' 20''$, Longitude $108^{\circ} 37' 30''$;
- (x) thence south approximately one kilometre along the east bank of the unnamed lake to its southern extremity, at Latitude $57^{\circ} 16' 40''$, Longitude $108^{\circ} 37' 30''$;

- (y) thence south-east approximately 14.3 kilometres to the point where the centre line of a narrows joining two unnamed lakes intersects with the north bank of the most south unnamed lake at approximate Latitude $57^{\circ} 11' 20''$, Longitude $108^{\circ} 27' 30''$;
- (z) thence south-east approximately 10.5 kilometres to the point where the centre line of an unnamed creek from the east intersects with the easterly bank of an unnamed lake at approximate Latitude $57^{\circ} 08' 30''$, Longitude $108^{\circ} 18' 00''$;
- (aa) thence south-east approximately 9.4 kilometres to the eastern extremity of an unnamed lake at approximate Latitude $57^{\circ} 04' 30''$, Longitude $108^{\circ} 12' 30''$;
- (bb) thence south approximately 3.2 kilometres to the point where the centre line of an unnamed creek from the north intersects with the northerly bank of Careen Lake at approximate Latitude $57^{\circ} 02' 40''$, Longitude $108^{\circ} 12' 10''$;
- (cc) thence south approximately 7.5 kilometres along the west bank of Careen Lake to a small inlet at approximate Latitude $57^{\circ} 00' 10''$, Longitude $108^{\circ} 16' 10''$;
- (dd) thence south across the small inlet to the west bank of Careen Lake and continuing south approximately two kilometres along the westerly bank of Careen Lake to the point where the west bank of Careen Lake intersects with the south bank of a small creek joining a small unnamed lake immediately west of Careen Lake at approximate Latitude $56^{\circ} 59' 30''$, Longitude $108^{\circ} 17' 00''$;
- (ee) thence north and west approximately 50 metres along the south bank of the small unnamed creek to the south bank of the unnamed lake immediately west of Careen Lake at approximate Latitude $56^{\circ} 59' 30''$, Longitude $108^{\circ} 17' 00''$;
- (ff) thence west approximately 300 metres along the southerly bank of the small unnamed lake to its southwesterly extremity at approximate Latitude $56^{\circ} 59' 30''$, Longitude $108^{\circ} 17' 20''$;
- (gg) thence south and west approximately 9.5 kilometres to 500 metres due south of the south extremity of Proudfoot Lake at approximate Latitude $56^{\circ} 56' 10''$, Longitude $108^{\circ} 24' 50''$;
- (hh) thence south and west approximately 18.5 kilometres to 500 metres due south of the southern extremity of an unnamed lake at approximate Latitude $56^{\circ} 53' 00''$, Longitude $108^{\circ} 42' 00''$;
- (ii) thence south and west approximately 5.5 kilometres to the point where the south bank of an unnamed lake intersects with the centre line of a small unnamed creek from the south at approximate Latitude $56^{\circ} 52' 20''$, Longitude $108^{\circ} 47' 30''$;
- (jj) thence west approximately eight kilometres to the south extremity of Sinclair Lake at approximate Latitude $56^{\circ} 52' 00''$, Longitude $108^{\circ} 55' 30''$;
- (kk) thence west approximately 3.8 kilometres to the north extremity of an unnamed lake at approximate Latitude $56^{\circ} 52' 00''$, Longitude $108^{\circ} 59' 20''$;
- (ll) thence south and west approximately four kilometres along the south east bank of an unnamed lake to its south extremity at approximate Latitude $56^{\circ} 50' 40''$, Longitude $109^{\circ} 01' 20''$;
- (mm) thence south and west approximately 21 kilometres to the intersection of the 23rd base line and the range line between Range 20 and Range 21 at approximate Latitude $56^{\circ} 41' 00''$, Longitude $109^{\circ} 11' 40''$;
- (nn) thence west approximately 19.5 kilometres along the 23rd base line to the north corner of Section 36, in Township 88, in Range 23, West of the Third Meridian at approximate Latitude $56^{\circ} 41' 00''$, Longitude $109^{\circ} 30' 50''$;
- (oo) thence south along the projected range line between Range 22 and Range 23, one kilometre to a point at approximate Latitude $56^{\circ} 40' 30''$, Longitude $109^{\circ} 30' 50''$;
- (pp) thence west approximately 9.6 kilometres parallel to the 23rd base line to the intersection with the surveyed range line between Range 23 and Range 24 at approximate latitude $56^{\circ} 40' 30''$, Longitude $109^{\circ} 40' 20''$;
- (qq) thence south and west approximately 1.5 kilometres to the point where the north bank of Martinson Lake intersects with the centre line of an unnamed creek from the north at approximate Latitude $56^{\circ} 40' 00''$, Longitude $109^{\circ} 41' 40''$;

(rr) thence south approximately four kilometres along the west bank of Martinson Lake to the point where the west bank intersects with the centre line of an unnamed creek from the south at approximate Latitude 56° 38' 20", Longitude 109° 42' 00";

(ss) thence south and east approximately 7.5 kilometres to the point where the surveyed range line between Range 23 and Range 24 intersects with the northerly bank of Wallis Bay at approximate Latitude 56° 34' 30", Longitude 109° 40' 30";

(tt) thence north and west and south and west approximately 3.5 kilometres along the north west bank of Wallis Bay to the point where the bank intersects with the west bank of an unnamed creek from the south at approximate Latitude 56° 33' 30", Longitude 109° 42' 30";

(uu) thence north and west approximately 22.7 kilometres to the point of commencement, except:

(i) the portion of Highway No. 955 right-of-way which lies within the described boundaries;
